Bournemouth is the middle show of three weeks on the trot, and Norfolks were on Saturday 13th August, judged by Andrew Hunt - he used to handle for Joy Taylor's Nanfan kennel years ago. Not the easiest of venues to reach due to holiday traffic on the twisty roads, and it is hard work pulling a trolley uphill over long grass to reach the benching and ringside from the carpark. The old New Forest venue is much missed, but the Bournemouth committee decided to buy their own land for the showground, and ended up near Sturminster Marshall not far from Wimborne in Dorset.

11 dogs but 28 bitches entered, with absentees this went down to 9 dogs and 22 bitches. 31 is actually a good entry for Bournemouth, as in 2014 there were 21 dogs present and in 2015 only 11 turned up.

Following his success at Windsor, Norma Newton's **STRATHINVER SEA THE STARS** won his 2nd CC and later he and his handler today, Cathy Thompson-Morgan

went on to be 3rd in the Terrier Group under **Mr Peter Bakewell**. Born at the end of November 2014, he is by dual CC winner Strathinver Smart Enough out of Strathinver Reddy To Star, a daughter of **Ch Belleville Smart Alec**.

The Dog RCC went to the recently made up **CH BLAKENS**

I LOOK TO YOU, owned by Mary Atkinson who still has awkwardly placed plaster over both her hands and wrists which make dressing difficult. This dog is staying for the time being with his breeder who showed him here, Jackie Phillips bred him by **Ch Moortop No Choice** out of Vision Express at Blakens. Norfolk entries have suffered as Mary was a regular exhibitor and is much missed.

Dot Britten showed her own bitch to win her 2nd CC in the bitch classes where she had much more competition.

KRISMA NIP IN THE AIR is cleverly named by **Ch Kinsridge Cash Back** out of Krisma Nip In The Bud, a **Ch Kinsridge Top Gun** daughter out of Krisma Nipntuck.

The Bitch RCC and Best Puppy went to **BELLEVILLE OVATION**, she is a red almost a year old, who is sired by Allright Highland Moon, imported from Dr Frauke Hirsch (by **Ger Ch Allright Dancing With Wolves** out of Anderscroft Anadama); her dam is Belleville Constellation, by Kreatin He's No Angel out of **Ch Belleville Intuition**.
