In good coat and a sound mover, good bone and well balanced, showed well; 2 Howard's **Hatchwoods Flash Gordon**, red in hard coat, lovely well proportioned head, nice size and short coupled, showed and moved well; 3 Owen's **Hoathnor Jackanory**, red in good coat, nice size in good condition for his age, moved & showed confidently.

SPD (2-1) 1 Newton's **Strathinver Red Enough**, smart red with a keen dark eye, and good ears, in good coat and a handy size, showed well.

SJD (3-1) 1 Phillips' **Blakens Xpress Yourself**, compact red in super coat and well presented, well balanced head with a keen eye, good neck and shoulders, level top line, tail well set on, well balanced throughout, considered him for RCC, must have a bright future; 2 Stevenson's **Brickin Fine And Dandy**, super headed red with a strong muzzle, dark eyes and good ears, lovely type and in good coat, not quite the movement of the winner on the day.

PGD (10-1) 1 Rayner & Healey's **Settrends Sirens Sounding**, nice type red with a pleasing head and eye, short coupled and well bodied, in good coat, moved and showed well; 2 Newton's **Strathinver Smart Enough**, typy red that was close up to the winner, lovely shape and size, in good hard coat, pleasing head. A little over excited by the occasion; 3 Simpson's **Umbrage Longton Cum Megalex**, good moving red with dark eyes and well placed ears, in nice coat.

LD (8-3) 1 Ackling's **Ruby Rueben**, smart com-pact red with a lovely head and expression, good top line, short coupled in good coat and well presented, showed very well; 2 Newton's **Penmire Makori at Strathinver**, quality red of nice size, dark eyes, level top line, showed well; 3 Mounfield's **Arderry Sky Rocket**, another quality red with a pleasing head and eye, a lovely type with a good top line and well bent stifles, just short of coat on the day.

OD (7-1) 1 Atkinson's **Moortop No Choice**, dark red with a good head eye and keen expression and neat ears, well balanced and in super coat and well presented, good neck and shoulders, firm top line, well let down hocks, good bone, moved and showed well to take the **CC**; 2 Phillips, Gullick & Wilding's **Ch Jaeva Made In Gold**, another quality red with a super head, eye, and ears, well presented in good coat, good reach of neck and level top line, showed well. **RCC**; 3 Smith's **Javidel May Just Have Too**, smart red dog that is a lovely type, but short of coat on the day.

GCD (2) 1 Owen's **Hoathnor Jackanory**; 2 Child & Johnson's **Nordalset Another Look**, b&t with a great temperament, dark eyes good ears, nice size, not moving well today.

VB (5-2) 1 Atkinson's **Ch Hobsons Choice at Moortop**, red of quality, the oldest in the class and still looking good, a lovely type with a good head and nicely balanced body, well put down and moving and showing well; 2 Ruffles'

Ruffnor Secret Wish, red in short hard coat, pleasing head and eye, firm level topline, well bent stifles, moved and showed nicely; 3 Phillips' **Nordalset Winter Woolies**, red with a super head and dark eyes, very good dentition for her age, shown in full coat and very much enjoying her day out.

SPB (7-1) 1 Gee's **Watercroft Top Of The Pops** headed this class of promising young bitches just shading out her kennel mate. This bitch has a lovely well balanced head for her age, nicely balanced body, good top line, well boned, with good hind angulation, moved with style and showed well. **BP**; 2 Gee's **Watercroft Top Tia** very much the same applies as the winner, but not quite as ready on the day; 3 Phillips' **Blakens Party Girl**, b&t of good type with a lovely head and eye, very good in profile and in good coat and well presented, showed well.

SJB (7-2) 1 Jenkins' **Kinsridge Kerfuffle**, typy red with a lovely head, eye, and expression, in good coat, short coupled and well bodied, moved and showed well; 2 Hurrion's **Villassa Cherry Ripple**, well presented red with a pleasing head eye and expression, good ears, level top line, a lot to like about this bitch but her movement let her down on the day; 3 Craddock & Collins' **Fontanesi Golden Twist**, close up to the first two, red of good type with a lovely head and eye, a nice size, in good coat, moved and showed well.

PGB (8-1) 1 Jenkins' **Kimmax Kushy Number at Kinsridge**, well balanced red with a lovely head eye and expression, well bodied short coupled, in good coat, moved with purpose and showed well. 2 New's **Raven Beauty**, b&t that was close up to the winner, in good coat and well presented, showed well; 3 Saltmarsh's **Pipridges Hazel**, red with a confident air about her, keen eye, in good coat, a nice mover that showed well.

LB (9-2) 1 Devereux's **Vichea Easter Lily**, quality red with a good head and eye, short coupled, well developed chest, well set tail, in good coat moved and showed well; 2 Broom & Davies' **Roxway Final Chapter**, when this bitch came in to the ring I thought she was my winner. Dark red in the best coat of the day, this bitch is so well balanced with a superb outline, lovely reach of neck well angulated shoulders, level top line and the best of tails. Well handled and presented. Lack of head furnishings held her back on the day, spoiling her expression; 3 Gee's **Watercroft Wedding Belle** another nice red with a good head, well balanced body, moved and showed well.

OB (6) 1 Thompson-Morgan's **Belleville Honey Nut Crunch**, lovely type red, a nice size with a well-balanced head and dark keen eyes, good reach of neck, level top line well let down hocks, in good coat and well put down, a nice mover that showed well. **BCC & BOB**. 2 Jenkins **Ch Kinsridge Top Score**, lovely headed red of quality, well balanced and a nice size for a bitch, in good coat and well presented. Unfortunately she was a little distracted in her class, but pulled out all the stops in the challenge to take the **RCC**. 3 Coopers' **Ch Settrends Saucy Sox**, red that I have often admired from the ring side, a lovely type that always shows well, I thought she was looking a little matronly

Firstly I would like to thank members and committee for inviting me to judge this show and to my stewards who kept the show rolling and not forgetting the lovely basket of mixed cheeses, they were beautiful and appreciated.

MPD (4-1) 1 Thompson-Morgan's **Belleville Roll Call**, a smart looking puppy, good outline, clean head and expression, nice eye, correct bite, well placed ears, clean front, tight feet, good reach of neck running down to well placed shoulders. Nice topline, tail on top, good angulation, moved well both ways; 2 Jenkins' **Kinsridge Cash Back**, a nice type with good attributes, nice head and ears, good expression, straight front, good neck and topline, strong quarters. A little unsettled on the move can only improve; 3 Hitchin's **Kreatin Telling Tales**.

PD (2) 1 Jenkin's **Kinsridge Quids In**, a smart puppy with attitude, pleasing head and expression. Well placed ears, nice straight front and well boned, tight feet, good reach of neck, well laid shoulders. MPB (5) 1 Phillips' **Blakens Sugar Candy Kisses**, very much a baby but quality is there. Nice head with a feminine expression. Nice neck and shoulders, short coupled, moved well for age, a nice package; 2 Thompson-Morgan's **Belleville Just Magic**, nice outline, nice head and expression, good neck and topline, tall on top good coat and colour, moved

well behind, needs to tighten in front; 3 Atkinson's **Moortop Another No Choice**.

PB (5) 1 Smith's **Javidel Definitely Maybe**, b&t, a nice type girl, good coat and colour, good expression, nice neck and shoulder, good topline, good quarters, moved and showed well.

BPB; 2 Phillips' **Blakens Party Girl**, similar in type to winner, happy disposition, pleasing expression, nice kind eye, well placed ears, short back, quarters well angulated, good coat and colour, moved OK; 3 Gee's **Watercroft In The Mix**.

JB (5-1) 1 Gee's **Watercroft Top Of The Pops**, good outline, good head and expression, good front, nice topline and tailset, good mover, good coat and colour, well presented. **RBB;** 2 Stevenson's **Brickin Upper Crust**, a typy bitch well put together, nice in head, good legs and feet, plenty of bone, nice reach, good topline tai on top, moved OK, needs a little training; 3 Craddock & Collins' **Fontanesi Golden Twist**.

3**DCC: Roxway Direct Line****RDCC: Javidel May Just Have Too****BCC & BOB: Vichea Dot And Carry****RBCC: Fontanesi Golden Chalice****BP: Kreatin Tellin Tales**

MPD (3) 1 Hitchin's **Kreatin Tellin Tales**, b/t. Liked him a lot for his overall type, size and shape. Good bite with dark eye of correct shape. Skull developing well, good neck into well laid shoulders & a straight front. Good length of ribs & a decent hind action. Enough bone. Moved & showed well. **BP**; 2 List's **Nicnips Dirty Harry**, red dog of good size, make, shape. Could forgive his coat texture as novice handler who was new to the breed and could have been prepared to be exhibited in better coat; 3 Cooper & Simpson's **Settrends Secret Squirrel**.

PD (2) 1 Newton's **Strathinver Red Enough**, red dog of good type & size. Good head proportions, dark eye & good bite. Good neck, could be better in front but balanced with his hind action presented well; 2 List's **Nicnips Dirty Harry**.

JD (1) 1 Stevenson's **Brickin Fine And Dandy**, liked him for his head & expression. Good strength of muzzle & bite. Upto size with a good topline with tail set on & carried well. Could be a little stronger behind & move with a more purpose.

ND (1) 1 Newton's **Strathinver Red Enough**.

PGD (0)

LD (2) 1 Ackling's **Ruby Rueben**, a dog whom I have admired before from ringside. Not the biggest but balanced & all in proportion. Correct head & skull with dark eye & good bite. Good length of neck with well laid shoulder & straight front, short backed with a level topline. Coat of good texture & presented well. Was disappointed with how this lad didn't move with the purpose & drive that I know he can however I must judge dogs on the day; 2 Mounfield's **Arderry Sky Rocket**, different in type to 1 being overall larger & rangier. Strong head & lovely expression with dark eye & good bite. Not as short backed as 1 but in proportion, well off for bone. Coat coming in well. Moved, handled & presented well.

OD (6) 1 Mitchells's **Roxway Direct Line**, I have previously awarded this dog **RCC** last time I judged & he has got better with age! Needs to be gone over to appreciate him. A dog who possesses characteristics the standard asks for, not in anyway glamorous but a functional honest dog. Excellent bite with large teeth, well rounded skull, enough stop. Overall balanced standing & on the move. Well off for bone, well ribbed with short loin, short in back with a level topline & tail set on. **CC**, his crowning third **CC**. 2 Smith's **Javidel May Just Have Too**, red wheaten dog who has a little more scope than 1 & presents good picture in side gait. Looking at his head its all in proportion just not as strong as 1. Enough bone, balanced on the move fore & aft. Performed better on the move than the Limit dog winner to win the **RCC** in the challenge. 3 Newton's **Strathinver Smart Enough**.

MPB (2) 1 Phillips' **Blakens Sugar Candy Kisses**, red wheaten bitch. Good size for age, pretty head & expression. Good bite, would prefer a little more neck & more lay back in shoulder. Enough bone. Liked her on the move. Moved well

& showed well; 2 Devereux's **Vichea Geisha Girl**, very feminine bitch, not the finish of 1 at this age. Liked her head expression. Would prefer a slightly darker eye. Will tighten in front in time. Short behind with low driving hocks. Will present a pretty picture in months to come.

PB (4) 1 Smith's **Javidel Definitely Maybe**, b/t bitch possesses a lot that I like in a Norfolk. Great feminine type of good size & front construction. Good in neck with a balanced body shape. Great rear & a good bum, something I like to see on a Norfolk. Well presented & handled; 2 Gee's **Watercroft In The Mix**, smaller in size to 1 & not the confidence but again only a puppy so will improve with age. Good head, eye & bite. Liked her for overall size & shape. Good bone, moved well.; 3 Glynn's **Brenin Vital Spirit at Kenberlynn**.

JB (5-1) 1 Darnell's **Watercroft Cherry On Top**, red wheaten bitch of good breed type. Liked her head & eye with correct bite, good neck, shoulders well laid & straight front with well sprung ribs – well angulated behind; 2 Gee's **Watercroft Top Of The Pops** not as finished as 1 but from the same breeder. Liked her head type and ear carriage. Liked her overall balance, will make a better picture when finished. Well handled; 3 A A Smith's **Shanandi I Should Be So Lucky TAF**.

NB (3) 1 Saltmarsh's **Pipridges Hazel**, well up to size but in proportion & balance. Liked her head & expression. Good bite, good length of neck, would prefer more lay back on shoulder straight front. Could be a little shorter and back and moves with more drive; 2 Darnell's **Watercroft Cherry On Top**; 3 Simpson's **Tegwani Dream On At Megalex**.

PGB (4) 1 Craddock & Collins' **Fontanesi Golden Twist**, liked this, good for her sassy Norfolk temperament & overall breed type. Lovely feminine head & ear carriage. Correct bite. Great to go over, could be a little tighter in front but good neck, short back with level topline. Correct tailset, moves with drive & purpose from behind. Pleased to award her **RCC**; 2 Bettesworth's **Kapitada Sweetness'N Light**, pretty feminine bitch of good breed type, good bone for size. Could be better in shoulder enough neck, short backed, good coat texture. Moved & handled well; 3 Gee's **Watercroft Top Tia**.

LB (4) 1 Gee's **Watercroft Wedding Belle**, lovely head & expression, very much my kind of Norfolk. Good bite, liked her bone well. Sprung ribs of good length, strong topline with great quarters. Today didn't move with the purpose & drive that I have seen she can; 2 Mounfield's **Settrends Sauce Pot with Jaeva**, in her underwear today but good not hide or deny her qualities as a Norfolk. Good head & eye, correct bite. Good neck & shoulders with straight front. Short backed with tail set on. Could be a little more angulated behind. 1&2 could swap places on another day; 3 Devereux's **Vichea Easter Lily**.

OB (3-1) 1 Devereux's **Vichea Dot And Carry**, an honest & functional Norfolk who possesses all the standard asked for,

again without glamour but one of the soundest you will see in the breed. Correct head & expressive ear. Strong muzzle, great neck & shoulder. Well sprung ribs with a short loin. Tail carried straight. Moves with purpose & drive from well let down hocks. Overlooked by some but not me today, pleased to award her a third & crowning **CC** with **BOB**; 2 Stevenson's **Brickin Hop And Skip**, red bitch of lovely size & shape. Great head & expression. When going over can see she is well made & put together, today did not move with the soundness of 1 but could change places on another day.

MPD (6-2) 1 Thompson-Morgan's Belleville Roll Call, red baby with lots of bone & substance, very immature but shows much potential. Coat was on the blow, **BP**; 2 Hitchin's **Kreatin Tellin Tales**, nice b/t, very neat youngster, all of one piece, not as good in head as 1 but lots to like; 3 List's **Nicnips Dirty Harry**.

PD (4-3) 1 List's **Nicnips Dirty Harry**, nice puppy but rather wide in front. Well off for bone, showed well. Coat on the blow. I think our strange weather is playing havoc with coats.

JD (2) 1 Phillips' **Blakens Xpress Yourself**, really stunning dog, so full of himself with more than enough Norfolk spirit, very balanced & correctly built throughout, glorious head. Feel this is one to watch, a champion in the making. **BD & BIS**; 2 Milton's **Settrenda Bubble Party**, lovely head & eye, moved soundly. Needs a little more coat & handler needs a little more confidence.

ND (6-5) 1 Hilditch's **Watercroft Royal Mail**, lovely head & neck. Coat on the blow. Dark keen expression. Shade light of bone & rather wavy fore & aft on the move.

PGD (1) 1 Haynes' **Cracknor Cut A Capar**, larger cast, good coat texture & presented a nice profile, when moving was close too & fro but exhibited true Norfolk temperament.

LD (2-1) 1 Ackling's **Ruby Rueben**, lovely dog who I have admired in the past. Super head, very compact, keen expression which shouts Norfolk. **RBD**.

OD (5-3) 1 Atkinson's **Moortop No Choice**, lots to like about this dog, excellent head & proportions, lovely earset, very well off for bone & the best of feet. Disappoints on the move as rather wide in front; 2 Philip's **Nordalset Look Out For Me**, lovely dog, not in his best coat & difficult for his handler. Upright in shoulder but many virtues.

VD (0)

SBD (3-1) 1 Hilditch's **Watercroft Royal Mail**; 2 Milton's **Settrenda Bubble Party**.

MPB (7-4) 1 Home's **Pie In The Sky**, really lovely baby, b/t coat which I felt was not quite ready to look at its best. Super angulation both ends, well let down hocks, neat front assembly. Hope she grows on well. **BPB**; 2 Phillip's **Blakens Sugar Candy Kisses**, best of heads & in super coat as always from this exhibitor. I hope she has a bright future; 3 Williams' **Greditch Amazing Grace**.

PB (8-4) 1 Gee's **Watercroft In The Mix**, very tpy, short backed puppy, super head with keen dark eye, good stop & muzzle, very good in hindquarters; 2 Howard's **Hatchwoods Last Tango**, the thing that really struck me was her free flowing movement, good forward reach rarely seen. Coat not at its best.

JB (6-1) 1 Hurrion's **Villassa Cherry Ripple**, beautiful red

bitch, correct size with gorgeous head, lovely layback of shoulder, level topline, super bone & feet, like her very much.

BB & RBIS; 2 Stevenson's **Brickin Upper Crust**, not on her best form but well made throughout, good to go over & like a lot of exhibits needs a new coat; 3 Craddock & Collins' **Fontanesi Golden Twist**.

NB (6-3) 1 Saltmarsh's **Pipridges Hazel**, exhibited typical Norfolk temperament, in good coat, super neck, shoulders & bone, very sound mover, slightly dodgy in head.

PGB (5-3) 1 New's **Raven Beauty**, sweet b/t, super coat texture, well presented, good head proportions but rather light in eye; 2 Hurrion's **Villassa Top Totty**, very well handled by young junior handler, good moving bitch. Pity not quite the quality of 1.

LB (4-1) 1 Howard's **Hatchwood Flamenco**, very happy bitch, never stopped wagging, like her kennelmate very good free mover, short coupled, full of the Norfolk type; 2 Ruffles' **Ruffnor Off Beat**, in very tight coat, super head, dark eye & good earset, coat texture excellent but would like to see her with more furnishings, smart mover; 3 Mitchell & B Phillips' **Tegwani Crystal Ball**.

OB (4-1) 1 Gee's **Watercroft Wedding Belle**, very nice free moving bitch, good head & shoulders, in super coat, well angulated behind. Would have liked to see her carrying a little more body weight. **RBB**; 2 Thompson-Morgan's **Belleville Silk Slippers**, lots to like in a small package, shows true terrier characteristics, moves with drive, in super order; 3 Devereux's **Vichea Easter Lily**.

VB (2) 1 Atkinson's **Ch Hobsons Choice at Moortop**, grand old lady of 10 years, still full of enthusiasm & shows like a junior, very sound; 2 Ruffles' **Ruffnor Secret Wish**, another lovely 8 years veteran, superb coat, good teeth, so sound & driving movement.

SBB (3-3).

MPD (6-2) 1 Hitchen's **Kreatin Tellin Tales** 7 month b&t of excellent type in harsh coat, very alert and on his toes, good head with neat ears, short muzzle bright eyed with lovely expression; level topline and upright tail; moved out well, and responded to sympathetic handling; 2 Thompson-Morgan's **Belleville Roll Call**. Rather more stocky and with softer coat, which he had tried to prune himself and could have been in better condition. Four square, and short in back; good head with plenty of width of skull between well held ears, good mouth and bite; level topline which he kept on the move with plenty of drive from rear end; 3 Ellis's **Brymarden Snow Patrol**.

PD (3-2) 1 Jenkins' **Kinsridge Cash Back**, What a promising youngster. Quality puppy with lovely outline and plenty of bone and substance, really filled the eye. A bit unsure of himself and moving in fits and starts, as lacking experience, but gave glimpses of super movement when he did settle for a few strides. A blueprint of a Norfolk head with good width between correctly dropped ears, muzzle in the right proportion to skull and dark eyes giving a gorgeous expression. Level topline with erect tail and overall his lovely make and shape will soon undoubtedly challenge the best. **BP**

JD (2-1) 1 J Phillips' **Blakens Xpress Yourself**. It was his day. He has matured into a lovely dog, beautifully presented, and he strode round like a professional as though he owned the ring – which he did today. A masculine dog in spot on condition in gleaming coat. Excellent head, with neat, well dropped ears, dark eye, correct proportions of skull, intelligent expression; gently crested neck flowing onto well laid shoulders with level topline and upright tail carriage. Good depth of body and nice turn of stifle, he moved truly to and fro and with great drive from the side and made a lovely balanced outline. I had much pleasure in giving him his first **CC** and **BOB**.

PGD (4-1) 1 Jenkins' **Kinsridge Quids In**. Litter brother to the PD winner, and very similar in make and shape. Another very promising red puppy with plenty of substance and quality. Beautiful head with dark eye and well held ears and lovely expression. Super reach of neck to level topline and excellent tail carriage – it is hard to separate these brothers; 2 Darnell's **Jacquidon Tough As A Nut**; at 20 months a bit more substantial. Typy head, with expressive dark eye and strong muzzle. Level topline with well carried tail; moved with enthusiasm, attentive to his handler; 3 Lloyd's **Orison Thunderstorm**.

LD (2-2)

OD (5-2) Three very nice dogs all very well presented. 1 Newton's **Strathinver Smart Enough**; well made dog of just the right proportions giving stylish outline. Not exaggerated in any way, but beautifully balanced, with substance and good quality bone. Masculine head with strong bite, good dark eye and well held ears; good length of neck, well set on, Good front with straight forelegs with neat cat feet.

Level topline and plenty of propulsion on the move from well shaped hindquarters. **RCC**; 2 Atkinson's **Ch Moortop No Choice**; another lovely dog of good proportions, very low to ground in a harsh red jacket, a real terrier, varminty sort, fit and in prime condition with plenty of muscle tone; good head with neat ears, with strong short muzzle with good bite, dark eyes giving bright alert expression; 3 Smith's **Javidel May Just Have Too**.

MPB (4-1) Three totally different types. 1 Phillips' **Blakens Sugar Candy Kisses**, 8 months old, as neat as a new pin in excellent red coat; very short and compact. Sweet expression, very tidy ears and dark eye; put down in immaculate condition, she moved very freely and strode out happily keeping a level topline; 2 Hurrion's **Villassa All My Heart**, just six months old with the makings of a very promising puppy. Moved happily striding out. Attractive head with sweet expression, Good length of neck and good body, level top line but wish she had a better tail carriage; 3 Williams' **Greditch Amazing Grace**.

PB (4) 1 Phillips' **Blakens Party Girl**, b&t, almost a year old, who made a lovely picture in profile as she moved freely round the ring. Very good proportions, pretty head with dark eye and correctly dropped ears, graceful neck which flowed to well laid shoulders, level topline and upright tail. Enough substance and depth of body, presented in immaculate condition; 2 Atkinson's **Moortop Another No Choice**. Very close decision between these two. A slightly smaller red puppy, short and compact, who also moved well and put up a good performance. Charming head with good width between well held ears, sweet expression, good mouth and bite, low to ground like her brother; fit and ready to go, in excellent harsh coat; level topline and super upright tail carriage. Moved truly coming and going; 3 Glynn's **Brenin Vital Spirit at Kenberlynn**.

JB (7-2) 1 Hurrion's **Villassa Cherry Ripple**. A stylish light red bitch of lovely proportions in good coat, turned out looking a picture. Pretty head with good width of skull neatly dropped ears and dark eye. Moved alright but today she was not showing much spark or animation; 2 Gee's **Watercroft Top Of The Pops**. Close up to 1, very compact happy little red bitch, shorter in leg than 1, very active and typy. I liked her head and overall shape with decent length of neck and short back with good tailset. Slightly softer coat, but well turned out and keen to do her best for her handler; 3 Smith's **Javidel Definitely Maybe**.

PGB (6-2) 1 Bettesworth's **Kapitada Sweetness'n Light**. Low, compact bitch in excellent coat, very responsive to handler watching her for every signal. She has a lovely head with small neat ears, short muzzle and alert eye giving a most attractive expression. Nice length of neck flowing to short back and upright tail carriage. Good body, good turn of stifle, producing good propulsion from low set hocks; 2 Saltmarsh's

Pipridges Hazel. A more rangy bitch than 1 but well made, a lot to like about her; pretty head with good ears, dark eye and good mouth. Good length of neck, with level topline and well held tail; enough body and substance, she moved well; 3 Lloyd's **Orison Thundercloud.**

LB (3-2) 1 Gee's **Watercroft Wedding Belle.** a lovely quality bitch, everything in the right proportion with enough substance and body but overall totally balanced. Beautiful head, with neat ears, short muzzle and bright expressive eyes, giving a most appealing expression. Graceful reach of neck flowing to good well laid shoulders and straight front legs. Nice depth of brisket and well ribbed, with level topline & good tailset. In full harsh red coat, she moved straight and true to & fro, then extravagantly really covering the ground round the ring. I liked her a lot, and was delighted to give her & her owner their first **CC.**

OB (4-1) 1 Stevenson's Brickin Hop And Skip. A real terrier, no toy this one, the real McCoy, an active workmanlike harsh red coated bitch. Characteristic head with sparkling eye and with her excellent strong teeth with scissor bite would surely be a menace to rats. Just the right size, in hard condition with good muscle tone; a bitch very correctly made, with good body, well ribbed and a good turn of stifle, just lacking a touch of glamour perhaps. Preferred her head to 2; 2 Thompson-Morgan's **Belleville Silk Slippers.** When she came into the ring she powered round, moving dramatically and looked terrific and the likely winner; she was beautifully presented, but she was a bit disappointing on the table, not much of her under her immaculate coat, lacking bone and not the best of heads. Short in back, nice length of neck, level topline and good tailset; 3 Sweigart & Beale's **Yarrow Venerie Tip The Scale.**

PD (1) 1 Jenkins' **Kinsridge Cash Back**, stood alone and a bit unsettled in the class with no competition around him. But lots of breed type about him, a youngster that's maturing nicely, pleasing head shape with good expression, short and compact, straight front and good feet, kept a good topline and tail set on the move. Looked a different dog in the challenge keen and alert using his ears to full advantage, went around the ring covering the ground with ease, true in front and plenty of drive in the rear, in good coat, that's when I decided to give him the **DCC** and **BOB**. Best mover on the day.

JD (0)

LD (4-2) 1 Phillip's **Blakens Xpress Yourself**, looked good in profile, good in head and body, nice make and shape with good ring presence, dark eyes and good ear placement, correct bite, well bodied with strong quarters, moved well, good coat and tail set. **RDCC**; 2 Jenkins' **Kinsridge Quids In**, litter brother to my CC winner, very similar but not as mature as him. Moved well, coat a little soft.

OD (3-1) 1 Atkinson's **Moortop No Choice**, masculine dog with plenty bone and substance, sound enough through out and with a lot of breed type to him. Nice size and well presented. Good head and expression, short and compact, a lot of width to his front but moved soundly, good tail set and harsh coat; 2 Smith's **Javidel May Just Have Too**, another nice dog of type, pleasing head shape, dark eyes and good ear placement, well put together and with good outlines, moved well keeping a level topline, in good condition.

PB (3-2) 1 Phillips' **Blakens Sugar Candy Kisses**, beautiful expression and almost too pretty to be a Norfolk. Very typical of the breed in type and temperament keen and alert. Short in back, moved very well around the ring and in good condition nice coat, **RBCC**; 2 Atkinson's **Moortop Another No Choice**, coming along steadily and looked good in profile, good in head and body, nice in size and shape, stronger bitch not as settled on the move as the first place.

JB (3-1) 1 Gee's **Watercroft Top Of The Pops**, nice in type, short, keen and alert, enough substance pleasing outlines using its ears and tail to an advantage, moved well once settled down; 2 Pound's **Kinsridge Real Deal Among Ursas**, good ear carriage and dark eyes, moved around the ring keeping a level topline.

LB (1) 1 Gee's **Watercroft Wedding Belle**, good in head, nice ear placement and dark eyes, correct mouth, short in back, strong quarters, moved well but could do better with more ring craft, nice harsh coat.

OB (2) 1 Stevenson's **Brickin Hop And Skip**, nice in type and good outlines over all, good head and expression, dark eye, correct ears and mouth, nice neck and shoulders, short in back, strong quarters and tail set, moved with ease around the ring, keeping a good topline, great coat, **BCC** had the pleasure of making this one up – I think it was long overdue; 2 Sweigart

& Beale's **Yarrow Venerie Tip The Scales**, a smaller bitch all over, a rich deep colour, really confident in the ring which is bomb proof for this breed, well put together and with good outlines, moved very well.

PD (2) 1 Hitchen's **Kreatin Tellin Tales**, well made b/t young man who shows much promise. Cobby outlook with good bone & substance throughout, good head, well set ears & a keen eye & expression. Firm topline, well sprung ribs for his age, nicely angulated hindquarters, good tailset, in excellent jacket, sound positive mover. **RBD & BP**; 2 Ellis' **Brymarden Snow Patrol**, a read handful for his handler but showing plenty of spirit & character. Well balanced head with a good dark eye, pleasing front assembly, good depth throughout, nicely rounded quarters. Once he got into his stride was sound on the move.

JD (0)

PGD (1) 1 Lloyd's **Orison Thunderstorm**, typy b/t with good bone & substance & a pleasing outlook. Masculine head, good strength of muzzle, strong body with a good spring of rib, pleasing width of hindquarters, moved well.

OD (2) 1 B Phillips, Gullick & Wilding's **Ch Jaeva Made In Gold**, was a pleasure to judge this quality exhibit, a short backed cobby dog with the required strength & substance & beautifully balanced throughout. Typical head, lovely eye & expression, very clean over the neck & shoulders, best of fronts, big ribs, great strength of quarters, well set on tail, harsh coat, very sound on the move with excellent reach & drive. **BD & BOB**; 2 Ackling's **Ruby Rueben**, pleasing type but not the presence or outlook of 1. Balanced head, good dark eye & keen expression. Short deep body, firm level topline that he keeps on the move. Pleasing turn of stifle, well let down hocks, moved well.

PB (6) 1 Gee's **Watercroft In The Mix**, promising puppy, lovely bone & substance for her age but has a very feminine outlook. Pleasing head & expression, well set ears, good legs & feet, short backed, well rounded hindquarters. Moved out well with great purpose; 2 Howard's **Hatchwood Last Tango** well made youngster of good make & shape, balanced head, good strength of muzzle, dark eye, neat ears, pleasing reach of neck set in well placed shoulders, cobby body, sound on the move but not the enthusiasm of 1; 3 William's **Greditch Amazing Grace**.

JB (3-1) 1 Gee's **Watercroft Top Of The Pops**, cracking young lady with that mischievous disposition which is such the character of the breed. Well balanced throughout, correctly proportioned head with a lovely eye & best of expressions, well set ears. Best of front assemblies, lovely legs & feet, well sprung ribs, good strength of quarters, sound mover holding her topline at all times. Although giving her handler a hard time in the line up. Just preferred her more positive front action to her kennelmate in the challenge. **BB**; 2 Philip's **Nordalset Golden Summer**, very typical head with a good dark eye & an alert outlook, pleasing front, good bone & substance, level topline, good tailset & carriage, moved well, not as compact as 1.

PGB (1) 1 Lloyd's **Orison Thundercloud**, b/t of good size &

type, plenty of bone & substance & well balanced throughout. Pleasing head, good strength of muzzle, keen expression, best of fronts, short backed, good bend of strifle, moved soundly.

OB (3) 1 Gee's **Watercroft Wedding Belle**, another very good one from this kennel. Quality bitch, plenty of bone & substance & presents a very well balanced outlook. Best of heads, short muzzle, good eye & expression, strong neck, good layback of shoulder, short cobby body, pleasing topline & tailset, muscular well angulated hindquarters, harsh coat, sound mover. **RBB**; 2 Howard's **Hatchwood Flamenco**, very pleasing sort with a typical outlook, well balanced throughout, best of heads, with a keen dark eye, neat ears. Good straight front, excellent depth of brisket, well sprung ribs, level topline, nicely rounded quarters, moved well; 3 Philip's **Nordalset Sprinkle Of Sun**.

BP: Kinsridge Cash Back

PD (1) 1 Jenkins' **Kinsridge Cash Back**, smart typy boy who has a clean outline, I like his size, he has a well balanced head with a good width of skull, correct shape to his eye giving him a keen expression, nicely filled muzzle. Medium length of neck which flows into his level topline, well angulated shoulders & straight front. Short backed & cobby body with a good spring of rib, well made hindquarters with a nice turn of stifle & correct tailset, correct quality coat which was nicely presented, moves with a good driving action, shows well & he should have a good future. **BP & PG4.**

JD (1) 1 Cooper & Simpson's **Settrenda Secret Squirrel**, a promising boy, needs to settle & improve in his showmanship. Nice width of skull, well placed ears with a good stop, could be a little shorter & fuller in muzzle. Good in neck & shoulder, correct spring of rib. Pleasing hindquarters which he can use when concentrating, not so positive with his front action. In nice coat & condition, has time on his side.

PGD (4) 1 Simpson's **Umbrage Longton cum Megalex**, good outline, would like him a little shorter in back for a better balance. Pleasing head, dark eye with a keen expression. Good in neck & shoulder, good spring of rib with at pleasing turn of stifle & correct tailset. His coat could do with a bit more judicious trimming to improve the picture, moved quite well but needs to show & work with his handler; 2 Lloyd's **Orison Thunderstorm**, b/t of a smaller size than 1, I would have liked more width to his skull & muzzle, well placed ears, he has a good dark eye & a keen expression. Short backed, could carry more body to his advantage, pleasing turn of stifle with a correct tailset. He has a very good quality coat, moved well behind & showed well; 3 Haynes' **Cracknor Cut A Caper.**

LD (4) 1 Phillips' **Blakens Xpress Yourself**, this boy stood out from the start, has a very pleasing head with the desired width of skull & well set ears, defined stop, dark expressive eyes & a well filled muzzle. Correct neck that runs into his level topline, short backed & cobby appearance. Straight in front, strongly made hindquarters, good tailset & carriage, quality coat which was presented 100 per cent by his owner, moved with plenty of drive from behind disappointed me by being a little too slack in his front action, showed all out. His front was the deciding factor when challenging for the CC, so had to settle for the **RCC**; 2 Ackling's **Ruby Rueben**, a nice looking boy who was just a little more refined than what I was looking for in a male. He has a pleasing head & expression, good neck but could improve in front construction. Nicely made body, strongly made hindquarters which he uses well on the move, correct tailset & shows well. Nice quality coat; 3 Haynes' **Cracknor Cut A Caper.**

OD (3) 1 Green's **Wharfvalley Diamond Star**, I liked this dog's size & mature outlook. He has a clean, well balanced outline & has balance with no exaggerations. Masculine head with no sign of coarseness, good proportions, enough width of

skull, defined stop & well filled muzzle. Good eye for colour & shape, keen expression. Good neck that runs into his level topline, correctly made shoulders & straight front. Good body for spring of rib & for shortness, I thought he was carrying a touch too much weight. Strongly made hindquarters which he knows how to use, has a nice quality coat with good presentation. He shows himself off very well, so his owner needs to use this to her advantage. **DCC**, his first; 2 Atkinson's **Moortop No Choice**, nice boy with a pleasing head, would have liked more fullness to his muzzle. Has the desired keen expression, good neck & cobby body. Disappointed he failed in front action, he has well made hindquarters which he knows how to use. Correct tailset, in a good coat & condition, showed well; 3 Smith's **Javidel May Just Have Too.**

V (1) 1 Owen's **Hoathnor Jackanory**, nearly 10 years old. His head is not his fortune being rather 'old fashioned'. Straight front, good spring to his ribs, short backed with a nice turn of stifle. Moved well in front, but moving close behind. Has a great personality which showed in his enthusiastic showmanship.

GC (2-1) 1 **H Jackanory.**

PB (6) 1 Phillips' **Blakens Sugar Candy Kisses**, what a lovely puppy! Very nice well balanced overall shape, good balance in head which has a very feminine look. Good neck & shoulders, straight front, cobby body with a good spring of rib. Well made hindquarters, short hocks, correct tailset. Again in a quality coat, immaculate presentation & moved soundly both ways. Showed like a trouper, close decision for BP, destined for the upper house I am sure; 2 Gee's **Watercroft In The Mix**, another nice girl. Has many similar attributes of 1. Nice in her head & expression, good neck & shoulders, short cobby body & good topline. In good coat & well presented. Moved well both ways, just needs to settle; 3 Howard's **Hatchwoods Last Tango.**

JB (3) 1 Gee's **Watercroft Top Of The Pops**, nicely balanced girl with a good outline, short backed & low to ground. Good head, nice width of skull with well placed ears, just needs to fill out in muzzle. Good length of neck, correctly made shoulders with a straight front. Cobby & well ribbed, could carry a little more body, good turn of stifle & short hocks. Correct tailset & carriage, she has a quality coat which was nicely presented. Moved soundly both ways & showed with lots of enthusiasm. **RCC.**

PGB (7) 1 Craddock & Collins' **Fontanesi Golden Twist**, smart shapely bitch, cobby body & low enough to ground. Nice shaped head, ears well placed, good eye for shape & colour which gives her that keen expression. Good in neck & shoulder, nice straight front, very good spring of rib. Correct strongly made hindquarters with a good turn of stifle, correct tailset. In a good coat of the hard texture required, well presented, moved soundly both ways & showed well;

2 Simpson's **Tegwani Dream On at Megalex**, lively girl with a nice overall shape. Pleasing head with a keen expression, well placed ears & correct in eye. Good neck & shoulders, straight front, well made body & hindquarters. Moved well both ways & showed well. Just needs some more attention to her coat;
3 Lloyd's **Orison Thundercloud**.

LB (4) 1 Hurrion's **Villassa Cherry Ripple**, this young bitch captivated me. Well balanced outline nothing out of place. Correct & feminine head, good width between the ears that are well placed, nicely defined stop with a well filled muzzle. Dark eye with a keen expression, good length of neck which blends into her level topline, clean well angulated shoulders, straight front. Coby body that has the desired spring of rib, well made hindquarters & well placed tailset. In a nice coat of the correct texture, well presented as one expects from this kennel. Moved soundly both ways with attitude, couldn't dent her the **CC & BOB**. Pleased to hear she was placed **G4** in a strong group;
2 Howard's **Hatchwoods Flamenco**, more mature girl. Nice head & expression, well placed ears that she uses well. Good neck & shoulders with a straight front. Nice spring of rib, could be a shade shorter in back. Well made hindquarters though not as positive as 1 on the move. In a nice quality coat, shows well;
3 Owen's **Penmire Lilac**.

OB (4) 1 Sweigart & Beale's **Yarrow Venerie Tip The Scale**, rich red of nice type. Good expression with a well defined stop, keen expression but fails in strength of muzzle. Nice reach of neck with a short back, tailset correct. In good coat & condition, moved well both ways & shows well. Just not enough of her; 2 Gee's **Watercroft Wedding Belle**, appears a bit high on the leg & longer cast which spoilt her balance. Pleasing in her head with a feminine expression, good neck & shoulders. Level topline & tailset correct. In good coat but not as positive in movement as 1; 3 Devereux's **Vichea Easter Lily**.

An excellent mid week entry. I must report that the handling was a big worry for me. Harsh, heavy handling is no good for any breed especially one as intelligent as ours. Yes, I know they can try us all but really if fun isn't encouraged as puppies then this leads to very bored adults as I also saw here. Some really good dogs just not interested. The breed clubs have put on grooming workshops & our breed is very rare not presented correctly. Maybe the club should put on handling & understand the breed workshops. We have some excellent handlers, I feel sure that as with grooming workshops they would pass on their handling skills.

PD (5) 1 Phillips' **Jaeva Cufflink**, my notes read wow & wow again. Super puppy, has everything in the right order to go to the top, his attitude is 'look at me'. His handler knows just when & how to let this baby show himself. Excellent head & skull shape, large teeth set in strong jaw, well placed & used ears. Eye could be smaller. The best of shoulders, clean lead into a short firm back, topline held on the move, tail set on & held correct, straight front. Pasterns a little soft. Well angulated hindquarters, coat first class. I could go on but all I will say is look out for him, he has got to be a group winner. **BP & RCC**; 2 Thompson-Morgan's **Belleville Seduction**, promising b/t, all male, correct head, eye & shoulders, super bone, well padded feet, well handled & presented; 3 Jenkins' **Kinsridge Cash Back**.

JD (1) 1 Thompson-Morgan's **Belleville Roll Call**, 8 months red, in excellent order, firm neck, super head & expression. Movement especially in hindquarters needs to firm up but still only a baby. Super show boy.

PGD (2) 1 Lloyd's **Orison Thunderstorm**, b/t, nice head, dark eye, large teeth, firm short neck, well angulated in hindquarters, well muscled, moved out well especially from short firm hocks; 2 Hilditch's **Watercroft Royal Mail**, lovely red, sweet temperament, nice head, well placed ears, enough bone for size. A little short in upper arm so restricted front movement.

LD (4-2) 1 Phillips' **Blakens Xpress Yourself**, sound dog, nothing overdone in any way, nice head, eye & ear placement, perfect teeth, firm neck, firm in topline, well sprung ribs, well angulated hindquarters, muscled & well padded feet, coat & handling was excellent. **CC**, his second, & **BOB**; 2 Ackling's **Ruby Rueben**, nice headed Norfolk, correct expression, short firm body. Shoulders & front not so positive. Moved OK, good feet.

OD (3) Difficult class. 1 Newton's **Strathinver Smart Enough**, & he is but I am sorry to say his handler spoilt his chances. Sound dog, full of type, lovely typical head, firm topline, super bone & feet, tail well set on & held correctly. Pity; 2 Atkinson's **Moortop No Choice**, excellent red, far too overweight & this pushed out his front & didn't help movement at all. Coat rich deep red, handled well. Less weight please; 3 Phillips, Craddock & Collins'

Fontanesi Golden Chalice with Jaeva.

PB (7-1) Excellent class of promising babies who I shall I am sure see change places when adult. 1 Thompson-Morgan's **Belleville Just Magic**, & she is. Once she settled (& was so sympathetically handled) one could see the magic. Red jacket, lovely make & shape, head, correct bite, well placed ears, firm neck, good shoulders, straight front & firm feet. Promising baby, **RCC**; 2 Phillips' **Blackens Sugar Candy Kisses**, correct neck & shoulder placement, sweet head & expression, well placed ears, held topline & tailset on the move. Promising; 3 Devereux's **Vichea Geisha Girl**.

JB (3-2) 1 Gee's **Watercroft Top Of The Pops**, quality red, full of type, good length of muzzle, correct mouth, correct eye & ears, good length of neck, well laid shoulders, firm in topline. Felt handler could have been more sympathetic in her handling, bounced this young girl who was playing up on the move. Otherwise promising Norfolk.

PGB (5-3) 1 Lloyd's **Orison Thundercloud**, anyone who cannot understand what a correct front & shoulder should be then please put your hands over this girl. My hands just flowed from the back of her ears onto her topline. Correct length of upper arm, she cannot move bad. Lovely head, dark eye, large bite. I almost considered her for the **RCC** but her b/t coat wasn't presented well & her handler was over-fussy & she needs to relax. I shall watch this girl's show career as I feel sure she could go far; 2 Craddock & Collin's **Fontanesi Golden Twist**.

LB (5-1) 1 Gee's **Watercroft Wedding Belle**, lovely bitch of quality, red coat, well presented, pleasing head, ears well placed, correct length of neck, firm short back, good for bone, good feet, moving out well, nice handling. Promising girl; 2 Newton's **Strathinver Reddy to Star**, a lot to like about this red & maybe on another day the placement could be higher. Nice head, perfect bite, well placed & used ears. Would like more balance in upper arm so this did affect her front movement. Well angulated in hindquarters & moved quite well; 3 Saltmarsh's **Pipridges Hazel**.

OB (5-1) 1 Stevenson's **Brickin Hop And Skip**, honest bitch, broad skull, correct length of muzzle, firm in neck, short firm body, tail set n & held correct. She could have put more into showing but did enough for me, **CC**; 2 Thompson-Morgan's **Belleville Silk Slippers**, correct size, well balanced, red coat, well presented, lovely head, very alert expression, correct bite, moved well from well angulated hindquarters, well muscled. Promising; 3 Sweigart & Beale's **Yarrow Venerie Tip The Scale**

MPD (2) 1 Thompson-Morgan's **Belleville Seduction**, B/T of good shape & size, liked his head and eye. Correct ear placement. Good straight front, liked his ribs and firm loin, tail on top. Moved out well, just needs time. Coat OK; 2 Craddock & Collins' **Fontanesi Diamond Geezer**, 6 mnth very raw baby but with lots to like. Very pleasing head & eye – good mouth and jaw. Very good bone for size. OK for body and tail set. Strong quarters, when older will be impressive. Good coat.
PD (3) 1 Jenkins' **Kinsridge Cash Back**, lovely quality dog of excellent type. Very pleasing head & proportions, good strength of muzzle. Pleasing expressions. OK in neck & shoulders, good bone, well bodied with short coupling. Well angulated quarters with short hocks which he used in move. Put down in good form, very smart. **RCC**; 2 Hitchen's **Kreatin Tellin Tales**, smart b/t boy very well balanced. Pleasing head and expression. Good body for age. Front pleasing would like more strength behind & more drive from behind. In good coat; 3 Cooper & Simpson's **Settrenda Secret Squirrel**.

YD (0).
PGD (4-1) 1 Jenkins' **Kinsridge Quids In**, 11 month old pup. One I liked very much for shape & type. Good size with nice bone. Very good coat. Not as finished as his brother but will challenge him in time; 2 Simpson's **Umbrage Longton Cum Megalex**, best I've seen this boy, just coming into himself. Very nice head with good expression. Very good in front and nice spring of rib, would like shorter coupling. Uses his quarters on move. In good coat; 3 Haynes, **Cracknor Cut A Capar**.
LD (2) 1 Stevenson's **Brickin Fine And Dandy**, 1½yr old male with classic head, lovely eye & expression. Good muzzle and bite. Good strong body with strong topline. Tail on top with OK quarters. Would like more drive on move today and needs more coat. Up to size; 2 Haynes' **Cracknor Cut A Capar**, overall a pleasing dog to go over, has all the requirements. But a little too much of him for me. Moved out and back very good. Coat not at his best.
OD (4) Good class of males. 1 Ackling's **Ruby Rueben**, they say good things come in little packages, well it's not true. Not the biggest of lads, but of current size & can be dwarfed by a lot of over sized males! Very good type and very pleasing head with good strength of muzzle. Good expression, neat ears, very good neck & shoulders. Sometimes overlooked by some judges! Good body & short firm loin. Tail on top. Very good quarters and strong hocks which he uses on the move. OD (3) 1 Phillips, Craddock & Collin's **Fontanesi Golden Chalice with Jaeva**, what a terrific specimen, classic head & expression, moved with drive & purpose, everything just spot on, showed his little socks off, presented as usual from this kennel in great coat & condition.

CC & BOB, shortlisted in the group; 2 Green's **Wharfvalley Diamond Star**, lovely red dog, in beautiful coat & condition, good mouth & dark eye, nice bend of stifle, moved out OK. Did not seem too happy on the move, perhaps it was the heat; 3 Newton's **Strathinver Smart Enough**.

PB (7-1) 1 & 2 very close, both lovely specimens of the breed. 1 Thompson-Morgan's **Belleville Just Magic**, lovely eye & expression, good mouth, beautiful in outline & on the move, in good coat; 2 Phillips' **Blakens Sugar Candy Kisses**, preferred neck on 1 but same comments apply, presented as always by this kennel in beautiful coat & conditions; 3 Stevenson's **Brickin Wild Ivy**.

JB (1) 1 Howard's **Hatchwoods Last Tango**, happy little girl, tail never stopped wagging, moved OK, showing nice outline.

PGB (3) 1 Thompson-Morgan's **Belleville Role Model**, still a very immature puppy but with good potential, showed well in spite of heat & noise in the hall, lovely mouth, dark eye, nice overall picture; 2 Brister's **Ridegrove Tiger Lily**, red bitch, enjoying her day out. Carrying a little too much weight but moving OK, nice tailset; 3 Glynn's **Brenin Vital Spirit at Kenberlynn**.

LB (1) 1 Stevenson's **Brickin Play Away**, & she was rather! Giving her handler a little trouble. Lovely mouth & dark eye, good bone, she did move out well when settled.

OB (4-1) 1 Gee's **Watercroft Wedding Belle**, beautiful red bitch who moved out with style never putting a foot wrong, lovely head with correct bite & dark eye, good length of neck info good layback of shoulders, she is a credit to her owner,

CC, her third, a first Norfolk ch for this kennel; 2 Thompson-Morgan's **Belleville Silk Slippers**, slightly smaller than 1, preferred neck of 1. Correct bite, good bone, moved well front & back; 3 Devereux's **Vichea Easter Lily**.

It was a pleasure to judge my first CC appointment of your delightful breed.

VD (0)

PD (4-3) 1 Ellis' **Brymarden Snow Patrol**, immature red of 10 months, needs time to finish. OK in skull, fair forehead & ribbing. Well off for bone, pleasing coat. A touch long in coupling, could have better head proportions.

JD (1) 1 Phillips, Gullick & Tate's **Jaeva Cufflink**, typical & quality red with an excellent head & eye. Good bone & outline, short backed, level topline, tail on top. In cracking good order & showed non-stop. Promising prospect. Just needs to mature & finish in body. Close up in the challenge.

PGD (2) 1 Sant's **Nordalset Look To The Future**, masculine red of good proportions & substance. Well off for bone. Pleasing skull & ear, good in body & shown in good coat. Moved out well going, a touch wide at elbows coming to. Would like a darker eye; 2 Haynes' **Cracknor Cut A Caper**, red with pleasing head proportions, eye could be darker. Reluctant on the move & coat blown today. Rather long coupled.

LD (3-1) 1 Newton's **Penmire Makori at Strathinver**, typy red with a good skull & overall pleasing head & expression. Well off for bone, ribbed up & of good body & substance. Shown in good coat & order. Moved out well going away. Could have better tail, & be shorter in back; 2 Stones' **Cerasus The Jazz Singer**, b&t, good in body & ribbing. Failed in head proportions to 1, & out of coat today.

OD (4) 1 Phillips, Craddock and Collin's **Fontanesi Golden Chalice with Jaeva**, typical & quality red of good size & substance. Classic head & expression. Lovely outline, good layback, short back, level topline, well ribbed up. In excellent coat & order, showed well. Moved out well on the go around & going, could tighten up coming too, **CC & BOB**; 2 Newton's **Strathinver Smart Enough**, pleasing & typical red of larger type than 1, but in proportion. Lovely head & eye. Ex forehead & quarters. Level topline, good ribbing. Not quite at one with his handler today, & not the finish in coat & presentation of 1. When he moves, is sound, **RCC**; 3 Green's **Wharfvalley Diamond Star**.

VB (0)

PB (4-2) 1 Macartney's **Nordalset Little Bit Of Sun**, immature b/t with fair head & good quarters. Scores in head, body & coat over 2. Does not want to grow on; 2 Green's **Wharfvalley Wild Child**, red, rather immature & needs time to come together. Good in quarters. Out of coat today. Has time to finish, very much the baby here.

JB (5-1) 1 Howard's **Hatchwoods Last Tango**, red of excellent breed type. Lovely head & eye, good in body, substance and bone. Level topline, ribbed up, excellent forehead. In quality jacket, & is sound. Mouth fault. Won

through here on her many good breed points; 2 Smith's **Javidel Definitely Maybe**, b/t. Not the head properties of 1. Pleasing in body & quarters. In good coat. Moved well; 3 Gee's **Watercroft Top Of The Pops**.

PGB (5-3) 1 Thompson-Morgan's **Belleville Just Magic**, red of excellent breed type. Typical feminine head. Good width skull, keen alert expressive eye. Correct layback, level topline, short back, plenty of bone & substance, ribbed up, good quarters. Plenty of style & presence. Moved out soundly all ways. Close up in the challenge. A quality prospect. Good size.

BP & RCC, PG1; 2 Wellstead's **Brickin True Gem**, b/t, sound & typical bitch of good substance. Good in body, & shown in good coat & order. Not the head properties of 1.

LB (1) 1 Howard's **Hatchwood Flamenco**, overall typical red with a pleasing feminine head & excellent expression. Good in body & substance, pleasing tail & good quarters. Moved out well enough. Out of coat which cost her in the challenge.

OB (5-1) 1 Hurrion's **Ch Villassa Cherry Ripple**, light red bitch, all Norfolk, with a typical feminine head. Good width skull, keen eye, well placed ear. Pleasing forehead, good bone, short back, good substance & ribbing, strong quarters. Tail on top. Mature & finished picture. Moved soundly with drive, CC; 2 Thompson-Morgan's **Belleville Silk Slippers**, typical red with a super coat & presentation. Lots of style & showed non-stop. I really enjoyed judging the Norfolks again but I found so many who were long & low & also hard expressions just spoil. My winners are scored in balance & that true Norfolk expression.

VD (0)

PD (3) 1 Gee's **Watercroft Diamond Dealer**, very smart, very together both standing & moving, super head & eye, neat ears, strong muzzle, excellent mouth, good topline & tailset excellent coat texture; 2 Phillips, Gullick & Tate's **Jaeva Cufflink**, rich red, just coming into a really nice coat. OK for size, good reach of neck, level topline, good front, excellent bone. Not quite the head & expression of 1; 3 Ellis' **Brymarden Snow Patrol**.

JD (3-1) 1 These were two really nice dogs. 1 Phillips' **Blakens The Kandy Man Kan**, red of really nice type, loved his head & expression, true Norfolk head with typical expression, OK in neck & shoulder, straight front, excellent bone, super coat, **RCC**; 2 Thompson-Morgan's **Belleville Roll Call**, rich red, so close to 1. Little heavier in body than 1. Really nicely balanced, good bone, excellent tail carriage, sound coming & going. These two will change places many time I am sure.

PGD (1) 1 Haynes' **Cracknor Cut A Caper**, on his own & really showed well. Very masculine, dark eye, strong bone, well bodied. Not in his best coat & will look very different when in full coat.

LD (5-1) 1 Jenkins' **Kinsridge Cash Back**, red of nice type & overall balance, very sound, well bodied, good hindquarters, masculine in head & expression, neat small ear well placed; 2 Phillips' **Blakens Xpress Yourself**, I loved his head & expression, strong in muzzle, excellent mouth, good front standing. On the move he moves out really well but tends to lengthen himself & where 1 scored; 3 Ackling's **Ruby Rueben**.

OD (5) 1 Phillips, Craddock & Collin's **Fontanesi Golden Chalice with Jaeva**, very typy & for me best head & expression in the class. Very full of himself & so shows off to his best advantage. Straight front, good bone, excellent coat texture, moves so well in profile, **CC**; 2 Green's **Wharfvalley Diamond Star**, rich red, very masculine, liked his head. Expression a little strong. Good reach of neck & short backed, in full coat of good texture. Not the easiest dog to show as he appears to have a mind of his own; 3 Newton's **Strathinver Smart Enough**.

VB (1) 1 Hess & Higgins' **Kapatada Fire Opal at Umbrage**, 8 years & really can move, better than some of the younger ones. Super rich red coat of super texture, well bodied, good topline & well carried tail.

PB (6-4) 1 Broom's **Roxway Fable**, very pretty puppy, needs to grow on a bit but she is short backed with good reach of

neck. Excellent front, sound both ways. Head a little small but still well balanced; 2 Davies' **Perrisblu Playtime**, this bitch has more substance than 1 but not as short coupled. Sound both ways, excellent coat texture. Little unsure on the move at times. Good bone, just a little plainer in head than 1.

JB (7) 1 Phillips' **Blakens Sugar Candy Kisses**, what a lovely bitch. I felt she stood out for sheer quality. Nice size, neck & short backed, excellent body condition & coat, sound & free moving. Has to be a certain Ch in time. **CC & BOB**; 2 Gee's **Watercroft Top Of The Pops**, very similar in type to 1 & very close up, similar in so many ways. Not quite the strength in head of 1 but it was still balanced & with the right expression; 3 Thompson-Morgan's **Belleville Just Magic, BP**.

PGB (3-1) 1 New's **Raven Beauty**, b/t, really nice bitch & can look so much better when she cooperates more. Quite good to go over on the table & has very nice head. When she did go OK she was quite sound; 2 Hess & Higgins' **Umbrage The Jubilant**, red & not really in her best of coat. More cooperative than 1 but I would like her short coupled. Little plain in head & more furnishings would certainly help. Well handled.

LB (0)

OB (4-1) 1 Hurrian's **Villassa Cherry Ripple**, won this class on her superior strength of head. Strong muzzle, well bodied, good neck & shoulder, good front & bone, sound coming & going. Could put more effort into it & where Junior winner scored, **RCC**; 2 Thompson-Morgan's **Belleville Silk Slippers**, very outgoing & typical of this kennel. Super hard coat, well balanced & sound. Would just like a bit more of & also strength in head; 3 Devereux's **Vichea Easter Lily**.

RDCC: Fontanesi Golden Chalice with Jaeva
BCC: Watercroft Top Of The Pops
RBCC: Belleville Just Magic
BP: Watercroft Diamond Dealer
BV: Ch Hobsons Choice at Moortop

It was such an honour to judge this club championship show, but there was also the sadness of knowing that it should have been Elisabeth Matell and I was very aware of this as I drove to the show. In fact it was at the club show in 1996 that Elisabeth made up my first champion. So things had come full circle. Thank you to the committee who were so friendly and helpful on the day. Mouths and bites have improved greatly and I didn't have one Norfolk that couldn't shut its mouth properly, that was a prevalent fault in the past. This is without doubt due to breeders being ruthless with their breeding selection. Strangely, I think hind action has improved somewhat, but not so with fronts. There are some good tails in the breed now, well set and held fairly straight. Temperaments were excellent on the day.

MPD (4) 1 Phillips' **Jaeva Go For Broke**, well balanced puppy, happy and outgoing. Well put together, short back and good tail. Moved well though still a little loose in front, however plenty of time ahead for this to improve; 2 Phillips' **Blakens Sugar Candy Dips**, attractive puppy in good coat and moving out well. Today I felt he lacked the reach of neck of 1 and not so well placed in shoulder. However there is still growing time; 3 Gee's **Watercroft In A Pickle**, another well balanced puppy with good head and soundly made. Lost out today because he was reluctant on the move. I felt the handler needs to slacken the lead as he resented so much control.

PD (3) 1 Gee's **Watercroft Diamond Dealer**, I loved this puppy for his type. Well balanced and well made all through, good bone and substance, broad skull and neat ears. In great coat and condition. Moved very well. **BPIS**; 2 Thompson-Morgan's **Belleville Take Note**, still very raw but well proportioned and with a pleasing head and expression. He excelled in his front movement and was sound behind. Looked good in profile; 3 Craddock & Collins' **Fontanesi Diamond Geezer**, good for type and nice head, a little reluctant on the move and not moving so soundly behind.

JD (3) 1 Phillips' **Blakens The Kandy Man Kan**, most attractive junior. Broad head and strong muzzle, excellent mouth. Short back and well balanced. Good to watch on the move; 2 Phillips, Gullick, Tate's **Jaeva Cufflink**, another quality junior. Excellent neck and shoulder that showed in his true front movement. Liked his head and expression. Still developing and needing to deepen in chest; 3 List's **Nicnips Dirty Harry**, longer cast than the first 2 and not moving with the same extension. Very attentive to his handler.

ND (2) 1 Thompson-Morgan's **Belleville Seduction**, good reach of neck and well placed, clean shoulders. Good bone and substance on this black and tan. Moved well in front and gave good profile movement. Still has a way to go in maturity;

2 Ellis' **Brymarden Snow Patrol**, pleasing head and expression. Not the layback of shoulder of 1 and not putting in effort on the move, so no stretch and drive.

PGD (4) 1 Darnell's **Jacquidon Tough As A Nut**, what a beautiful head and expression, and excellent mouth. Moved very soundly. Just like me, he would look so much better a couple of sizes smaller. However you cannot deny his quality and balance; 2 Haynes' **Cracknor Cut A Caper**, strong head and plenty of substance. Would look better with a little more furnishings. Not so well balanced as 1, being longer cast; 3 Sant's **Nordalset Look To The Future**, good bone and substance. Well made head and good expression. Lost out on the move where he was very erratic.

LD (5-3) 1 Phillips, Craddock & Collins' **Fontanesi Golden Chalice with Jaeva**, very well constructed dog with good bone and substance and very well balanced and of good size. Really liked his head and expression. Wilful on the move but showing stretch and drive. **RCC**; 2 Ackling's **Ruby Reuben**, very good make and shape and little to fault on construction and movement. However he didn't have quite the bone, substance and consequently the masculinity of 1.

OD (7-2) An excellent class. 1 Phillips' **Blakens Xpress Yourself**, I loved his type, he was in beautiful condition and coat and did not put a foot wrong. Of all places, the club show is where you are really looking for breed type and he had it for me today. Great head and expression, well laid shoulder and short back. Well balanced throughout with excellent tail held erect. **CC, BIS**; 2 Phillips, Gullick, Wilding's **Ch Jaeva Made in Gold**, a dog I have much admired from the ringside. He is an upstanding dog, masculine with excellent bone and substance. He moves out very soundly and was one of the best movers of the day. Sadly today he was in very close coat, not just on his body but also on the sides of his head and other furnishings. Of course this doesn't take away his main qualities but it did take away from his breed type on the day; 3 Newton's **Strathinver Smart Enough**, another quality dog in this strong class. Masculine and in good coat. Very good head and expression and short in the back. Moved fluidly.

VD (1) 1 Howard's **Hatchwoods Flash Gordon**, 9 years old masculine dog with great head. Well bodied and in good coat. Moved well round the ring and was especially attentive to his handler.

SBD (1) 1 Ellis' **Brymarden Snow Patrol**

MPB (4-1) 1 Jenkins' **Brenin Picture Portrait for Kinsridge**, feminine puppy, good layback of shoulder and short in back. Moved very soundly and with confidence; 2 Phillips' **Jaeva Keeping Secrets**, finer than 1 in bone and still very im-

mature but also very feminine. Gained confidence in movement as the class progressed; 3 Wellstead's **Ragnolds Tawari**, different in type to the first 2. Well grown on leg and a bit rangy at present. Good head and well off for bone. Moved well.

PB (5-2) 1 Stevenson's **Brickin Wild Ivy**, a puppy with good type and good substance. Broad skull and dark eye. Well laid shoulders. Strong quarters that she used well on the move; 2 Gee's **Watercroft Hot Diamond**, also a quality puppy, still very immature and needs time. Also sound on the move; 3 Wellstead's **Ragnolds Orange Blossom**, like her litter sister in MP, she needs time. At the moment she is high on leg, made more apparent by her lack of coat.

JB (6-1) 1 Thompson-Morgan's **Belleville Just Magic**, very eye-catching. Well made all through, good head, bone and substance without losing femininity. Her sound construction showed in her free movement. **RCC**; 2 Phillips' **Blakens Sugar Candy Kisses**, a quality bitch of lovely type, excelled in head and great tail. She just lost her topline at times and was not quite as free on the move as 1; 3 Atkinson's **Moortop Again No Choice**, well made bitch but carrying a bit too much weight today. Out moved today by the first 2.

NB (3) 1 Hess & Higgins' **Umbrage the Jubilant**, strongly made bitch with good neck and well placed shoulders. Moved well. Excellent tail; 2 Devereux' **Dora the Explora**, still very immature and lacking substance. However she had a well shaped head and good expression. Lacks confidence in the ring; 3 Macartney's **Nordalset Little Bit of Sun**, well grown black and tan with pleasing head and expression. Moved OK. Not in her best bib and tucker at the present time.

UGB (2) 1 Smith's **Javidel Definitely Maybe**, good type, with strong head and short back. This black and tan was in excellent coat and condition. She presents a good outline standing and on the move; 2 Howard's **Hatchwoods Last Tango**, beautifully constructed bitch, carrying a bit too much weight today but lovely type. Good coat texture and wonderful tail.

PGB (7-5) 1 New's **Raven Beauty**, showed well for her handler and a fair shape. Good tail; 2 Darnell's **Watercroft Cherry on Top**, very nice head and dark eye. Unfortunately did not give the best of herself as she lacked confidence.

LB (2) This class was like a rock and a hard place. What one had the other hadn't and vice versa, making the placings almost impossible. 1 Howard's **Hatchwood Flamenco**, a bitch with great substance and bone and deep bodied. Carrying rather too much weight today, which made her look overdone. However a very good mover and one that concentrates on what she is doing and is tuned in with her handler; 2 Ruffles' **Ruffnor Offbeat**, well balanced bitch, very feminine with lovely head and expression. However she was lacking coat and needed weight which made her look high on the leg and lacking depth of body.

OB (3-1) 1 Gee's **Watercroft Top of the Pops**, really lovely bitch with excellent type and construction. Good reach of neck, broad skull and well balanced body. Looks mature and at her prime. Moved very well. **CC, RBIS**; 2 Devereux' **Vichea Easter Lily**, keen expression and typy, with short back and well constructed. Lacks some confidence which stops her flow on the move. Think this is coming down the lead from the handler.

VB (5-3) 1 Atkinson's **Ch Hobsons Choice at Moortop**, 10 years old and full of beans. She moved really well and presented a good profile. Still in good coat and colour. **BVIS**; 2 Philip's **Nordalset Winter Woolies**, pleasing head and short in back. Did not make life easy for her handler.

SBB (2-1) 1 Macartney's Nordalset Little Bit of Sun

While not a big entry I felt that there was a lot of quality throughout. I was very happy with the challenging line-ups.

PD (4-2) 1 Phillips' **Blakens Sugar Candy Dips**, 6 months, beautiful balance & structure, consequently went very well holding a firm topline on the move. Good skull. Can strengthen a little in foreface, Great temperament; 2 Thompson-Morgan's **Belleville Stocking Up**, 6 months, very typy but not as firm or as forward as 1 in body & topline. Preferred his head to 1 & he is well constructed but not the collection on the move or the topline.

JD (2) 1 Phillips' **Blakens The Kandy Man Kan**, 14 months, very smart, excellently coated dog, very good outline held on the move. Well angulated at both ends which gives him excellent movement. Very good head proportions. Just needs a little more finish to chest but he is young & has great promise & quality; 2 Ellis' **Brymarden Snow Patrol**, 11 months, slightly bigger dog with very good head & eye. A little heavy in body & this shows in his topline which needs to firm up. Excellent quarters & rear action. A little wide in front.

PGD (1) 1 Thompson-Morgan's **Belleville Seduction**, 11 months b/t, excellent size, proportions & movement. Very good head, strong foreface, in excellent coat, carried himself well, **BP**.

LD (3-1) Two very different types, both excellent in their own way & it was not an easy decision. 1 Jenkins' **Kinsridge Cash Back**, sturdy, strong boned dog, good proportions & moved well. Strong skull. Eye a little round. Could be a little firmer in condition but when he got his act together looked lovely for type & carriage; 2 Ackling's **Ruby Rueben**, very typy dog out of a smaller lighter mould than 1. In good coat & has excellent balance & topline.

OD (6-1) Good class. 1 Phillips' **Blakens Xpress Yourself**, smart dog, lovely carriage & very good head & proportions, very good rear, scored in good quarters. Not yet fully mature in chest but I liked him a lot. In excellent coat, **CC & BOB**; 2 Newton's **Strathinver Smart Enough**, lovely body shape & movement, very good head. Just tends to fly his ears but loved his body shape & movement. Good coat, excellent topline, **RCC**.

VD (1) Owens' **Hoathnor Jackanory**, 10 years, in good form & holding firm topline. A little long for balance & head is a touch narrow but still fit & sound, in good coat.

GCD (1) Owens' **Hoathnor Jackanory**.

PB (4) 1 Jenkins' **Strathinver Roses Are Red at Kinsridge**, 9 months, best body & balance in the class, good topline & quarters scored in strength of muzzle & coupling; 2 Green's **Wharfvalley Wild Child**, 10 months, good rib & coat. Not quite as short as 1, Moved well from good quarters. Just needs to strengthen a little in foreface now but has time for that; 3 Davies' **Perrisblu Playtime**.

JB (6-2) 1 Thompson-Morgan's **Belleville Just Magic**, 13 months, lovely size & type, very good movement. In need of a new coat but scored decisively in head here; 2 Phillips' **Blakens Sugar Candy Kisses**, looked my winner on the first circuit. In wonderful coat, lovely bodied bitch, very good mover. Needed more width in skull & strength of foreface; 3 Stevenson's **Brickin Wild Ivy**, **BPB**.

PGB (3-2) 1 New's **Raven Beauty**, b/t, lovely head, strong skull & muzzle, sound moving, in good coat.

LB (3-2) 1 Smith's **Javidel Definitely Maybe**, b/t, excellent body & balance, good width to skull, sound & in good coat. Tail a little tight but hard topline & firm true movement took her to **CC**.

OB (3-2) 1 Hurriion's **Ch Villassa Cherry Ripple**, in good coat & full of type, excellent head, strength in skull & muzzle, very good topline, good quarters & rear action. A little wide in front & I think a touch less weight would help her. However her type & quality took her to **RCC**.

PD (3-1) 1 Atkinson's **Blakens Sugar Candy Dips TAF**, 7 month red, very short back and well made body for his age. Head still developing but correct in balance, neat ears in lovely coat. Looked very smart on the move and showed well; 2 Gee's **Watercroft In A Pickle**, excellent head and expression, dark eyes, neat, well placed ears and good mouth. Like his reach of neck into correct shoulders and well boned and straight front. Both puppies are very promising. 1st shorter in back at present. **JD** (3-1) 1 Phillips' **Blakens The Kandy Man Kan**, well balanced with typy head and dark eye, good reach of neck, bone and feet. Mature body and condition. Well presented and moved and showed smartly; 2 Gee's **Watercroft Diamond Dealer**, still a puppy so lost out on maturity to 1 but also full of quality and type in lovely coat and condition, moved well both ways holding his topline. **BP**

PGD (0)

LD (1) 1 Jenkins' **Kinsridge Cash Back**, quality dog, masculine head with good width of skull, muzzle and mouth. Would just prefer a darker eye. Excellent bone and body. Liked his reach of neck and topline. Moved well both ends when settled. **RCC**.

OD (7) A strong class. 1 Phillips' **Blakens Xpress Yourself**, impressed on the table with his head type, super neck, short level topline. Outstanding presentation and well handled. **CC** and **BOB**. Wish he could have been see in the group; 2 Phillips, Craddock and Collin's **Fontanesi Golden Chalice with Jaeva**, appreciated his lovely type, head and expression. Excellent front assembly, size and balance. Not in his best coat today; 3 Smith's **Javidel May Just Have Too**.

PB (2) 1 Stevenson's **Brickin Surprise Surprise**, very feminine 7 month puppy. Liked her type, balanced and shape. Lovely temperament and shown with animation and confidence. Moved well. Needs to grow on and change her puppy coat; 2 Green's **Wharfvalley Wild Child**, more mature puppy but plainer in head due to lack of furnishing at present. Good reach of neck and well balanced outline. Moved with drive and shown well good textured and coat coming in.

JB (2) 1 Phillips' **Blakens Sugar Kandy Kisses**, lovely feminine, typy head with good stop and dark correct shaped eyes. Blanced outline held on the move. Good bone and feet. Moved well, beautifully presented and excellent coat and condition, **RCC**; 2 Stevenson's **Brickin Wild Ivy**, still a puppy so not the finished article yet and still needs head furnishings and more coat. A well made and balanced puppy who moved and showed well.

PGB (1) 1 Atkinson's **Moortop Another No Choice**, attractive head with good stop, eyes and expression. Well made body, good bone and feet. In good coat, moved with drive.

LB (1) 1 Smith's **Javidel Definitely Maybe**, b&t, very nice and well balanced bitch who moved with enthusiasm and drive. Today her head trimming and coat texture spoiled her chances

of going further.

OB (1) 1 Gee's **Watercroft Top Of The Pops**, entered the ring as if she owned it and did not disappoint on the table. Liked her head with correct mouth, dark eye and alert, keen expression. Moved well both ways, presented in beautiful coat and condition. Stood out today, **CC**.

There was a very good entry of 57 dogs for the club's 15-class held at the Village Hall, Weedon. The last time I was at this venue was to say a final goodbye to Elisabeth Matell – it is so hard to believe that a whole year has passed since her untimely death. In many ways I still find it unbelievable that she is no more & I cannot look at a Norfolk without thinking of Elisabeth. All the way through my judging today I kept thinking of little comments she may be making at ringside. I hope she approved of the results! The breed misses her, I am sure, I know I do every day.

Back to the present. I was delighted to find a great improvement in quality, especially in the dogs. The day started with a marvellous MPD class where the three placings could have been switched in any order as they were three lovely puppies.

Mouths do need watching as I had several with crowded mouths, small teeth & level bites. There were also a few with big ears – not medium. Hind movement was better than I remember from before but a number lacked reach in front action. Coats & presentation were excellent on the whole – this breed is lucky to have some really first class handlers & presenters in their midst. There were a few shown in soft condition & on the plump side & also some that should have had their coats tidied up & nails cut to compete at a ch show.

It was a very good show with a warm & friendly atmosphere. Tinged with sadness, of course, but I was able to enjoy my day with the Norfolks very much. Well organized with a tasty lunch & Edward Allen kept me in order stewarding most efficiently.

MPD (4-1) Super class full of promise & potential. 1 Gee's **Watercroft In A Pickle**, 8½ months, lovely head & expression, excellent bone & body, harsh jacket, strong quarters, needs to firm up in front movement but that is being picky. Positive showman who moved well behind. Well proportioned. By BIS winner. **BP**; 2 Atkinson's **Blakens Sugar Candy Dips**, 7½ months, lovely coat, plenty of body. Good bone & feet, compact & shapely, low set hocks, well carried tail, already a good little mover, showed steadily. Not the head or expression of 1; 3 Phillips' **Jaeva Go For Broke**.

PD (2) 1 Gee's **Watercroft Diamond Dealer**, 11½ months red, pleasing head, expressive eyes, excellent ribcage, compact body, well coated & presented, showed well but could have a little more reach in front movement; 2 Thompson-Morgan's **Belleville Take Note**, 11 months but quite immature looking compared to 1 & coat not at its best. Keen expression, ears on the large side, panting all the time. Short back, moved OK, showed well using his neck when something took his interest. **JD (4-1)** 1 Phillips, Gullick & Tate's **Jaeva Cufflink**, stunning

youngster of nearly 14 months, lovely neck & shoulders, best of toplines, good tailset, well muscled quarters, compact body. With his good head, excellent coat & keen attitude he is a real eye catcher & his handler got him to perform really well standing & moving. **RCC**; 2 Phillips' **Blakens The Kandy Man Kan**, 15 months, attractive head, used his neck well, compact body, excellent type & quality, well fitting harsh jacket. Tail flat on his back when moving but since the docking ban that is something you have to accept even if it doesn't help the outline or look particularly attractive; 3 List's **Nicnips Dirty Harry**.

ND (1) 1 **Nicnips Dirty Harry**, 14 months, pleasing head, dark eyes, looking a bit stuffy, not putting all in on the move & needs to show with more animation. Good body & ribcage. Coat not looking its best.

PGD (2) 1 Thompson-Morgan's **Belleville Seduction**, 12 months b/t, easy winner, short back, well proportioned, good coat & body, really used his quarters on the move, displaying good powers of propulsion, switched on showman, good head, well presented & handled, excellent propulsion; 2 Cooper & Simpson's **Settrenda Secret Squirrel**, 14½ months red, masculine head, broad skull, dark eyes, good bone, coat texture OK but not is best today. A bit long cast & failed in movement.

LD (5-1) 1 Jenkins' **Kinsridge Quids In**, 15 months, bit of a fruitcake & took a bit of controlling today as he obviously thought this was very exciting. Most attractive head, strong muzzle, good expression, well fitting jacket, excellent body & topline, well balanced, showed well in spasms, moved OK; 2 Darnell's **Jacquidon Tough As A Nut**, 2 years, good neck & shoulders, level topline but doesn't want to carry any more weight, moved & showed quite well. Pleasing head & eyes; 3 Ackling's **Ruby Rueben**.

OD (6-1) Quite a class. 1 Newton's **Strathinver Smart Enough**, 2½ years, proper dog in excellent form, masculine without coarseness, handsome head, broad skull, strong muzzle, dark expressive eyes, neat ears, very well constructed with good bone, body & proportions, well sprung ribs, strong quarters. Sound mover with plenty of reach & drive, really good front, held his topline & used his neck when moving. The star of the show for me, **CC & BIS**; 2 Phillips' **Ch Blakens Xpress Yourself**, 2 years, very nice for type & size, clean neckline, well coated & bodied. I liked his head & overall shape. His mind seemed to be somewhere else & he was slightly hesitant on the move. Looked a picture standing, very well handled; 3 Phillips, Craddock & Collins' **Ch Fontanesi Golden Chalice with Jaeva**.

VD (3-2) 1 Ruffles' **Ch Ruffnor Secret Tipple**, 11 years, good old boy that I had the pleasure of giving a third CC to many moons ago. Still enjoying himself & made a good account of himself here, has kept a trim figure & trotted his stuff with confidence. Good coat, well presented & cared for.

MPB (3) 1 Phillips' **Jaeva Play The Ace**, 8 months, feminine head, dark eyes, sturdy body, well sprung ribs, good coat texture. Gave herself a nice outline when she remembered to concentrate. Looked much more mature than 2; 2 Jenkins' **Brenin Picture Portrait for Kinsridge**, a month younger than 1, short back, well proportioned, ultra feminine in head & outlook, firm body, used her neck better than 3. Would like a shade more substance; 3 Stevenson's **Brickin Surprise Surprise**.

PB (3-2) 1 Jenkins' **Strathinver Roses Are Red at Kinsridge**, 11 months, mad as a hatter. Good shape when you could catch a glimpse. Quality head, dark eyes, good body, coat & quarters, extremely happy showgirl who did eventually settle down to move quite nicely.

JB (4) 1 Philips' **Blakens Sugar Candy Kisses**, 15 months red with lovely silhouette, very like her litter brother who was 2nd in JD, a perfect brace. Well balanced, pretty head, dark expressive eyes, excellent reach of neck, short back, great coat texture, positive showgirl, took a bit of time to settle down on the move but went well once she decided to cooperate with her handler. Plenty of style. I was pleased to hear this was her crowning **CC**; 2 Thompson-Morgan's **Belleville Just Magic**, 14 months, very attractive youngster, feminine head, excellent body & quarters, sound mover, showed with enthusiasm, good coat & condition, well handled; 3 Atkinson's **Moortop Again No Choice**.

NB (2-1) 1 Hess & Higgins' **Umbrage The Jubilant**, 17 months, hard coated red in good form, typical head, keen intelligent expression, even if it was food related! Good bone, moved with animation. Rather long cast.

PGB (6-1) 1 Darnell's **Watercroft Cherry On Top**, comfortable winner I thought. Feminine red with all the essentials, well fitting harsh coat, low set hocks, well proportioned, moved & showed OK; 2 Howard's **Hatchwoods Last Tango**, 17 months, attractive head, well sprung ribs, sturdy body, steady showgirl, moved OK. Coat presentation left a bit to be desired; 3 Horne's **Pie In The Sky**.

LB (6-1) 1 Smith's **Javidel Definitely Maybe**, feminine b/t of 18 months, showed no stop, neat head, good overall proportions, short back, low set hocks, well presented & handled; 2 New's **Raven Beauty**, 3 years b/t, bit reluctant on the move but her handler coaxed her along & she did improve. Pleasing head & expression, good outline, excellent coat texture, firm body & quarters, sympathetically handled; 3 Ruffles' **Ruffnor Offbeat**.

OB (4-2) 1 Hurrion's **Ch Villassa Cherry Ripple**, 2 years, quality head, clean silhouette, good coat texture, excellent body & quarters, well boned, energetic mover with good reach in front which so many lacked. Showed well enough but could have been handled to better advantage. **RCC**; 2 Gee's **Watercroft Top Of The Pops**, 19 months, feminine young bitch, pleasing head, sweet expression, short back, well muscled quarters, good coat & body. Well handled. Could not match front movement of 1.

VB (3) 1 Atkinson's **Ch Hobson's Choice at Moortop**, 11 years, game & animated, did not miss a trick, keen expression, good tailset, well proportioned, harsh jacket, well sprung ribs, moved well. Delightful personality & in really good form; 2 Ruffles' **Ruffnor Secret Wish**, 8½ years, shapely red, daughter of the VD winner. Still good teeth, very good coat & body, moved well, very focused showgirl; 3 Hess & Higgins' **Kapitada Fireopal at Umbrage**.

I appreciate the excellent entry but I was a bit disappointed at how long it takes for some exhibitors to get in the ring! For both challenges we had to wait several minutes before the unbeaten finally appeared!

I found the breed to be very mixed indeed & it was not easy to establish a 'type' though I have to add that I was pleased with both line ups. I found one or two non scissor bites, some small teeth but worryingly a number with quite fine muzzles. On a cheerier note, I was thrilled to watch the BOB winner give a sterling performance in the big ring & go on to G4 in a very, very strong group. It augurs well for the future of this youngster of 14 months who was winning his first CC.

MPD (6-1) 1 Atkinson's **Blakens Sugar Kandy Dips**, what a start to the day with this absolute charmer. All of a piece, lovely size, so compact, big ribbed, beautiful head, eyes & that game for anything expression. He is so well ribbed, excellent backline & holds himself so arrogantly on the move. Great presentation & I am sure he will go on to be a force in the breed next year; 2 Thompson-Morgan's **Belleville Stocking Up**, just 8 months this little livewire is a real handful as he is so full of his own importance. I see he is a half brother to the BOB. Full of Norfolk charm, excels in neck, backline, strong bone & such a good bend of stifle. His head is a delight & once he learns a little discipline on the move, his future will be assured; 3 Riley's **Millstrand Cut The Mustard**.

PD (2) 1 Riley's **Millstrand Cut The Mustard**, this well bodied & ribbed b/t is unlucky in that he is short of neck which detracts from his overall appeal in stance. Head handles well, really good ring, bags of substance & he holds his backline so firmly as he motors around the ring. His head is well balanced, good muzzle & such dark eyes. Well presented; 2 Stevenson's **Brickin Countrywide**, smaller all through & not quite the weight of bone of the first & he needs to develop in body to gain width behind the withers. He does have a lovely neck & head carriage & he has really good hind angulation. Played his handler up on the move, especially when coming towards me.

JD (6-1) 1 Phillips, Gullick & Tate's **Jaeva Cufflink**, I hope he doesn't grow on as he is big enough already but he is impressive to handle. All male in outlook, strong head, beautiful eyes & ears, powerful neck, well laid shoulders & firm in body. So compact with good bone & he was in spotless coat condition. Moved out with reach & drive & never let up showing. I shall watch his career with interest; 2 Phillip's **Blakens The Kandy Man**, he almost snatched the red card as he is so me in head, gorgeous eyes & that expression is a delight. Such a compact chap, enough neck, good layback in shoulder, well bodied & a good backline with a nice bend of stifle. He was amply alive when in stance but just did not put all in on the move, lacking the oomph & purpose of Cufflink. Could finish really well; 3 Gee's **Watercroft Diamond Dealer**.

PGD (2-1) 1 Sant's **Nordalset Look To The Future**, pleasing headpiece, good eye shape & colour beautiful set of gnashers, enough neck which is powerful, lovely spring to his ribcage which has depth & he is well muscled in hindquarters. Not in full coat but what he had was groomed to perfection. Holds himself well on the move.

LD (3) 1 Jenkins' **Kinsridge Cash Back**, heaps to like, correct size & substance, certainly compact with a good body, level back, excellent coat & presentation & he has a delightful headpiece with especially good eyes & expression. He is sound in action but in the challenge he could not match the verve & drive of the CC winner. I believe he is sitting on 2 CCs & hopefully the third will come along, **RCC**; 2 Darnell's **Jacquidon Tough As A Nut**, a size larger & heavier all through & while his head is balanced & good to handle, I feel his eye is just on the full side so his expression is less appealing than Cash. Lovely ribbing, stunning coat & he moved out with a spring in his step; 3 Ackling's **Ruby Rueben**.

OD (6-1) 1 Thompson-Morgan's **Belleville Seduction**, just 14 months but this b/t just sold himself to me the longer he was in the ring. Attitude to burn, stunning head, eyes, ears & expression, lovely strength in muzzle & that compact, sturdy body shape with a level back & a good tail. Flawless in coat condition & once his enthusiasm was curbed, he displayed a wonderfully powerful action, really using his hocks to produce a seemingly effortless gliding action. I wish him well. **CC, BOB & G4**; 2 Green's **Wharfvalley Diamond Star**, another lovely example of the breed, this red dog has a quality headpiece, lovely foreface, beautiful eyes & that bright, anticipatory expression. He is well boned, has excellent feet & was in good coat. Sound as a pound but not the rear propulsion of Seduction as they circled the ring. Nonetheless a dog of much charm; 3 Phillips, Craddock & Collins' **Ch Fontanesi Golden Chalice with Jaeva**.

VD (2) 1 Riley's **Lastarean Check Mate at Millstrand**, scores in head properties with really good eyes giving a typical expression, back firm & level, in stunning condition & fairly lively in action; 2 Philip's **Hey Smart Lookin at Nordalset**, red dog, so sound moving, the tightest of feet & well boned. Topline sagging a trifle, well balanced head but his eyes are a tad full for me. In good bloom.

MPB (6-1) 1 Hurrions **Villassa Star Turn**, I found her most appealing in expression, utterly feminine in outlook yet so alive & ready for anything. Loved her size & well weight bone, she is nicely ribbed, sufficient neck, firm backline & she holds herself so well on the move. Her head I liked a lot, so balanced, slightly rounded in skull, ample stop & those eyes; 2 Thompson-Morgan's **Belleville Call Of The Wild**, I see is another half sister of the BOB & I know this one was attending her first show & she was full of herself! Understandably a bit

of a fidget but when she settled the shape is a delight. Compact, good neck, stunning head balance, neat ears & such dark eyes which dare you not to like her. Did everything you could want for a first show & once she settles to the job in hand on the move, she will do really well; 3 Stevenson's **Brickin Surprise Surprise**.

PB (5-2) 1 Phillips' **Jaeva Play The Ace**, breed type in spades! Style, shape, soundness, showmanship, stunning head & expression, spotless jacket, fleet footed & holds herself so well as she circles the ring. What more could you ask for? I believe she is aptly named & she certainly was a joy to judge. **CC & BP**; 2 List's **Nicnips Evensong**, nicely headed, eye could be a little less full for me, so well ribbed & bodied, shade long in loin, excellent coat condition & her smooth, balanced profile action earned her this placing; 3 Broom's **Roxway Fable**.

JB (8-3) 1 Phillips' **Blakens Sugar Candy Kisses**, I see this gorgeous youngster is the third member of the same litter which won under me today. She is so very compact, well ribbed, excellent bend of stifle, strong in hock, back as steady as a rock & she was in excellent coat. I loved her head & expression, stunning eyes & neat ears, To me she just screams breed type & hopefully she will go on to better things. The sheer attitude & drive of the BCC winner on the move settled the score; 2 Davies' **Perrisblu Playtime**, lots to like in this very smart bitch. Good head, dark eyes giving a lovely expression, ample neck, well ribbed, a shade longer in loin than the winner but her backline is level. She is well boned with very good feet & she can motor as she circles the ring;

3 Green's **Wharfvalley Wild Child**.

PGB (6) 1 Atkinson's **Moortop Again No Choice**, what a free striding, sound actioned bitch this is. I liked her head pattern, the expression enhanced by such lovely dark, oval eyes & the neatest of ears. She scores in foreface, lovely mouth & a good head carriage. Her ribs have depth, she is short in loin, so compact & shapley with really good hindquarters; 2 **Belleville Call of The Wild**; 3 Hess & Higgins' **Umbrage The Gloriana**.

LB (3) 1 Smith's **Javidel Definitely Maybe**, b/t who I thought was the best for type. Lovely size, so well proportioned in length/height, lovely bend of stifle, ample forechest & she is well boned. Her head is charming, such a good eye & expression & her muzzle is lovely. Moved out well; 2 Saltmarsh's **Pipridges Hazel**, unfortunately this red is between coats which did not help her cause. Very good head shape, lovely strength in muzzle, such a good mouth & well ribbed. A bit lethargic on the move; 3 Darnell's **Watercroft Cherry On Top**.

OB (4) 1 Hurrion's **Ch Villassa Cherry Ripple**, has a definite air of quality & am unsurprised to see she is already titled. I loved her expression, the head is so balanced, neat ears & lovely eyes. She is compact, well made with decent angles both ends, her backline is firm & she was in good bloom. Sound in profile action & she showed her head off; 2 Thompson-Morgan's **Belleville Just Magic**, this teenager is just a bagful of beans & personality plus. Not nearly so finished as the winner yet, but she has style, is compact, well weighted bone & is quite something else in action. Just needs to mature & then she will become a threat to many; 3 Gee's **Watercroft Top Of The Pops**.

VB (2-1) 1 Hess & Higgins' **Kapitada Fireopal at Umbrage**, 9 years young, in spotless coat, fit as the proverbial flea & showed many of the youngsters just how well the breed can move. Pleasing head, expression so alive, excellent musculature & never stopped trying.
