BD & BOB: **Ch Watercroft Chilli Pepper**  
RBD: **Brickin Pot Of Pickle**  
BB: **Watercroft Saffron**  
RBB: **Javidel Darling Buds Of May**  
BP & G4: **Belleville Slipnot NAF**

**PD (3-2)** 1 Thompson-Morgan's **Belleville Slipknot** NAF, what a cracking puppy to start the day with! He excels for type and has the most delightful head and expression with nice breadth to skull, wedge-shaped muzzle of correct length, dark oval-shaped eyes, good ears for size and set and correct dentition. Compact in outline with moderate length of neck, short level back, good length of ribcage, rib developing well, short muscular loin and good tail set. He is so well made he just cannot stand wrong and he moves true and with purpose. Quality coat and presentation. **BP** and later placed 4<sup>th</sup> in the Puppy Group.

**JD (2)** 1 Stevenson's **Brickin Pot Of Pickle**, this 12 mth old was an easy winner in this class. Quality youngster of excellent type and balance. He presented a compact outline with strong neck of moderate length, firm level topline, well sprung ribs which are carried well back, short loin and excellent tail set. Attractive, well proportioned head with good width between his correctly set ears, dark expressive eyes, strong wedge-shaped muzzle and scissor bite. Well laid shoulders, standing nice and straight in front on good feet, muscular hindquarters with good turn of stifle. Moving true and using himself to advantage. Delightful temperament, **RBD**; 2 Philip's **Nordalset Made To Boogie**, 13 mth of different type to the winner, not nearly as mature and slightly longer cast. Pleasing head and expression with nice breadth to skull, well defined stop, strong wedge-shaped muzzle of correct length, excellent eye for shape and colour and correct dentition. Ears are well set but a little larger. Strong neck of medium length, rib developing well and tail set on well. Slightly out at elbow which affects his front action but he stands on good feet. Moving well when viewed in profile and from behind. Well handled.

**PGD (1)** 1 Thompson-Morgan's **Belleville Slipknot** NAF, **BP**, **PG4**.

**OD (1)** 1 Gee's **Ch Watercroft Chilli Pepper**, quality boy of 21 mths and one who has done well under me previously being my BPIS winner at the Club Show last year. Since then I see he has gone on to gain his title and deservedly so. He scores for type, is masculine all through, so well balanced and as sound as they come. Super headed boy with good width between the ears, correct skull to muzzle proportions, strong wedge-shaped muzzle, dark expressive eyes, medium-sized ears of correct set and perfect dentition. He is solid all through with strong neck of moderate length, super rib, level topline, short muscular loin and good tail for set and carriage. Well made both front and rear, standing well at all times and using himself to the max on the move. Excellent coat and presentation, **BD & BOB**.

**PB (8-3)** Lovely class with some very promising young ladies in attendance.

1 Smith's **Javidel Darling Buds Of May**, 6 mth black/tan and what a delight she is! Of excellent type and feminine throughout, she has the most exquisite head and expression; broad skull, correct proportions, well defined stop, dark expressive eyes, excellent ears for size and set and correct scissor bite. Compact in outline with moderate length of neck, short back, pleasing rib for one so young, muscular loin and tail set on well. Well laid shoulders, nice straight forelegs, excellent feet, well muscled hindquarters with good turn of stifle. Moving true on the down and back and moving out with purpose when viewed in profile. Good quality coat. Best Puppy Bitch & **RBB**; 2 Gee's **Watercroft Suzie'Q**, 7 mth of different type to the winner and not making her handler's life easy! Feminine girl and another good one to go over, presenting a super compact outline. Strong neck of moderate length, short level back, rib developing well, muscular loin and tail set on correctly. Quality head with the most delightful expression; good skull to muzzle proportions, well defined stop, strong wedge-shaped

muzzle, excellent eye and ears of correct size and set. Another who is soundly constructed with good layback of shoulder, straight forelegs and standing on good feet. Well muscled thighs and good turn of stifle. Moving out well in profile and nice and straight in front but just a fraction wider going away. Quality coat and presentation; 3 Stevenson's **Brickin All For The Best**; Res Watkins' **Brickin Summer Chorus**; VHC Philip's **Nosymitsio Redimp at Nordalset**.

**JB (5-3)** 1 Smith's **Javidel Darling Buds Of May, RBB**; 2 Macartney's **Ivrig First Bit Of Joy**, 13 mth who was unlucky to come up against the top quality puppy. This girl has plenty of qualities. Attractive headpiece with nice breadth between her well set ears, well defined stop, strong muzzle although a shade longer, expressive eyes of good colour and correct dentition. Strong neck of moderate length, firm level topline, well sprung rib and muscular loin, but not quite as compact in outline as the winner. Moving out well in profile. Good texture to coat.

**PGB (0)**

**OB (3-2)** 1 Gee's **Watercroft Saffron**, 21 mth bitch. Not quite in full coat but a quality girl nonetheless and so good to go over. She greatly appealed for type, is feminine throughout and so well made. Attractive head of correct proportions, strong wedge-shaped muzzle, dark expressive eyes, excellent ears and correct dentition. Muscular girl with strong neck of correct length, short level back, excellent rib, strong loin and first class tail for set and carriage. Well laid shoulders, standing nice and straight in front on good feet and nice turn of stifle. Moving soundly and with purpose all through, **BB**.

BCC & BOB: **Ch Kinsridge Top Tip**  
RBCC: **Ch Blakens Tootie Fruitie**  
BP: **Belleville Slipnot NAF**

A very pleasing entry of 58 dogs. I thought that the overall quality was pretty good with coats in the main OK. Hindquarters were generally better than fronts but I thought that heads were in the main good overall. I thought that a number of exhibits could have been rather more compact. I noticed quite a few dogs with tails stripped out rather too much which does not give a typical appearance.

**VD (2)** 1 Green's **Ch Wharfvalley Diamond Star**, a shorter made dog than 2, good in topline, good head with the correct breadth of skull. Good eye. Well sprung in rib. Good coat. Moved well behind. It was his general outline that took him to no 1 here; 2 Simpson's **Umbrage Longton Cum Megalex**, slightly better in front than 1. Good neck & OK in coat. Not quite the compactness of the winner. A pity she stalled at one point when moving.

**PD (2)** 1 Thompson-Morgan's **Belleville Slipknot NAF**, a much smaller dog than 2 very pleasing in head & expression, enough bone for his age good harsh coat for age too, & correct level topline. Could move with a shade more drive behind but accurate movement all round. Good compact shape. **BP**; 2 Hurrion's **Villassa Jack Daniels**, plenty of size for his age. Good in skull but ears need to settle. Good in hindquarters but needs to finish with a shorter look when fully mature. Good coat & correct spring of rib.

**JD (4)** 1 Horne's **Marchdens Mark My Words**, a very good dog of an excellent & typical shape & proportions, Good broad skull with good eye & correct well carried ears. Very good shoulder & front. Good round feet. Moved with slightly more drive behind than 2. Excellent coat & body & really good in topline, with well set on tail. Finished up winning the **RCC**; 2 Stevenson's **Brickin Pot Of Pickle**, another pleasing young dog with not quite as good a coat as 1 right now. He too was good in skull with correct ears, moved well in front & OK behind. Enough spring of rib & correct in loin;

3 Jellings & Bakewell's **Jaeva Look 'N' Look Again at Norwelston Lynjel**, very much a baby compared to the two above & just coming into coat but promising & good in skull but needs time to develop in muzzle. Good typical outline & correct body for age. Well set on tail & moved well behind; Res Philip's **Nordalset Made To Boogie**.

**PGD (3)** Two close up exhibits in the first two here. 1 Hamar's **Gordons Boy**, slightly smaller than 2 & I thought went slightly better in front than he did. Good skull to muzzle proportions & enough stop. Correct level topline & good round feet; 2 Darnell's **Jacquidon Tough as A Nut**, a strongly made dog with good body & correct rib. Correct skull & muzzle. Good bone & typical outline. Shown in good coat but not quite the front of 1; 3 Brown's **Dajejan Dotty's Digger**, OK in skull but not shown in great coat today & tail not so good. He could move more positively in front but had good temperament & seemed to enjoy himself.

**LD (2-1)** 1 Atkinson's **Charlie Blake at Moortop**, stood alone but a very pleasing dog shown with just the right amount of coat of good texture. Excellent tailset & carriage. Very good head & expression. Good ears not too big & OK in eye. Moved better behind but his enthusiasm at times didn't help his front movement. Enough neck & had much type.

**OD (5)** Thought the first two here to be very good typy examples of the breed.

1 Jenkins' **Ch Kinsridge Back Chat**, shown in really good harsh coat with plenty of it & in good condition. Typical in head & expression with enough stop. Pleasing in muzzle. Eye could be darker. Correct proportions. Enough neck without being overdone there. Good shoulder & correct round feet. Excellent bone & moved out well in front & behind. Correct body & rib. Went on to win the **CC**; 2 Newton's **Ch Strathinver Sea The Stars**, another pleasing dog whose coat was not quite at its best today but he moved out well also. OK in ears. Good

strength of muzzle. Good eye & OK in feet. Good in topline & enough bone; 3 Petrova & Zilotina's **Rus Ch Terravirtus Edinburgh Duke**, very pleasing in head & expression & good compact shape. Good eye shape & colour, good foreface. Excellent harsh coat & had enough bone. Plenty of angulation behind, but could be more positive in hind movement. Good in rib & OK on underline; Res Vassbotn's **Swe/Nor/Dan Ch Adorabel Time Bandit**; VHC Gee's **Ch Watercroft Chilli Pepper**.

**GCD (1)** 1 Brown's **Dajeon Dotty's Digger**.

**VB (2)** 1 Morozova's **Allright Lady Brown**, a bit lacking in coat today especially on her tail but OK in foreface & muzzle. Ears carried a bit high but good for overall shape with good short back. Enough neck & very good balance & correct for bone & feet. Showed well; 2 Hurrion's **Ch Valentines Cherry Crumble**, not in good coat either & needs more tail coat. OK in skull but not quite the shape of the winner & could have just a shade more neck. Better in ear carriage than 1 but not quite so good in feet. Moved well behind but rather longer cast than 1.

**PB (5-1)** 1 Gee's **Watercroft Suzie'q**, very good head & expression with the right skull to muzzle proportions, Good eye & enough neck without being overdone there. Good level topline & correct in shoulder. Moved better than 1 in front & better there than behind. Plenty of hind angulation & correct feet; 2 Smith's **Javidel Darling Buds of May**, needs time to finish in head but good in ears. Very good compact body with correct level topline & therefore a good typical outline. Good feet & correct coat for her age; 3 Hurrion's **Villassa County Belle**, a pleasing youngster but could be a shade more compact in body. When fully coated this should make her look more compactly proportioned. Excellent tailset & carriage. Good neck & moved out well; Res Stevenson's **Brickin All For The Best**.

**JB (6-2)** 1 Gullick & Tate's **Jaeva Keen As Mustard**, not a big bitch & quite young compared to the others here. Very good in neck, topline & tailset. Moved out pretty well in front & behind. Enough bone. Good hindquarters with enough bend of stifle & yet OK in hocks. Shown in better coat than 2. Enough body for age. Pleasing overall outline; 2 Macartney's **Ivrig First Bit Of Joy**, not moving quite so well in front as 1, but good in skull & OK in topline. Could be better in tail carriage but

well muscled behind. Correct spring of rib & good round feet; 3 Glynn's **Kenberlynn Angels Wings**, needs time to develop in head, & coat not at its best today. Plenty of body substance & well muscled in hindquarters. Good feet but needs to concentrate a bit more when moving up & down to show herself off to best advantage; Res Hamar's **Lagdenfarm Pumpkin Pie**.

**PGB (11-5)** 1 Thompson-Morgan's **Belleville Ovation**, a pleasing bitch with good proportions & pleasing topline & tailset which presented a very typical outline. Good head & shown in good coat. Moved & showed well both here & in the challenge; 2 Darnell's **Jacquidon No Hesitation**, good head & expression with correct proportions of skull to muzzle. Correct for spring of rib & OK feet; 3 Hurrion's **Villassa Too Choosi**, would like to see just a shade more compactness but OK in head & expression. Good rib & loin & moved OK behind; Res Stevenson's **Brickin Made For You**; VHC Green's **Wharfvalley Persuasion**.

**LB (10-4)** Quite a few different types in this class. 1. Thompson-Morgan's **Allright Black Bess (Imp)**, the best here for outline & shape. Not by any means big. Very pleasing in make & shape & so has typical balance. She moved well in front & behind. She was good in head, expression & eye but could be better in ear coat. Scored for overall shape & compactness; 2 Gee's **Watercroft Saffron**, rather bigger type. Very sound indeed with excellent movement in front & behind. She has a good rib & correct level topline; 3 Hurrion's **Villassa Cherry Tart**, not quite the coat of the other two today & not as compact as 1. Good in head with correct breadth of skull & typical ears well carried. Good eye & correct muzzle. Good bone & correct round feet. Could do better when in better coat; Res Atkinson's **Moortop Clear Choice**; VHC Devereux's **Vichea Little Gem**.

**OB (5-1)** A good class with two bitches of real quality at its head.

1 Jenkins' **Ch Kinsridge Top Tip**, a very typy bitch. Really good in neck & topline & OK for size. She is well balanced in proportions with good compact appearance & correct level topline, She scored in head & strength of muzzle & moved well in front & behind. Good coat at its best & well bent stifles without being overdone there. When not concentrating can at times stand untidily in front & doesn't always use her ears well but overall she has great type,

quality & movement & went on to take the **CC & BOB**; 2 Phillips' **Ch Blakens Tootie Fruitie**, another one with an excellent coat & really typical shape & outline. Very good in head & ears. Could maybe be said to have scored in eye over 1 but not in dentition. Good in front & strode out well. I had no hesitation in awarding her the **RCC**; 3 Gee's **Watercroft Pick Of The Pops**, another pleasing bitch with a good body, plenty of spring of rib. Not quite the expression of 1 & 2 but scored in movement over some others in this class in front & behind. Tail could be better carried; Res Morozova's **Terravirtus Flame Of Olympic**.

It was an honour to Judge a prestigious Club Show, I would like to thank the Officers and Committee for inviting me, also a bit thank you to all the exhibitors, my entry was fantastic full of quality, I'm sorry but some really good dog were not in the top honours today. I thought the bitches in general were of better quality than the dogs which is good for the breed, and in the dogs I found more level bites than in the bitches, I also noticed some weak pasterns which spoil the balance and outline, but in general they were good.

The best Junior Handler was **Isobel West**, very professional and kept her exhibit well under control, and knew about the breed.

**MPD (5)** 1 Thompson-Morgan's **Belleville Salut**, good head and expression, nice eye with a good balance, moved well both ways with a good tailset. **BOS Puppy**; 2 Stevenson's **Brickin Heart Throb**, good overall shape, well balanced with a good coat and tailset, moved well for age; 3 Meldram's **Shersal Gold Charm**, still a bit immature, but looks a good dog, lacks a bit of coat at the moment, but in general well put together, moved OK for age; Res Walshe's **Beritas The Name's Bond**; VHC Markland's **Outer Banks Buxton Boy**, **Best B&T dog**.

**PD (3)** 1 Hurrion's **Villassa Jack Daniels**, good headshape and expression, looks well stood, but needs to shorten up, good pasterns but moved a little closer front and rear; 2 Thompson-Morgan's **Belleville Slipknot**, good head shape, well balanced, good front and pasterns, well boned, moves well towards and hold good topline and tailset on the move; 3 Hess & Higgins' **Umbrage Copacabana**, good head and nice overall balance, but a little long-cast, would like a better front construction which causes it to roll on the move.

**JD (3)** 1 Stevenson's **Brickin Pot Of Pickle**, excellent dog, full of type and balance, well constructed with a good coat, moved well both ways. **BD and BOS**; 2 Jellings & Bakewells' **Jaeva Look 'N Look Again at Norwelston Lynjel**, good head showing expression, nice big teeth, good balance and construction, moves netter at rear; 3 Woolnough's **Northwool Rusty At Romance**, good coat but grooming could be better, good head but bite level, good topline and tailset, moved OK.

**YD (0)**

**ND (2)** 1 Hurrion's **Villassa Jack Daniels**; 2 Jellings and Bakewells' **Jaeva Look 'N Look Again at Norwelston Lynjel**.

**UGD (0)**

**PGD (1)** 1 Brown's **Dajejan Dotty's Digger**, strong head with a good expression, bite could be better, stands straight in front, lacks bone and feet turn out, movement poor.

**LD (3)** 1 Atkinson's **Charlie Blake at Moortop**, good head, ears, and eye, showing a good expression, well balanced and presented, excellent cot and finish, good tailset, moved well with good drive from rear. **RBD**; 2 Horne's **Marchdens Mark My Words**, similar in shape and balance to 1<sup>st</sup>, but bite not as good, good topline and tailset, moved well both ways; 3 Sant's **Nordalset Look To The Future**, strong in head, good eye and expression, well boned, good outline, well angulated, moved well but a little wide at front; Res Mounfield's **Arderry Son Of A Gun**; VHC Brown's **Dajejan Dotty's Digger**.

**MPB (8-1) 1 Stevenson's Bricking Sweet Heart**, excellent shape and balance, good front, correct proportioned head with a good expression, well angulated front and rear, good coat, moved well both ways, it will do well in future; **2 Gee's Watercroft Pop Corn**, good head and expression, good shape and balance, well angulated front and rear, with a good tailset, moved well; **3 Thompson-Morgan's Belleville Oh My Darling**, good type, nice shape and balance, well boned, moved well, just needs to mature; Res Hurrion's **Villassa All By Design**; VHC Atkinson's **Moortop Candy Choice**.

**PB (7-2) 1 Gullick & Tate's Jaeva Blue Lagoon**, when I looked around the ring at the start of this class, I thought wow, what a class, my first bitch in this strong class was a fantastic, b&t bitch, typical head with well placed ears and good eye, giving a good expression, well balanced throughout, excellent construction, moved well both ways with drive, holding a good tailset, a real quality bitch, with a good hard coat, lying close to body. **BB, BP, Best B&T Bitch** and **BIS**; **2 Gee's Watercroft Suzie'Q**, another quality bitch, unlucky to meet 1<sup>st</sup>, excellent head and expression, full of type, well constructed and balanced, moved well both ways, these two could swap places anytime. **RBB & RBIS**; **3 Phillips' Blakens Kiss It Better**, another quality bitch, what a class, good head and expression, well balanced, with enough rear angulation, moved well both ways; Res Hurrion's **Villassa All By Design**; VHC McGrath-Cole's **Hoathnor Magic Footsteps**.

**YB (5-1) 1 Atkinson's Moortop Clear Choice**, good head and expression, well balanced, enough

bone, good straight front and well angulated rear, moved well holding a good topline and tailset, good coat and finish; **2 Hurrion's Villassa Country Belle**, good type, nice head, enough neck, well bodied not quite as compact as 1<sup>st</sup>, with good angulated backend, moved well towards holding a good topline; **3 Mounfield's Arderry Whoops A Daisy**, looks well stood, good head and body, front construction could be better, good coat, moves with a level topline; Res Graves' **Nicnips Isa**.

**NB (3) 1 Hurrion's Villassa Country Belle**; **2 Meldram's Purland Charmer at Shersal**, good head, well balanced of good size, but lacks bone, front construction could be better which affects movement; **3 Grave's Nicnips Isa**, outline spoilt with excess in coat, good head and expression, nice topline but tailset low, moves OK.

**UGB (3-1) 1 Grave's Nicnips Indulgence**, good overall shape and balance, but heavy coat spoils outline, good head ears and eye, good topline but tailset a little low, well angulated front and rear, moved well both ways; **2 Macartney's Ivrig First Bit Of Joy**, nice head and expression, in general well constructed, good topline and tailset, but pins in a little front and rear on the move, and is in between coats.

**PGB (4-1) 1 Hurrion's Villassa Too Choosi**, good overall shape but would prefer to be more compact, good head and expression, tidy topline and tailset, well angulated quarters, moved well both ways; **2 Grave's Nicnips Indulgence**; **3 Barker's Villassa Love Heart**, good head shape but you need hands on to feel it because of soft furnishings on top of head, strong body with good bone, but front construction could be better, good topline but pins in on the move.

Jaeva Kennel had a great day today, some exciting Norfolks coming up, but I did also note bit, round, occasionally very light eyes which totally spoils the expression of the breed. Still some small teeth to report but super temperaments. I thank you all for the quality entry.

**PD (4)** Super class of quality. 1 Hess & Higgins' **Umbrage Copacabana**, red with well balanced head, dark eye, correct front assembly, strong in hindquarters, moved with reach in front and good drive; 2 Hurrion's **Villassa Jack Daniels**, another quality puppy, in excellent coat and condition, harsh red jacket, well balanced head, help super outline on the move; 3 Thompson-Morgan's **Belleville Salut**; Res Stevenson's **Brickin Heart Throb**.

Thank you to both Windsor committee for inviting me to judge this lovely bred and also to the exhibitors for allowing me the pleasure. I was very pleased with my principle winners and the overall quality of the dogs, and happy that all but for a few exhibits had good mouths, it is important that a terrier has a good bite, although 5 at the bottom in a strong jaw and correct bite may be accepted, although not really aimed for, level or undershot are not. It was a very hot and noisy day for these dogs and all coped with both heat and Aircraft very well, even the babies, well done.

I enjoyed my day with this breed, with a good entry and quality dogs. I found a few mouth faults; enough to affect placings. My thanks to the sporting exhibitors for bringing their dogs, and to my able stewards on the day. It was lovely to see so many promising puppies, which bodes well for the future. My BOB was shortlisted in the Group; BP and BV group placed. Well done.

**PD (8)** 1 Jenkins' **Kinsridge Witty Banter**, quality puppy with a pleasing head and eye. Good outline, bone, body properties, and quarters. Puppy coat a touch soft at present. Sound on the move. **BP, PG2**; 2 Thompson-Morgan's **Belleville Salut**, another good one, not as forward as first yet, but in better coat. Pleasing eye and expression, good in body, moved well on go around and looks good in profile. Has time to finish; 3 Stevenson's **Brickin Heart Throb**, completed a trio of typical quality puppies; Res Hess & Higgins' **Umbrage Copacabana**; VHC Walshe's **Beritas The Name's Bond**.

Firstly a big thank you to Liz Stannard and Leeds Canine Society for my first invite to judge a breed at Non CC Breed Level. The whole experience was made more special as it is my local Championship Show and that as a young girl I used to go to and dream watching the world of dog showing. I was delighted with my entry and thank you to the exhibitors for coming and allowing me to go over your dogs, and not forgetting my stewards Ann and Rod Green for their professionalism and for looking after me.

**PD (4)** 1 Stevenson's **Brickin Heart Throb**, red, 9 months old, lovely type, with a good strong head, good reach of neck, correct mouth, dark eye, level topline, moved and showed well once settled; 2 Standen's **Villassa Jack Be Quick**, red, 11 months, in short hard coat, pleasing head and dark eyes, firm topline, correct bite, moved OK, preferred length of 1; 3 Gee's **Watercroft Calling Time**; Res Walshe's **Beritas The Name's Bond**.

**JD (2-2)**

**PGD (1-1)**

**OD (3-1)** 1 Stevenson's **Brickin Pot Of Pickle**, a quality dog that I have admired from the ringside and delighted he was her today. Short and cobby, in excellent coat today, strong masculine head and strength of muzzle, beautiful mouth with big teeth, firm level topline and substance, super bone, tail well set on. No hesitation in awarding him **BD** and then **BOB**; 2 Atkinson's **Charlie Blake at Moortop**, red, another quality dog with very similar attributes to 1 with a super harsh coat and good masculine head, just didn't have the animation of 1 today, **RBD**.

**VD (2-1)** 1 Simpson's **Umbrage Longton cum Megalex**, red of 8 years, this dog just improves with age. Excellent coat, head and earset, big strong teeth,

a shade long, moved and showed very well, really enjoying his day.

**PB (7-3)** 1 Gee's **Watercroft Pop Corn**, 11 months old, this gassy puppy caught my eye as she entered the ring. Really liked this one, real quality, super head and dark eye with good earset, correct bite, nice neck and level topline, compact short backed and typy, moved and showed really well, **BP**; 2 Grave's **Pipsacre Jo Malone**, 7 months old, another lovely puppy, nice shape, lovely head, goo eyes and ears but today in her underclothes; 3 Stevenson's **Brickin Sweet Heart**; Res Walshe's **Beritas Bedevilled**.

**JB (2-1)** 1 Gee's **Watercroft Suzie'Q**, very good head shape and correct bite. Great body shape and bone, cobby, well sprung rib, moved true both ways.

**PGB (6-3)** 1 Thompson-Morgan's **Belleville Cool Summer**, another quality bitch, red, loved her size, make and shape, great mouth, with plenty of bone, good harsh coat, correct length of neck into well laid shoulder, kept her topline on the move, won the class with ease but sadly was very unsettled in the challenge; 2 Hurrion's **Villassa Too Choosi**, lovely head and dark eye, correct bite, good body and sound moving both ways; 3 Grave's **Nicnips Indulgence**.

**OB (3-1)** 1 Gee's **Watercroft Pop Picker**, have judged this bitch before and another that has improved with age and certainly didn't disappoint today, excellent type, attractive head and expression, good stop, correct bite, neat well set ears, lovely topline and bone, moved and showed so well, in perfect condition, **BB**; 2 Hurrion's **Villassa Cherry Tart**, lovely head, expressive eyes, neat ears, good bite, neck and shoulder, well presented, didn't like the wet long grass today affecting her movement.

**VB (2-1)** 1 Hurrion's **Ch Valentines Cherry Crumble**, how old? WOW! Red of 9 years young. She came in the ring saying "I have arrived!" Great

**VG1** Hurrion's **Ch Valentines Cherry Crumble**, Norfolk Terrier, I could not believe this bitch was 9 years old, she totally captivated me, she is of fabulous quality, cobby and sturdy with a good topline and tailset. Compactly made with good rib, strong well muscled hindquarters with plenty behind the tail. Absolutely made the most of her opportunity here in the big ring today as she arched her neck and reviewed what was happening around her, and then set off moving with style and great propulsion from the rear. She never put a foot wrong and showed her heart out at all times.

Some quality exhibits here and I was most pleased with my CC winners and BP. However, movement was not the strongest suit of some, very small teeth and very tightly curled tails were also noted.

**VD (1-1)** 1 Simpson's **Umbrage Longton cum Megalex**, what an ambassador for the breed. Presented in good coat and condition and showing himself off so well. Good head proportions, dark excessive eye, plenty of bone, level topline and good set on. Moved out well both ways, **BV**.

**MPD (4)** 1 Gee's **Watercroft Calling Time**, neat and tidy, nice for size and up for the job. Pleasing headshape and scored in eye, ears and neck. Moved our straight and true with a well held topline; 2 Jenkins & Allen's **Kinsridge Crackshot**, a real baby, almost uncontrollable, but settled to show his qualities, dark expressive eye, excellent head properties and is balanced all through. Moved out well; 3 Agmoney's **Kinsridge Christmas Cracka**; Res Lloyd's **Orison Ice Tee**.

**PD (4)** 1 Jenkins' **Kinsridge Witty Banter**, catches the eye immediately, well made and scores in head neck and shoulder. He is compact and holds an excellent topline. Moved out well both ways, **BP** and Terrier **PG1**; 2 Standen's **Villassa Jack Be Quick**, very promising and showed good type with a pleasing head and expression. He has adequate bone, is well made and is compact and balanced all through. Once settled moved out well; 3 Stevenson's **Brickin Heart Throb**; Res Agmoney's **Kinsridge Christmas Cracka**.

**JD (1)** 1 Jellings & Bakewell's **Jaeva Look'N' Look Again at Norwelston Lynjel**, sparky and full of himself, not helping his handler at first. Well made, nice broad skull, compact, good bone and well ribbed and muscled up. Moved well going away.

**PGD (0)**

**LD (4)** 1 Stevenson's **Brickin Pot Of Pickle**, just right for size and shape and scored in head, neck and shoulder. Presented and shown so well he is short and compact, balanced all through and moved out well fore and aft, **RCC**; 2 Atkinson's Charlie Blake at Moortop, quite a character, full of himself and carrying a little condition. Pleased in head and dentition, with topline and tailset, plus points. Adequate mover once settled; 3 Philip's **Nordalset Made To Boogie**; Res Ward & Hamar's **Gorden's Boy**.

**OD (1)** 1 Horne's **Ch Marchdens Mark My Words**, took the eye straight away, excellent type with pleasing head of first class proportions, dark expressive eye and is well made and balanced all through. Scored in coat and presentation, level topline and tailset and is well ribbed and muscled up. Moved out straight and true both ways, **CC & BOB**.

**VB (0)**

**MPB (3)** 1 Phillips' **Blakens Look No Further**, nice for size and shape with a pleasing head piece, dark eye and just enough neck running into correct shoulders. Short and compact, lovely topline, well held on the move; 2 Jenkins' **Kinsridge Billie Jean**, baby, close up to 1 and must have a great future. Lovely head and expression, well placed ears and plenty of bone. Scored in topline and once settled moved well both ways; 3 Jellings, Bakewell and Tate's **Jaeva Blossom**.

**PB (4-1)** 1 Gee's **Watercroft Top Totty**, quality puppy, compact and short, good head proportions and scored in eye, ears and neck. Plenty of bone and well ribbed up, held a level topline on the move; 2 Ward & Hamar's **Rafthouse Bombay Sapphire**, bit of a handful, but nicely made and pleased in head, neck and shoulders. **OB (6-2)** 1 Gee's **Watercroft Pick Of The Pops**, well made red, nice for size, typical head, good bone, well ribbed up and has a strong rear end. Shown in good coat and condition and moved out straight and true both ways; 2 Thompson-Morgan's **Belleville Ovation**, lovely bitch and has a dark expressive eye and pleases in neck and shoulder. Not quite the bone or substance of 1, but is well made and is short and compact and held a level topline on the move; 3 Hurrion's **Villassa Cherry Tart**; Res Gee's **Watercroft Pop Picker**.

He has a quality balanced head good eye correct mouth He kept his topline throughout and carried his well set tail correctly, lovely rib, correct coat texture; 2 Jenkins' **Kinsridge Crackshot**, not as mature as the first at the moment but built on very good lines a quality pup throughout with a balanced head well placed shoulder and a good temperament on the move, shows promise; 3 Stevenson's **Brickin Heart Throb**; Res Nunez' **Cherokee At Treehouse**; VHC Newton's **Strathinver Redgold**.

JD (3-1) 1 Jellings & Bakewell's **Jaeva Look'N' Look Again at Norwelston Lynjel**, a solid dog of very good type quality head and correct eye, neat ear, correct mouth, clean over the shoulder, short level topline, enough rib and a well set tail, moved well in this class; 2 Hurrion's **Villassa Jack Daniels**, I thought this young dog was lovely to go over, his construction is first class, however, he is not as mature as the winner, but when mature should do well.

PGD (2) 1 Jenkins' **Kinsridge Witty Banter**, a lovely pup, mature for his age and with the temperament to give of his best, he is so well constructed that his movement leaves nothing to be desired, surely must finish at the top. **RCC & BP**. LD (4-1) 1 Stevenson's **Brickin Pot Of Pickle**, I felt this was a very strong class, both exhibits had much to like and consequently it was a close decision. This dog is well balanced and of first class type with substance and quality. Typical head and eye, neat

ear, lovely topline and tail set Showed steadily; 2 Atkinson's **Charlie Black at Moortop**, really unlucky to meet the winner but did not make it easy for him. I liked so much about him and similar remarks apply. On the move the winner had a touch more extension in front; 3 Brown's **Dajejan Dotty's Digger**.

OD (4-1) 1 Gullick & van Stuivenberg's **Ch Arderry Penny Red to Jaeva**, a lovely dog full of breed type and balance, quality head and eye, correct mouth neat ear well placed shoulder and good rib lovely quarters and a true front. Made the most of himself on the move and presented in great condition, **CC** and **BOB**; 2 Newton's **Ch Strathinver Sea The Stars**, a very well constructed male. Very pleasing to go over with enough rib and well set tail. He has a steady temperament and was sound on the move. Lovely coat texture; 3 Brown's **Dajejan Dotty's Digger**.

GCD (1) 1 Brown's **Dajejan Dotty's Digger**

Has great potential; 2 Gee's **Watercroft Top Totty**, a touch smaller than the winner but well balanced with a good head and eye, uses her ears so well, lovely coat texture. Put in a good performance; 3 Jenkins' **Kinsridge Billie Jean**; Res Graves' **Pipsacre Jo Malone**; VHC Jellings, Bakewell & Tate's **Jaeva Blossom TAF**.

type, quality head, well placed and used ears, straight front from well placed shoulders, with good rib, carries her tail well, in super condition. Put in a good performance on the move. Ultimately **CC** winner against a competitive line up; 2 Gee's **Watercroft Suzie'Q**, another bitch of good type with a lovely head and eye, good shoulder, level topline, in super condition with well textured coat, shows so well; 3 Dixon's **Perrisblu Tanzanite**; Res Smith's **Javidel Darling Buds Of May**.

I liked her coat texture; 3 Macartney's **Ivrig First Bit Of Joy**.

**LB (3)** 1 Dixon's **Perrisblu Priscilla**, in immaculate condition, super well textured coat, quality head, dark eye, good over the shoulder, lovely rib and level topline, muscular quarters. Moved true and well schooled; 2 Gullick & Tate's **Jaeva Keen As Mustard**, touch longer than the winner but so well constructed, sweet head and eye, good topline and rib, showed herself well on the move, but can lose her outline standing; 3 Thompson-Morgan's **Belleville Summer Crunch**.

**OB (4)** 1 Gee's **Watercroft Pop Picker**, I thought this was a lovely bitch, very well constructed and in super condition. She looked a picture standing but on the move she was not at one with her handler. I saw glimpses of sound movement but she quickly did her own thing. A pity, but deserved the **RCC**; 2 Atkinson's **Moortop Clear Choice**, so alike the winner and of similar type, good head and eye, lovely front with well placed shoulders, super coat, well presented and of clear colour; 3 Thompson-Morgan's **Belleville Ovation**.

**PG1** Jenkins' **Kinsridge Witty Banter**, the winner of this hotly contested group was the smart Norfolk Terrier, a big personality on this smart little fellow, bright-eyed with an intelligent expression. Excellent coat, so well presented. A joy to handle he is so well made throughout, whilst on the move his personality shines through and it was this charismatic display that gave him the edge.

**Best Puppy In Show**

**VD (1-1)** 1 Simpson's **Umbrage Longton cum Megalex**, lovely bone, good movement both ways, well angulated with good shoulder layback. Would prefer more width of skull and a shorter loin. Good eye and in excellent coat, **BV**.

**PD (4)** 1 Lloyd's **Orison Ice Tee**, shortest back and most compact puppy in the class although not the best head. When settled he moved well both ways and strode out with purpose. Excellent coat, level topline, very good bite and bone, good spring of rib; 2 Gee's **Watercroft Calling Time**, not the bone of 1 and not as compact with a longer loin. Very nice head, lovely eye and good layback of shoulder, upper arm and front. Not the coat of 1. Showed himself off very well; 3 Stevenson's **Brickin Heart Throb**; Res Nunez's **Cherokee At Treehouse**.

**JD (2-1)** 1 Hurriion's **Villassa Jack Daniels**, very showy and in excellent coat, level topline, bone OK would prefer longer rib with more spring. Small eye good bite moved well on the long grass. Well carried tail.

**PGD (2)** 1 Standen's **Villassa Jack Be Quick**, lovely to go over, beautiful head, good width to skull, strong muzzle, good bite and ears. Correct bone, nice layback of shoulder, could have a longer rib and a bit more weight, not yet mature. Well carried tail. Would like to see him in a years' time when he has matured; 2 Walker's **Hedgefield Brucey Baby**, a quality dog with good bone and head, nice eye, good bite and in good coat, just needs the finishing touches. Not the tail of 1 and longer cast. Front not as straight.

**LD (4-1)** 1 Stevenson's **Brickin Pot Of Pickle**, beautiful, well balanced typy dog, short, cobby, compact, lovely head with good width to skull, very strong muzzle, small oval eye, great bone and spring of rib. Excellent harsh coat. Moved well both ways, striding out. Well muscled hind quarters with good

angulation. **CC & BOB** on his overall type and compactness, the closest to my ideal of the overall picture. Compactness is something we are losing in the breed and needs to be addressed; 2 Atkinson's **Charlie Blake at Moortop**, another lovely dog with excellent bone, strong muzzle, beautiful, dark, small, oval eye, not the width of skull of 1 and not as short in back. Good length of rib which is lacking in many, lovely tail carriage, moved well; 3 Brown's **Dajeon Dotty's Digger**.

**OD (2)** 1 Horne's **Ch Marchdens Mark My Words**, a very typy dog with a good head, lovely bone, excellent tail carriage, moved better than 2 but longer cast, very good spring of rib, harsh coat, very good hind quarters. **RCC**, although he moved better than the **CC** winner he is not short and compact; 2 Gullick and Stuivenberg's **Ch Arderry Penny Red to Jaeva**, a quality dog with a beautiful head, good shoulder layback, moved very well in front. Short back. Preferred hind angulations and muscle of 1, also not the rib or bone of 1.

**VB (0)**

**PB (4-1)** 1 Gee's **Watercroft Gold Dust**, and she is, absolutely beautiful 6 month puppy, outstanding for type, lovely head, eye & ears, good bite. Level topline, good spring of rib and bone, in very good coat and so well presented. Showed to perfection in the class, moving out strongly. An easy winner in the class. Unfortunately a different handler in the challenge meant she didn't show her full potential. Delighted to give her **BP** and had she been a few months older would have challenged hard for the **CC**. Very pleased to see her go to 2<sup>nd</sup> in the puppy group, **PG2**. Wish she was mine; 2 Phillips' **Blakens Look No Further**, another lovely puppy, unlucky to meet 1. Not behaving as well and not as compact, however she had better hind quarters and layback of shoulder than 1. Beautiful eye, in good coat; 3 Graves' **Pipsacre Jo Malone**.

Good layback of shoulder and well angulated both ways. **RCC** as not the bone, tail set or head of the CC winner; 2 Hurrion's **Villassa Country Belle**, another very nice bitch but not the front of 1. Good head and bite, Prefer darker eye. Very well presented and showed well, very good tail carriage; 3 Smith's **Javidel Darling Buds Of May**.

**PGB (2-1)** 1 Grave's **Nicnips Indulgence**, very happy show girl in good coat with excellent hind quarters. Good tail, very good spring of rib. Front not her fortune. Good bite, dark eye and good ears.

**LB (3-1)** 1 Atkinson's **Moortop Clear Choice**, cobby, low to ground, good tail carriage, spring of rib and hind quarters. Needs more layback of shoulder and length of upper arm. Dark eye; 2 Gullick & Tate's **Jaeva Keen As Mustard**, not happy today. Not the hind quarters of q but stronger in head and bone. Lovely eye. Good length of rib.

**OB (2)** 1 Gee's **Ch Watercroft Pick Of The Pops**, a lovely bitch with great type, nice head with good bite. Moving and showing well, good spring and length of rib, good layback of shoulder, Excellent hind quarters. Prefer straighter tail but set correctly. Beautiful eye. Stronger head and bone than RCC winner. **CC**; 2 Hurrion's **Villassa Cherry Tart**, another lovely bitch, just not co-operating today. Not the front of 1 but slightly shorter back. Good length of rib, bone OK. Lovely eye and great bite.

As always David, Stuart and their team have the finger on the button and afford great hospitality.

**VD (1) 1 Simpson's Umbrage Longton cum Megalex**, 8 year old, smart lively chap, really enjoying his day. He was in good order, not too heavy and he used himself well on the move. Never lost his outline firm topline. Hard coat, well presented. Just a touch up on leg.

**MPD (3-1) 1 Gee's Watercroft Calling Time**, from 8 years to 8 months. This is a cracking Norfolk. Lovely head, dark oval eye fitting well. Good skull, strength in muzzle with big white teeth. Has neck from lay of shoulder, compact body and strong set tail on top. Hard coat well put down. He just had so much attitude and spark and showed his head off with true action, in this ring and later in the group to take, **BP & PG1**; 2 Atkinson's **Belleville Just Call Me at Manybrook**, not quite as forward as winner and just lacks a touch face furnishings. But a good sort and should develop well, as is so well constructed. Super coat texture. His day will come.

**PD (1) 1 Nunez' Cherokee At Treehouse**, 11 month and is masculine with nothing overdone. Super head piece, with good eye and well set ear. Has strength in neck and firm body. This boy has lots to offer and well deserved his place. Thought well of him.

**JD (3) 1 Hurrion & Standen's Villassa Jack Be Quick**, well I just fell for him, gorgeous head, all in proportion, he made me smile. His skeletal make up is so correct, that he doesn't put a foot wrong, standing or moving. Excellent presentation of super hard wiry coat. I wouldn't change a thing. **DCC & BOB**; 2 Walshe's **Beritas The Name's Bond**, shows himself off to advantage. Dark well set eye with that cheeky spark. Confident use of ear. Well ribbed to short muscled loin. Behind plenty after tail. Not just as tidy coming and going as winner, but stylish side action; 3 Stevenson's **Brickin Heart Throb**.

**PGD (1) 1 Hurrion's Villassa Jack Daniels**, 17 month pleasing type. Pretty head with good proportions. Decent shoulder and good bone with straight front and neat feet. Needs to come on behind, but at that in-between stage. Harsh coat with good undercoat. Lovely outlook.

**LD (2) 1 Jellings & Bakewell's Jaeva Look'N' Look Again at Norwelston Lynjel**, won on his typical shape and super attitude. Appeals in head that real Norfolk look, from his has a dark almond eye. He is compact with strong body, firm back and good width of rump. Did his job with terrier spirit; 2 Stevenson's **Brickin Pot Of Pickle**, this one has a super head with strong jaw. Strong body, which is deep giving the impression of him being a little short on leg. He has strong well angulated quarters. Just not giving as much as winner on the move.

**OD (2) Both have attributes.**  
1 Gullick & Van Stuivenberg's **Ch Arderry Penny Red to Jaeva**, classic head he has, broad, balanced skull, good eye, dark with that added spark. Strength on muzzle, housing big white teeth. Positive in front from correct angulation. Quality bone. Firm back, well sprung ribs and short muscled loin. Strong behind with bend of stifle giving propulsion. Excellent presentation. **RCC**; 2 Newton's **Strathinver Sea The Stars**.

**VB (2) 1 Green's Wharfvalley Diamond Diva**, 8 years and did her job with true action and great personality. She may lack a touch face furnishings, but her head is typical and balanced with a lovely expression. Well boned and good legs and feet. She pushes off from sound quarters. Her coat is hard and abundant. **BV**. And I judged her again in the veteran group and she was up there in the quality shortlist; 2 Hurrion's **Ch Valentines Cherry Crumble**, Lovely girl, again really doing her job with purpose. I just preferred the muzzle and neck of winner. She does have qualities.

**MPB (1)** 1 Gee's **Watercroft Gold Dust**, 7 months and, rightly, looks and acts her age, so had to give way to her stable mate, for best puppy. She is captivating, with her beautiful head and cheeky outlook. She displays her correct construction, for a moment, (but preferred to wiggle, which is fine in a baby) on the move.

**PB (2-1)** 1 Jellings, Bakewell & Tate's **Jaeva Blossom TAF**, a bit of a jumping bean today, I don't mind, youngsters should have fun, love that great personality. She is still immature and need to come on in head. She has correct body proportions and leg to depth. Think this is one for the future.

**JB (3-1)** Both had issues on the move.  
1 Smith's **Javidel Darling Buds Of May**, lovely head and expression on this one. Lovely front and shoulder, so positive reach on the move. This is where she scored today over second. She is carrying rather too much weight, but is soundly made. Quality coat; 2 Gee's **Watercroft Suzie'Q**, cheeky and shapely in outline with good head and compact body. She is a sweet bitch with quality and type, who has time. Not quite as positive in front as winner.

**PGB (2-1)** 1 Walshe's **Beritas Bedevilled**, only a youngster, who has lots to like about her. She is confident and alert, working with her handler all the time. Lovely expression from a balanced head and dark well placed eye. Can be a touch 'bossy' in front, moved very well behind. Not in her best coat.

**LB (3-2)** 1 Gullick & Tate's **Jaeva Keen As Mustard**, this quality yearling was in immaculate order. Broad skull, super ear set, and used to advantage. Good muzzle and width of underjaw. So very well constructed, with correct proportions that she can't put her foot down wrong. Is tpy, balanced and feminine. Quietly handled to bring out her best. I was pleased to award her the **RCC**. Higher awards must follow.

**OB (3-1)** These two handlers showed dogs of super type and presentation today. 1 Gee's **Watercroft Pick Of The Pops**, scored in outline, so very typical. Has a balanced head that is feminine with no weak elements. Balance of forehead to hind, with developed middle. Topline is firm with short loin of width. Has good bum and muscular buttocks. In super coat presented so well. She has that confident 'look at me' air, which secured her the **CC**; 2 Hurrion's **Villassa Cherry Tart**, pretty, feminine girl with lovely eye

and ear that frame her well balanced head piece. Grand forehead, with balance of well boned leg to depth. Firm throughout. Strong and fit throughout. Quality presentation of lovely hard coat.

**Terrier Puppy Group**

Judge: Lee Cox

**PG1** Gee's **Watercroft Calling Time**, my winner was the truly delightful Norfolk Terrier. Super to go over on the table with gorgeous expression, compact body and hard, wiry coat. In superb condition. On the move he simply powered round the ring, defying his size and just asked for the nod. Will certainly hear more from him and on Sunday was a serious contender.

**JD (2-1)** 1 Hess & Higgins' **Umbrage Copacabana**, typy male who stands on top of himself, excellent hind quarters, with parallel action, good rib and body, moving carelessly in front and wide.

**PGD (2)** 1 Jenkins' **Kinsridge Witty Banter**, smart young puppy who is in excellent jacket, typy outlook and head developing well, certainly scored in his hind action, however still a baby and his front will tighten, shame he spooked for best puppy in breed. Considered him in the challenge, such promise; 2 Philip's **Guestlings Little Red Rascal**, he is plenty big enough, his head is OK, but could benefit from more width to skull and a touch more stop, not in his full coat which made him appear longer than he is. Super neck and excellent hindquarters which he used to advantage.

**LD (5-1)** 1 Stevenson's **Brickin Pot Of Pickle**, totally typical in outlook, his head is classic, masculine and so well proportioned, good eye, cobby in outlook with good depth and width to frame, compact and strong ... so much to like about him, he could however benefit with a touch more neck and a better upper arm, moves true behind but not as animated at the eventual winners; 2 Atkinson's **Charlie Blake at Moortop**, another masculine male who is a strong and substantial, good head with correct stop, excellent behind but careless in front; 3 Jellings & Bakewell's **Jaeva Look'N'Look Again at Norwelston Lynjel**; Res Ward's **Gordens Boy**.

**OD (3-1)** 1 Horne's **Ch Marchdens Mark My Words**, all male stallion of a dog, who oozes breed type in head and his typical outline, draws a lovely picture stood. Correct tail that he uses to advantage, his head is quite lovely with a good skull enough stop and keen eye and correct muzzle, excellent neck with a rock hard backline, good ribbing and set to quarters, he scores in side gait displaying the true low and driving action, he isn't without fault and is a little wide in front but has good reach and a good upper arm. Shown in good jacket, **DCC** and **BOB**; 2 Gullick and van Stuivenberg's **Ch Arderry Penny Red to Jaeva**, smart and stylish is how I describe him, gassy young male who loves to show himself off, decent head with a keen small eye which I liked, tended to dip in topline today,

moderate angulation both ends and used his quarters well. A quality dog who deserved the **RDCC**.

**VD (1)** 1 Simpson's **Umbrage Longton cum Megalex**, eight year old who is in amazing condition, lovely harsh coat, his head is good with excellent pigment around the eye rim which I love to see. Moving our positively with attitude.

**PB (8-2)** 1 Phillips' **Blakens Look No Further**, gorgeous for type and outline, excellent keen eye and expression, super body and in good jacket, lovely outlook, **BP**; 2 MacBean's **Pryorvale Bow Belle**, firstly her coat needs help and resurrecting, somebody please help! Such a good puppy to go over, balanced angles both ends, good eye and neck, moves so true and correct. Has lots of potential; 3 Thompson Morgan's **Villassa Jelligello**; Res Haydon & Gibbings' **Villassa Jelliwobble at Earthtaw**; VHC Jellings & Bakewell's **Jaeva Blossom**.

**JB (4-1)** 1 Phillips' **Marchdens Look To The Sky for Blakens**, lovely b&t for type and so correct for size and outline, head good for age and developing well, keen eye, super body and substance, loved her. In the final challenge I had 3 gorgeous bitches all worthy of a cc, and she took the RBCC as she matched the CC winning bitch so well; 2 Foubister's **Kinsridge Gun Chaser**, very pretty bitch who is correct for shape and outline, good neck and a steady mover; 3 Atkinson's **Moortop Candy Choice**.

**PGB (5)** 1 Gullick & Tate's **Jaeva Keen As Mustard**, bitch of nice type and very little not to like, excellent head and super eye, in good jacket, moved OK; 2 Macartney's **Ivrig First Bit Of Joy**, lovely make and shape on this bitch, she needs to be handled to appreciate her lovely body under that coat, which was hanging and needed sorting out ... so sound on the move; 3 Gardener's **Northwool Jenni And Romance at Danalas**; Res Stevenson's **Brickin All For The Best**; VHC Owens' **Brickin Happy Dance**.

**LB (4-1)** 1 Gullick & Tate's **Jaeva Blue Lagoon**, my type of bitch I just loved her in every way but one, firstly she is totally correct for size and spot on for shape. So strong and sturdy in body and yet so feminine. Her head is gorgeous, good muzzle to skull ratio, keen eye and that undefinable terrier expression, neat ears set on well, ideal neck which isn't overly long flowing into a perfect front, with good length to upper arm, well ribbed and short bodied, yet she has well let down quarters, which she used to advantage, totally sound in all direction and going

around was all of a piece , backline never faltering and moving with impulsion and drive, **BCC**; 2 Thompson-Morgan's **Belleville Ovation**, ultra short backed bitch that draws a good outline, stood, good height at the withers but would like her better fronted, gorgeous make and shape and uses her quarters positively; 3 Gardener's **Perrisblu Liberty at Danalas ShCM**.

**OB (3-1)** 1 Jenkins' **Ch Kinsridge Top Tip**, super quality bitch who certainly challenged hard for top honours, so cobby in shape and correct for size, good head but her eye was a touch full for me. Now this bitch has the perfect mouth with large that sit in a perfect scissor ... it will be useful for all to see what a proper mouth looks like as often we are all guilty of accepting what's not always ideal and teeth on a terrier are of high importance. Balanced and moderate angles both ends. Tended to drop in topline today on the go around which cost her in the challenge. A bitch who is totally true coming and going; 2 Thompson-Morgan's **Belleville Cool Summer**, excellent make and shape, head is OK but would like a touch more stop and strength to skull, super eye and scores in neck, hard backline, and excellent quarters, touch upright in front, her side gait is so typical low and driving, sadly not in best coat.

#### **Terrier Puppy Group**

Judge: Stephen Bardwell

**PG4** Phillips' **Blakens Look No Further**, Norfolk Terrier bitch, keen feminine expression with nice dark eye, good width to top skull and neat ears. Strong neck and broad rib and loin made well made fore and hind quarters. Mover fairly well when settled. Good harsh coat.

Certainly a huge honour to be given the incredible privilege to judge this show which was in celebration of the Club's 25 years existence! The committee had done an incredible job regarding as well organizing as advertising. Norfolk Terrier enthusiasts came from many European countries as well as a strong contingent from the USA – and even I was told – from Australia.

Also a lovely and enjoyable dinner where I was presented with a lovely watercolour of our Norfolk Marcus painted by Pippa Thew. And not least important: the show attracted an entry of 104 made by 99 dogs.

Chief Steward Max King did a great job keeping as well the judge as the exhibitors under control to make sure the time table was adhered to. Ably assisted by Claire Rogers, Preston Hafenden and Peter Baxter.

The overall quality of exhibits was far better than I had expected and many difficult and close decisions had to be made. I was very impressed with temperament – and I don't think a single dog objected to being handled by the judge and most showed themselves off with great enthusiasm. One or two with too much enthusiasm, but I think it is only lovely to watch terriers being terriers!

**GCD (2-1)** 1 Brown's **Dajeon Dotty's Digger**, strong masculine dog of a pleasing type. Excellent body, bone, legs and feet. Lovely temperament and moved OK. Incorrect bite.

I would like to thank the committee for the invitation and to my capable stewards, but more importantly to the Exhibitors, who took their placing so sportingly. It was a lovely atmosphere all weekend, meeting old friends and making new ones worldwide.

**GCD (2)** 1 Nunez's **Cherokee at Treehouse**, (ATC AU01542USA), black & tan lovely quality. Good head proportions with good ear carriage. Lovely eye which gives a good keen expression. OK in neck and front assembly, with good bone. Good spring of rib, with correct tail set, angles behind OK, which he uses, just needs time to mature and a little more coat to finish the picture. Handled and presented well; 2 Brown's **Dajeon Dotty's Digger**, what a partnership. This little dog is a credit to his owner for his condition, but mainly for his temperament. True Norfolk temperament, very pleasing type and very sound, in good condition. Class act together.

**VD (4-2)** 1 Simpson's **Umbrage Longton cum Megalex**, 8 yr old male in excellent form, like wine – gets better as he gets older. Head proportion correct, would like a smaller eye, good ear carriage, OK for make and shape, OK on the move for his age. In good hard condition, in excellent coat, looking smart. Best Veteran Dog; 2 Ebbs' **Watercroft Hot News**, black & tan male. Nice dog to go over, very compact with pleasing head and expression. Didn't help his young handler when he came to moving, but overall type was very pleasing.

**SVD (Special Vintage Dog)(1)** 1 Rusby's **Harrys A Hero**, a credit to his owner. At 12½ looking so fit, really enjoying his day, pleasing to go over, not carrying any excess weight which shows on the move. Really moving well, keeping his top line all the time. Handled and presented well.

**MPD (8-1)** 1 Gee's **Watercroft Calling Time**, top

class puppy. Lovely head proportions, with correct dog eye, neat in ears, which gives good expression. Correct neck and shoulder, with good clean front, nice round feet, excellent in body, with good short coupling. Tail on top, in excellent form and coat. Very sound, pressed hard for the Reserve CC; 2 Jenkins & McCourt's **Kinsridge Crackshot**, very promising youngster. All the correct proportions for one this age, good bone for size, very sound on the move. One that has to make a mark on the breed once matured; 3 McPhee's **Kinsridge No Problem**; Res Thompson-Morgan's **Belleville Just Look**; VHC Newton's **Strathinver Redgold**.

**PD (7-1)** 1 Salminen's **Nanstop Bvlgari**, (ATC AU01816FIN), headed a mixed class. Liked this dog for his masculinity and bone, lovely head, correct eye, strong jaw with big teeth. Good front assembly, OK in body for age, strong quarters, which he uses, excellent coat texture, extends on the move. Needs to drop in body and fill out, time is on his side; 2 Lloyd's **Orison Ice Tee**, smart young lad of very good type, again correct bone, very short and compact, moving slightly wide in front today on the move, but gives good side picture, holding top line and shape; 3 Gee's **Watercroft Nightcap**; Res Stevenson's **Brickin Quite By Chance**; VHC Money's **Kinsridge Christmas Cracka**.

**JD (3)** 1 Hurrion & Standen's **Villassa Jack Be Quick**, dog I liked for his age, pleasing head with good proportions. Front and neck assembly good, firm top line with good angles behind, would just prefer shorter coupling, very good side gait, well prepared; 2 Nunez's **Cherokee at Treehouse**, (ATC AU01542USA); 3 Hess & Higgins' **Umbrage Copacabana**.

**YD (3)** 1 Hurrion & Standen's **Villassa Jack Be Quick**; 2 Walker's **Hedgefield Brucey Baby**,

pleasing dog to go over, with good proportions, correct bone for size, with correct length of rib. Would like more strength on the move from behind, in pleasing form, handled well; 3 Baumbach's **Wederdena's Harry Beau**.

**SBD (3)** 1 Money's **Kinsridge Christmas Cracka**, handy little dog of good type, very well balanced, good strength of skull with neat ears, slightly round in eye that distracts from expression. OK in front and back, went well; 2 Baumbach's **Wederdena's Harry Beau**, smaller type than 1<sup>st</sup>. Personally I would like more of him all round. Pretty head with good eye and shape, neat ears, which he uses. OK body for size, sound on the move; 3 Brown's **Dajeon Dotty's Digger**.

**ND (4-2)** 1 Newton's **Strathinver Redgold**, very raw pup at just 6 months but has all the makings of a nice one. Lovely head with expression and correct eye, good construction in body and bone for age, just needs time and he has plenty; 2 Baumbach's **Wederdena's Harry Beau**.

**PGD (5)** 1 Jenkins' **Kinsridge Witty Banter**, Wow! Took my eye immediately for quality, type and balance. Stunning head with correct head proportions, neat ears. Good expression, looks at you dead on, clean neck and shoulder, with correct body for age. Good strong top line, and short coupling, tail on top, good angles from behind. Not much I would change on this dog – at this age. Has great presence and soundness. Lost out on the ticket through no fault of his own, just maturity. **RCC** and Best Puppy Dog; 2 Walshe's **Beritas The Name's Bond**, good type of dog, presents himself well. Pleasing head with correct small dark eye, which gives him the correct expression, correct neat ears. Clean in front, well ribbed body with strong loin, good side gate, went OK up and down; 3 Hurrion's **Villassa Jack Daniels**; Res Walker's **Hedgefield Brucey Baby**; VHC Philip's **Guestlings Litle Red Rascal** (Imp Swe).

**LD (5-1)** 1 Stevenson's **Brickin Pot Of Pickle**, 2 yr old male. One you could easily walk past if you are not familiar with the breed a dog you need to put your hands on to appreciate what an excellent type he is. You should never judge a book by the cover. One of the best headed dogs here today, with correct proportions and strength, excellent muzzle and bite, small dark eye with excellent expression. Very good in neck and shoulder with good clean front, correct

fore chest and spring of rib. Followed on with short strong loin, good tail set, excellent bone for size, OK in angles behind, sound back and forth. He is what it says on the "tin". Pleased to give him the **CC** and to hear that crowns him; 2 Britten's **Krisma Dark N'Stormy**, different type than first, but still carries all the breed characteristics you require. Liked his head with the real Norfolk look. Correct eye and shape, pleasing in neck and shoulder. Good clean front, pleasing bone for size, good compact body with angles behind. In excellent coat and form, has a lot of attitude. Moves well. Handled with confidence, **Best Black & Tan**; 3 Darnell's **Jacquidon Tough As A Nut**; Res Brown's **Dajeon Dotty's Digger**.

**OD (5-3)** 1 Newton's **Ch Strathinver Sea The Stars**, always liked this dog from the ring side. The 1<sup>st</sup> time to put my hands on, wasn't disappointed, can understand how he has done all his winning. Crowning a lovely head piece looks at you right with a correct eye, lovely neck and shoulder which is lacking in the breed at this moment in time. Excellent body with correct ribs. Lovely angles from behind, well muscled quarters, tail set good. Very sound, moves with ease, liked him a lot; 2 Gee's **Ch Watercroft Chilli Pepper**, very smart dog, very impressive standing, excellent body with correct length of rib, good strong bone, excellent coat, covers the ground well on the move.

**SSD (Special Senior Dog age 5-6)(2)** 1 Sant's **Nordalset Look To The Future**, lovely quality dog, was very surprised to see him in this class, so pleasing to go over, good hard proportions with good strength of jaw, excellent size teeth and bite, lovely neck that goes into laid back shoulders. Correct length of rib with good firm loin, very good tail set and carriage, with good strong well angulated quarters. So sound on the move, showed well; 2 Smith's **Javidel May Just Have Too**, again lovely type and size. OK for bone, very compact with good coupling, lovely head with expression. Just prefer more neck and tighter front. Put down well.

**GCB (2-1)** 1 Macartney's **Ivrig First Bit Of Joy**, 2 yr old bitch. Very feminine, pleasing to go over, I liked her head and expression. OK for bone, carrying a bit of weight today. Good set on, sound on the move, nice red jacket.

**VB (3)** 1 Hurrion's **Ch Valentines Cherry Crumble**, 10½ yrs of age. In tip top form, well worthy

champion, looking good for her years. Bitch with attitude plus very sound. Handler and bitch make a great team, **BV**; 2 Green's **Wharfvalley Diamond Diva**, different type than 1<sup>st</sup>. With lots to like, typical head and expression, good bone for size, OK body for age, excellent coat. Not as positive as 1 on the move, possibly tired from day before; owner got the best out of her; 3 Hess & Higgins' **Umbrage Spode**.

**SVB** (Special Vintage Bitch)(1) 1 Smith's **Stridview Bluebell for Javidel**, looking well for her years, still keeping her lovely type and shape. In good hard condition, which she used to her advantage going round the ring.

**MPB** (6) 1 Gee's **Watercroft Gold Dust**, one that will make an impact in the breed as she matures. Excels for type, quality and balance, lovely head proportions with good expression. Neat ears and correct eye, liked her for her neck shoulder with clean front, correct deep body, with strong top line. Tail sitting on top, with good angulated quarters. Short hocks which she uses to her advantage with plenty of drive. In excellent coat. Never put a foot wrong. Was pleased to award her **RCC**, **BP** and **RBIS**; 2 Brackner's **Bruperhat Wedding Crasher**, again another good quality puppy, carrying good type making shape. Slightly rounder in eye than the 1<sup>st</sup>. Coat not quite the texture as 1<sup>st</sup> but holds herself going round the ring, sound back and forth. Handled well; 3 Thompson-Morgan's **Villassa Jelligello**; Res Hurrion & Osborne-Brown's **Villassa Jellitots**; VHC Stevenson's **Brickin Just For Fun**.

**PB** (3-1) 1 Salminen's **Nanstop Bik Bok**, (ATC AU01817FIN), strong type of puppy, but has all the essentials, lovely bone, well balanced for size. Lovely head with good expression with small dark eye. Excellent bite with good strength of jaw. Good lay back of shoulder with deep chest, correct length of rib, with short coupling, good shape tail. In excellent form. Presented and handled well; 2 Gee's **Watercroft Pink Fizz**, nice type of puppy, more to like that not. Over all pleasing to go over, slightly tight in front at the moment on the move. OK behind, showy.

**JB** (3-1) 1 Gee's **Watercroft Top Totty**, very typy bitch, as all from this kennel. Typical head, with good proportions. Lovely dark eye, nice length of neck with strength, body construction good, good bone for size, moves well back and forth. Very showy; 2 Hurrion's **Villassa All By Design**,

14 month old. Over all proportions good, very pretty head and nice expression. Good angles back and front, very sound on the move. Just would like a little more substance all round, and stronger jaw.

**YB** (3-1) 1 Gee's **Watercroft Suzie'Q**, correct type again from this kennel, size shape and balance all in one package. Lovely clean front with good shoulders. In lovely coat. Moves with drive and purpose. Showed well for handler; 2 Walshe's **Beritas Bedevilled**, showy little bitch, put all out on the day. Typical type, a little longer cast, and not the eye of 1<sup>st</sup>. Sound back and forth.

**SBB** (1-1)

**NB** (3-2) 1 Harpham & Hulance's **Diggery Hashtag Selfie**, well the surprise of the day, new to me, to go over. Surprised to see her in this class, has such a lot to offer, and can compete in any company. Pulled her out in my last four for consideration for higher awards. Beautiful head with true Norfolk expression, good angles front & back, correct body, very sound on the move, just needed more coat to complete the picture. One that's capable of higher honours.

**PGB** (6-3) 1 Devereux's **Vichea Indian Summer**, good type of bitch with good shape, correct head and bite, excels in neck and shoulder, with good ribbing, strong loin. Good tail, excellent coat, muscled behind, very sound. Liked her a lot; 2 Saltmarsh's **Pipridges Holly**, honest type of bitch with excellent bone, well balanced all through, excellent muscle tone. Moves with purpose from behind in good coat; 3 Freeman's **Buttons Rambles**.

**LB** (8-2) 1 Gee's **Watercroft Pop Picker**, liked this bitch a lot, for type, quality and balance, beautiful head with strength, correct eye, lovely neck and shoulder, good straight front. Excellent body with short coupling, good tail set, with correct angles behind. Very sound, in excellent coat. Another one who should gain her crown; 2 Thompson-Morgan's **Belleville Ovation**, classy bitch, unfortunate to meet 1<sup>st</sup>. Lovely to put your hands on, typical head with keen expression. Flows into neck, shoulders and body like a glove. Sound back and forth, with good side gate. Quality bitch; 3 Darnell's **Jacquidon No Hesitation**; Res Brackner's **Watercroft Shotgun Wedding**; VHC Lloyd's **Orison Midnight Stroll**.

**OB** (5) 1 Jenkins' **Ch Kinsridge Top Tip**, star of the day, what can I say that hasn't already been said!

1<sup>st</sup> time for me to put my hands on her, did not disappoint. Only thing I would change on this bitch is ownership! To Me. An excellent representative for a breed record holder, something for us all to aspire to as breeders. My **CC** winner and **BIS**, says it all; 2 Britten's **Ch Krisma Nip In The Air**, lovely quality bitch, has all the essentials of a champion. Lovely head and expression, very good neck and shoulder, correct in body, good tail set with good quarters, which she uses on the move. For perfection, would like a little more of her all round. Showed and handled well. Pressed hard for Reserve CC; 3 Gee's **Ch Watercroft Pick Of The Pops**; Res Thompson-Morgan's **Belleville Cool Summer**; VHC Salminen's **FI Ch Nanstop Bada Bing Bada Boom**, (ATC AU01818FIN).

**Class A** 6-11 years (1)  
1 **Guy Gibson**, age 10, this young handler had his work cut out, as his dog was not cooperating with him today. But he listened to what was said to him and did as he was asked. A Young Handler who will improve with a little more experience and confidence.

I shall look out for this young man and see how he is progressing.

**Class B** 12-16 years (1)  
1 **Isobel West**, 16 yrs, this handler also had a dog that was unwilling to cooperate with her today, still this confident young lady's table work was good and she handled her dog with thoughtfulness and kindness, she was also able to answer my questions competently and showed her knowledge of ring patterns. **BJH**.

RBCC: **Perrisble Priscilla**  
BP: **Kinsridge Witty Banter**

I thoroughly enjoyed judging this lovely breed for the first time at this level. There were many exhibits in both sexes I would happily have signed a CC for and I was impressed by the overall quality of the breed. Needless to say, temperaments were excellent.

**MPD (1)** 1 Atkinson's **Belleville Just Call Me at Manybrook**, a real baby but with good breadth of skull, neat ears, dark oval eye and good strong mouth. Well ribbed for age with good topline and tailset. Very typy and once settled he moved very well.

**PD (3)** 1 Gee's **Watercroft Calling Time**; beautifully balanced with a pleasing head and keen expression. Very good body, short loin and excellent spring of rib. Good topline and tailset. A really good showman in excellent condition who moved out well with some propulsion from the rear; 2 Stevenson's **Brickin Quite By Chance**, another good quality youngster, not the maturity of the winner as yet. Dark, keen eye, correct mouth. Good straight legs and thickly padded feet. True both coming and going; 3 Walker's **Roxypark Spring Time**.

**JD (4)** 1 Jenkins' **Kinsridge Witty Banter**, an exciting youngster who should make a name for himself. Good breadth of head, dark intelligent eye, strong white teeth. Good forehand, cobby compact body with first class topline and tailset. Harsh well prepared jacket. Well angulated and his movement is exemplary, **BP**: 2 Hurrion's **Villassa Jack Daniels**, possess a grand head, good bone, legs and feet. Not quite as finished as the winner as yet but he too has a good topline and well carried tail. **PGD (3-1)** 1 Walshe's **Beritas The Name's Bond**, good breadth of skull, dark eye and good bite. Good length and spring of rib with hard topline and well

set tail. Good quarters. Shown in good form and looks very smart in profile; 2 Walker's **Hedgefield Brucey Baby**, pleasing head with good eye and strong white teeth. Well ribbed but a fraction longer in loin than the winner. Typy and he too has a very good profile action. Decent harsh jacket.

**LD (3-1)** 1 Stevenson's **Brickin Pot Of Pickle**, beautifully balanced with a short, well ribbed body, excellent topline and tailset with plenty behind the tail. Good breadth of head, neat ears and good eye. Shown in a good coat that is a very harsh texture. Strong well angulated hindquarters enabled him to move soundly with plenty of drive; 2 Atkinson's **Charlie Blake at Moortop**, in no way disgrace by standing second to the winner. He too is a very good moving dog with a lovely character. Pleasing masculine head with dark keen eye. Well ribbed, sturdy body with good topline. Good jacket. Very pleasing for both type and quality.

**OD (3-1)** 1 Gullick & Van Stuivenberg's **Ch Arderry Penny Red to Jaeva**, good breath of skull, neat ears and good eye. Good neck which he uses to advantage, well laid shoulders and good bone. Short, well ribbed body with excellent topline and tailset. Moved really well with a smooth propulsive action, **CC**; 2 Horne's **Ch Marchdens Mark My Words**, grand head with keen dark eye. Good forehand with pleasing bone and thickly padded feet. Well ribbed but just a fraction longer cast than the winner. Excellent topline and tailset. Harsh, well presented jacket. **OB (5-1)** 1 Jenkins' **Ch Kinsridge Top Tip**, my best puppy when I judged the breed in 2014 and she has really fulfilled her early promise. Feminine yet with some substance, she has a lovely head and expression. She handles really well on the table as she is cobby and compact and beautifully put together. RDCC: **Watercroft Calling Time**

RBCC: **Belleville Ovation**  
BP: **Kinsridge Witty Banter**

My sincere thanks goes firstly the exhibitors. On what was a day of the worst of travelling conditions some of the entry managed to get to the NEC safely, I had visions of LKA of yesteryear. I live near to the venue but not even my scheduled transport were able to go a few hundred yards in my home town. I made the decision to somehow get to the train station and board the first available train at 9:10am out of Rugby to the NEC after letting the organisers know at 6.45am what I could achieve should I be unable to travel by car and very conscious of not letting anyone down. I managed to get to the breed ring approximately 9:40 knowing that judging was delayed by the organising committee. The halls were notably empty with many benches untouched. The true nature of true dog folk showed through with the few who managed to get into the halls with their charges. Even I wondered how I would get home but in the moment when we make these decisions the show must go on and indeed it did. My entry may have been decimated by the travelling conditions but the overall quality was still there in the dogs I had to go over.

**MPD (3-2) 1 Walker's Roxypark Spring Time**, 7 month old red of good size. Head could be more rounded which meant ears were a little high set and not always dropping close to the cheek. Eye shape was good but could be darker, head proportions were good, great bone, front construction could be better, layback of shoulder was ok. Good spring of rib, longer cast overall. Moved with vigour, tailset ok, good coat texture, enjoying his day out today with his owner.

**PD (5-2) 1 Jenkins' Kinsridge Witty Banter**, both 1 & 2 very similar in overall type. Great head & expression, typical of heads, great teeth and bite, good neck into well laid shoulders, good length of upper arm into straight front, tight feet. Wells sprung ribs into short loin, short backed into correct tailset carried well. Moved with reach & drive, good coat

texture, well presented and showed himself off very well. Pleased to award him the **CC**; 2 Gee's **Watercroft Calling Time**, very similar in overall type to one, carries a lot of the same attributes just not quite the same front construction of 1. Great coat texture, correct Norfolk head and bite, good eye, correct neck. Short backed, good boned and well presented. Moved with reach in drive just not quite as tight coming towards me. Pleased to award him the **RCC**; 3 Jenkins & McCourt's **Kinsridge Crackshot** TAF.

**JD (1) 1 Baumbach's Wederdena's Harry Beau**, red male of lovey size, head of good proportions but could be stronger. Neck ok as was his shoulder placement. Bone was good, good spring of ribs, good bone. Moved very happily for his owner enjoying his day out.

**PGD (2) 1 Baumbach's Wederdena's Harry Beau**; 2 Walker's **Hedgefield Brucey Baby**, rangier in overall type to 1, strong head and expression, good bone with strong teeth. Head ok but lacked stop with spoilt his expression. Needs a darker eye. Tailset good. Coat coming through could benefit from more drive from behind with some road walking this would improve.

**LD (4-3) 1 Brown's Dajejan Dotty's Digger**, strong head & expression, good eye shape & size with a good head & strong jaw, head could have a better bite. Strong bone, front could be better, good tailset but could be shorter in back. Coat ok for texture, moved well behind. Well behave for his owner both in the class and line up well all exhibitors proved themselves to be very sporting.

Short backed, loved her overall type, tailset good with good carriage. Great drive from behind will learn to use her front to its full potential with time but still so young and typically Norfolk in temperament. Presented & showed well.

**PB (1)** 1 Gee's **Watercroft Gold Dust**, 10 month old red, great type & size and overall shape. Great head expression and eye with correct bite, correct should but could do with a little more length in upper arm, short backed, good overall condition. Well presented with good coat texture, good drive from behind but not quite the reach in front, in good condition.

**JB (3-3)**

**PGB (3-3)**

**LB (2-1)** 1 Thompson-Morgan's **Belleville Ovation**, 2 year old bitch, prettiest of head & expressions, correct bite with correct dark eyes. Neatest of ears. Good neck into well laid shoulders though a little thick. Moved with reach & drive on side gait. However not as tight both fore & aft. Enough bone. Presented well, pleased to award her the **RCC**.

**OB (4-3)** 1 Gee's **Watercroft Pop Picker**, 2½ year old red bitch of great overall size shape & type. Excellent head & expression with a scissor bite. Strong jaw, good bone, correct neck into good shoulders balanced with the same angles to the rear. This coupled with a short back, well spring ribs & a short loin. Tailset good though carriage could be better to be critical. Overall panted a great picture of a Norfolk, moved presented & showed well for their owner. Pleased to award her the **CC & BOB**.
