**PD** (9-2) 1 Jenkins & McCourt's **Kinsridge Crackshot** TAF, a smart, alert showman who was strong willed and not the easiest to handle. Masculine head, nice eye, well set ears, decent front, legs and bone. Presented in coat of good texture. When settled on the move he made the very best of himself and looked very good in profile, pleased to award him **BD & BDP**; 2 Gee's **Watercroft Gold Coin**, another smart young man of good breed type and of a nice size. Good head and eye, well ribbed body, coat in good order. On the move not as easy out and back as the winner; 3 Gee's **Watercroft Calling Time**; Res Smith's **Javidel Despicable May**; VHC Newton's **Strathinver Star Of Fortune**.

**JD** (2) 1 Smith's **Javidel Despicable May**, this 6 mths little man was full of himself and showed so well, decent head, fair neck and shoulder, good legs and feet, on the move he was a touch wide coming towards but ok going away. Presented in good coat and condition; 2 Walshe's **Beritas The Name's Bond**, another typy boy but a touch longer cast than the winner, true front, correct bone, feet could be tighter, good rib, moved out well front and back.

**PGD** (3-1) 1 Jenkins & Beale's **Yarrow Venerie Christmas Cracknor** TAF, a dog with lovely carriage and style, a size larger, good topline, correct rib and body, a little unsettled on the move coming towards, coat of good texture that was presented in good condition. In profile he presented a nice outline; 2 Newton's **Strathinver Redgold**, 10 mths and of good breed type, a size smaller than the winner, good front, legs and feet, decent rib, needs lots of time to mature and more experience in the ring.

**OD** (3-1) 1 Philip's **Nordalset Made To Boogie**, this 2 yr old dog scored on the move being true out and back, balanced head, strong over the neck and shoulder, good bone for size, carried a good body and coat. Pleased to award him **RBD**; 2 Ward & Hamar's **Gordens Boy**, just coming back into coat but what he had was of good texture. Strong head,

well placed ears, decent topline, on the move he was a little stilted going away, retained a good outline in profile.

**PB** (10-3) 1 Gee's **Watercroft Gold Dust**, this little girl presented a lovely picture, super size, lovely head, well placed ears, decent over the neck and shoulder, good bone, legs and feet, good rib. Carried a good body and her coat was of good texture and presented in excellent order. She made the best of herself on the move out and back. All in all a quality puppy who eventually won **BB, BP & BOB**. Well done; 2 Darnell's **Jacquidon Rags To Riches**, another of good breed type, balanced head, true front, decent rib and body, coat presented in good order. On the move she was ok coming towards but a little unsettled going away, retained a nice outline in profile; 3 Newton's **Strathinver Miss Rosemary**; Res Haydon & Gibbings' **Villassa Jelliwobble at Earthtaw**; VHC Darnell's **Jacquidon Nip And Tuck**.

**JB** (6-2) 1 Gee's **Watercroft Pink Fizz**, this breeder certainly produces uniformity in size, yet another from this kennel of lovely type and size, nice head and eye, correct bone for size, coat of good texture, well ribbed compact body, a touch unsettled coming towards, good going away and correct outline in profile; 2 Darnell's **Jacquidon Rags To Riches**; 3 Walshe's **Beritas Bedevilled**; Res Darnell's **Jacquidon Nip And Tuck**.

**PGB** (4-1) 1 Harpham & Hulance's **Diggery Hashtag Selfie**, a typy bitch, well off for bone, good legs and feet, could be a little neater in elbow, expressive head, coat in good order, just a little unsure of herself at times but did enough to win this class; 2 Macartney's **Ivrig First Bit Of Joy**, this girl is a size larger than the winner, carried a good body, good topline, good legs and feet, not quite as compact as the winner, on the move she was true coming towards but a touch unsettled going away; 3 Philip's **Nordalset Chase The Storm**.

Good body and rib, was in full coat but this was of good texture. Retained her outline in profile, presenting a good picture. Pleased to award her **RBB**. Well done; 2 Gee's **Watercroft Top Totty**, 16 mths, well off for body and bone, nice head and eye, good pigment, on the move was ok coming towards but untidy going away, retained a good outline and made the best of herself.

Judging at Crufts is a great honour and taking on a favourite breed is a wonderful experience. Thank you so much to all the exhibitors that entered, it gave me a marvellous choice. I was also lucky to have Bill and Trish Gray as stewards, they are so helpful and efficient, as well as good humoured. Many thanks to them.

There is nothing robotic about Norfolk terriers in the show ring, their temperament shines through. Mouths have definitely improved over the years, with larger teeth and scissor bites. Tails remain very variable. The greatest challenge is movement. That said there are some lovely Norfolks out there displaying super type.

**VD (2-1)** 1 Simpson's **Umbrage Longton Cum Megalex**, a very fit young man of 9 years. He moved with a long stride and held himself well. Good head and well placed ears and dark eye. He has good substance, could be shorter coupled.

**PD (5)** 1 Stevenson's **Brickin Just A Pickle**, maturing well for his 10 months, he presented a well balanced outline. Strong head, broad skull, dark eye and good bite. He is well off for bone and substance and short in back, level topline and well set tail that he held well. Good coat in excellent trim. He moved well enough; 2 Smith's **Javidel Despicable May**, 2 months younger than the 1st and far less mature at the moment. Pleasing head with good expression and yet to develop. Excelled in neck and shoulder, with good layback. Short coupled and well set tail. Confident puppy and showed well. At the present time he is not really driving from behind; 3 McPhee's **Kinsridge No Problem**, wrongly named, he was more than a challenge for his handler. Such a shame, he oozes quality but decided to be a clown. I hope he settles as he has all the essentials and more; Res Atkinson's **Belleville Just Call Me at Manybrook**; VHC Walker's **Roxypark Spring Time**.

**JD (6-1)** 1 Gee's **Watcroft Calling Time**, excellent

type as were all the dogs that showed under me from this kennel. Very good head, dark eye and broad skull, good bite, all giving the correct expression. Good shoulder placement, short in back, level topline, well held tail. Well angulated behind. Happy show man, moved well; 2 Jenkins & McCourt's **Kinsridge Crackshot**, good for type and outline. Pleasing head, neat ears and good expression. Short coupled, level topline, in very good coat and condition. Would prefer more bone. Didn't make the most of himself on the move. Needs time and a willingness to cooperate; 3 Newton's **Strathinver Redgold**, only just out of puppy, he gave a little away in age and experience. Pleasant head, still maturing and rather long in muzzle. Generally well constructed and good balance. He decided on a circuitous route down the ring, rather than a straight line, which proved difficult for his owner; Res Money's **Kinsridge Christmas Cracka**; VHC Meldram's **Shersal Gold Charm**.

**PGD (10-1)** 1 Montgomery's **Lexinor Play The Ace**, quality b&t with a very good head and expression, dark eye and neat ears. Well balanced and constructed with good muscle. Very good tail, straight and well held. Steady mover; 2 Hurrion's **Villassa Jack Daniels**, very good in head and expression with neat ears, well held. Very good coat, well trimmed. Would prefer a little shorter in back and more body. Moved very well; 3 Gee's **Watcroft Gold Coin**, very attractive dog, in excellent coat and condition. He caught my eye when he came into the ring and I thought he might be my winner in the class. However something happened whilst he was in the ring and he was unable to move soundly; Res Wolleson's **Watcroft Pop Idol**; VHC Ward's **Gordens Boy**.

**LD (9)** 1 Jenkins' **Kinsridge Witty Banter**, eye catching dog, masculine and most assertive mover of the day. Super head with neat ears, broad skull, strong muzzle and excellent bite. Super coat in excellent trim. Good bone and substance, short back, well muscled hindquarters. Moved with stretch and

drive and carried himself so proudly. He performed better each time he reappeared in the ring. A dog with a future. **CC, BOB**; 2 Hurrion & Standen's **Villassa Jack Be Quick**, another free moving dog in excellent condition, with plenty of muscle. Good reach of neck and well placed shoulder. Good tail and tail set. Strong hindquarters. Again he has stretch and drive; 3 Atkinson's **Charlie Blake at Moortop**, masculine dog with good head and strong body. Very good tail and carriage. Beautiful coat in perfect order and of great texture. Heavier in front than the first 2; Res Hess & Higgins' **Umbrage Copacabana**; VHC Darnell's **Jacquidon Tough As A Nut**.

**OD (6-1)** 1 Stevenson's **Brickin Pot Of Pickle**, well constructed boy, shown in excellent coat and trim. Broad skull, dark eye and well placed ears. Strong neck into good layback of shoulder. Deep body, short back and well muscled hindquarters. Moved soundly but not quite the sparkle. **RCC**; 2 Wolleson's **Ger/Dk Ch Marshmallows Schoko Drops**, such an attractive black and tan with a super coat and colour. Liked his balance and construction, good neck and shoulder and short in back. Excellent head and expression, broad skull, neat ears, strong muzzle and dark eye. Moved well; 3 Horne's **Ch Marchdens Mark My Words**, well constructed masculine dog carry a little too much weight. Would like a better set tail. He moved and showed well; Res Gullick & Van Stuivenberg's **Ch Arderry Penny Red to Jaeva**; VHC Van Stuivenberg's **Cro Ch Jaeva Bit O'Bover**.

**GCD (1)** 1 Brown's **Dajejan Dotty's Digger**, impeccably behaved boy, who was so responsive to his handler. Pleasing head and expression, good body and condition. Fluid, strong mover.

**VB (2-1)** 1 Hurrion's **Ch Valentines Cherry Crumble**, if all Norfolks could grow older like this one, then the breed would be in excellent shape. 10 years old and moved round the ring with ease. Good head and well constructed, good coat texture and well muscled. **BV**.

**PB (9)** 1 Darnell's **Jacquidon Rags To Riches**, super cobby puppy with a lot of charm, so typically Norfolk. Broad head, well held ears, strong muzzle. Well balanced with good reach of neck and good body. Well angulated hindquarters, well let down hocks. Moved well. **BP**; 2 Jenkins' **Kinsridge Tip**

**The Wink**, all the essentials but finer and less ready than 1. Liked her head and expression, very feminine. Well angulated fore and aft. Moved well; 3 Thompson-Morgan's **Villassa Jelligello**, strong puppy, Pleasing head and generally well constructed. Plainer in type at the moment; Res Hurrion's **Villassa Cherry Stars**; VHC Newton's **Strathinver Miss Rosemary**.

**JB (6)** 1 Gee's **Watercroft Pink Fizz**, Such an attractive young lady. Well constructed, with good head and expression and neat ears. Well laid back in shoulder and short coupled. Well muscled and showed this well on the move. Just right for size. Good jacket but still showing signs of puppy coat. She can only improve with age. **RCC**; 2 Phillips' **Blakens Look No Further**, beautiful head on this bitch with dark eye and excellent expression. Generally well constructed, with good bone and substance. Not as well balanced as 1; 3 Skrobiszewska's **You Look At Me Vertragus**, she moved well and responded well to her handler, however her head is not her fortune, being long in the muzzle and lacking stop. Also lacks bone; Res Ward's **Rafthouse Bombay Sapphire**; VHC Bebb-Evans' **Namlak Cinnamon**.

**PGB (14-7)** 1 Gee's **Watercroft Top Totty**, another from this kennel that is lovely Norfolk type. Broad head, good stop, strong muzzle with excellent expression, neat ears. Muscular neck running into well laid shoulders and short in back. Well angulated hindquarters. Moved well; 2 Devereux's **Vichea Indian Summer**, very strong girl, with excellent muscle and hard condition. Feels like she could work all day. Variable in enthusiasm when moving; 3 Macartney's **Ivrig First Bit Of Joy**, pleasing head with broad skull and good expression. Short back and deep chest. Moved happily and soundly. Well schooled; Res Foubister's **Kinsridge Gun Chaser**; VHC Graves' **Nicnips Indulgence**.

**LB (6)** 1. Phillips' **Marchdens Look To The Sky for Blakens**, caught my eye on entering the ring, just loved her make and shape. Very well balanced, with the right amount of bone and substance. Excellent head, broad in skull, good stop and wide muzzle, dark eye, creating the right expression. Good lay back of shoulder with good reach of neck. Excellent coat and condition, lovely black and tan. She oozes quality. Moved well but felt she was outmoved by the male in the final challenge. **BCC**; 2 Hurrion's **Villassa Country Belle**, a very sound girl on the

move, in great condition. Plainer in type than 1 and more workmanlike. However everything in the right place; 3 Atkinsons's **Moortop Clear Choice**, sparkled with enthusiasm throughout the class. Loved her expression and bright eyes. She moved freely and behaved like she had a brain, complying with her handler but at the same time showing personality; Res Gee's **Watercroft Gold Dust**; VHC Darnell's **Jacquidon No Hesitation**.

**OB (4)** 1 Thompson-Morgan's **Belleville Ovation**, feminine bitch with pretty head and general elegance about her. Perhaps could do with a touch more bone and probably needs to go on maturing. Won this class on movement; 2 Van Stuivenberg's **NL/Cro/Dan Ch Jaeva Ace Is High**, plenty of enthusiasm about this bitch. Shown in hard condition, with plenty of muscle. Pleasing head and expression, good layback of shoulder, short coupled and well angulated. Moved with real drive from behind but slightly wide in front; 3 Hurrion's **Villassa Cherry Tart**, another in excellent coat and condition. Moved well. Again plainer in type; Res Graham, Sutton & Gullick's **Am Ch Orison Midnight Dreamer at Jaeva**.

**GCB (2-1)** 1 Macartney's **Nordalset Little Bit Of Sun for Ivrig**; 2 Bebb-Evans' **Namlak Cinnamon**, strongly boned and happy mover, Out of coat at the present time.

Thank you to the committee for nominating me and the members for voting me to judge this show today, massive thank you to my Stewards who were so helpful with the paperwork and to all of the exhibitors, and thank you to the exhibitors who bought their dogs for me to go over. My day was only marred by the posting of unpleasant comments about the day (and my judging) on Facebook by an exhibitor who thought they should have won!

these two excellent dogs today but one just put that bit more in on the move today. I am sur they will change places many times.

## MPD (0)

**OD (1)** 1 Hurriion's **Villassa Jack Daniels**, 21 month old red dog, put down beautifully, with neat head and good bite and strong neck. Short of coat and needs more weight which made him look long and needs ribs to spring to complete picture. Well muscled and with driving movement.

**PD (2-1)** 1 Stevenson's **Brickin Just A Pickle**, 10 month old, red dog, and what a cracking chap he is. With a dark eye and beautiful broad skull, correct bite with big teeth. Excellent coat. Level topline, moved so true fore and aft, he covered the ground with ease. In the challenge he never stopped showing, **BD, BOS, BPIS**.

## VD (0)

**JD (3-1)** 1 Newton's **Strathinver Redgold**, red dog just out of puppy, great expression with dark eye and neat ears, good bite. Good substance and bone, he needs a new coat and more weight; 2 Lloyd's **Orison Ice Tee**, 15 month red dog, presented in very short coat today but of a very good texture, hard and wiry. Good bite, and well placed ears. Needs time to mature and more coat. Very good tail, straight and well held. Steady mover.

**MPB (4-1)** Three really lovely puppies to go over. 1 Darnells' **Jacquidon Rags To Riches**, what a lovely smart 8 month old red bitch. Beautifully put down in a hard wiry coat, with a short back and level topline, with strong neck of medium length, excellent bite. She moved around the ring like a little pro. Really liked her and a shame to meet the puppy dog on this toes today, BPB; 2 Thompson-Morgan's **Belleville Back To Black**, 6 month b&t bitch at her first show. I have a particular soft spot for a black and tan, and this girl certainly did not disappoint, excellent bite, with a superb expression and bright dark eyes. Short backed, had moments of good movement but allowed as how she was enjoying her fist show; 3 Phillips' **Jaeva Whoops A Daisy**, just had to put a note on this 8 month red bitch s she just never stopped and I don't think at any point she had all 4 feet on the ground, gave her handler a hard time, so full of herself.

**YD (2-1)** 1 Newton's **Strathinver Redgold**.

## PGD (0)

**LD (2)** 1 Atkinson's **Charlie Blake at Moortop**, I have judged this dog before and he still pleases me when going over him. A super harsh coat and good masculine head. Strong neck, well sprung ribs, level topline, the most upright tail, **RBD**; 2 Gee's **Watercroft Calling Time**, another lovely dog to go over with the biggest of teeth and excellent bite, with an expression to die for. Splitting hairs between

**PB (7-3)** Another lovely class of puppies which bodes well for the future of the breed.

1 Thompson-Morgan's **Belleville In The Black**, another 6 month old b&t, litter sister to 2<sup>nd</sup> in MPB Now she really did catch my eye. Lovely to go over, construction without any flaws, excellent bite, moved with charm, type & greatness, attractive & high quality; 2 Hurriion's **Villassa Cherry Stars**, red

9 month bitch, broad skull, with neat ears, good bite, held level topline but moved a touch wide in front. Excellent coat; 3 Darnell's **Jacquidon Nip and Tuck**; Res Brittain's **Lexinor Rising Star**.

**JB (4-3)** 1 Gee's **Watercroft Gold Dust**, wow what a super young bitch, lovely for type, feminine in head, neat ears, with a superb expression and darkest of eyes, strong medium neck. Short back, firm topline which she held level on the move, very good ribs, wellmade rear with well let down hock, true moving with lengthy stride. Loved her outline and showmanship. Coat in excellent order, this bitch could not be touched for her outstanding quality today, **BB & BIS**.

**YB (3-2)** 1 Thompson-Morgan's **Villassa Jellijello**, just over 12 months red bitch, another put down in lovely condition and coat. Very sound bitch, keeping a good topline on the move, movement true fore and aft, a real happy showgirl. Good bite and wedge muzzle, to be critical would like her head to develop more.

**PGB (2-1)** 1 Macartney's **Ivrig First Bit Of Joy**, 2 year old red bitch, great bite, head and expression, touch round in eye. Good to go over and plenty of bone, in lovely coat but needing more furnishings to complete the picture.

**LB (4-1)** 1 Gee's **Watercroft Top Totty**, another lovely 16 month old red bitch from this kennel, in excellent coat, so full of herself. Compact and short backed with well sprung ribs, great bite and neat ears. Drove around the ring; 2 Atkinson's Moortop Clear Choice, older red bitch in hard wiry excellent coat. Great bite and neat ears, full of herself going around the ring which made her look wide in front. Excellent tail set; 3 Darnell's **Jacquidon No Hesitation**.

**OB (2)** 1 Thompson-Morgan's **Belleville Ovation**, I have watched this bitch from the ring side and she did not disappoint me today. Beautiful expression with neat ears (which had moments of flying!), big teeth with excellent bite. Moved straight forward from well placed shoulders into short back. Great turn of stifle and moved well. She just seemed to lack interest in the challenge but could not be denied **RBB** and **RBIS**; 2 Lloyd's **Orison Midnight Stroll**.

**VB (1)** 1 Hurrion's **Ch Valentines Cherry Crumble**, I have previously judged this 10 year old red bitch

and she still loves her days out in the ring. A real grand old lady. Coat and furnishings becoming soft and the roll across her shoulders are starting to show more in her old age. Her handler does not need to power around the ring so much with her as it distract the eye away, I am sure this old lady would happily go around the ring without a handler, **BVIS**.

I would like to take this opportunity to thank the committee of the National Terrier Club, my two wonderful stewards and the exhibitors for the quality entry. It was such a pleasure to go over such high quality Norfolks. It was great to see that mouths have improved since my last judging appointment but I was surprised to see so many tails curling over on backs in an almost spitz style. I also feel ears are getting larger changing the Norfolks typical expression.

**SBD/B (1) 1 Brackner's Watercroft Shotgun Wedding**, very pretty bitch with lovely head and expression. Moved well when settled.

**MPD (1) 1 Gee's Watercroft Brown Sugar**, looking very immature at just 6 months old but with many good qualities and showing well on his own in the ring today.

**PD (3) 1 Stevenson's Brickin Just A Pickle**, handsome young man in good coat and condition. Lovely head with dark eye and good bite. Moving well front and back, BDP, **BPIB**; 2 Smith's **Javidel Despicable May**, happy showman with good head and eyes. Not moving as well as my winner today; 3 Walker's **Roxypark Spring Time**.

**JD (2) 1 Gee's Watercroft Calling Time**, excellent head with dark eye. Good spring of rib and short loin. Well angulated quarters. Moved well when settled. In lovely coat; 2 McPhee's **Kinsridge No Problem at Foxhouse**, great head and expression with nice ears, dark eye and good bite. Shown in very tight jacket so lacking in furnishings today. Not moving as soundly as my winner.

**ND (1) Walker's Hedgefield Brucey Baby**, very steady gentleman showing well. Would have liked more angulation.

**PGD (2) 1 Hurrion's Villassa Jack Daniels**, in

lovely coat and trim. Good front and lay of shoulder. Moving soundly both ways with plenty of drive; 2 Walshe's **Beritas The Name's Bond**, nice masculine head, not the front or drive of 1st.

**LD (4) 1 Jenkins' Kinsridge Witty Banter**, smart male in lovely coat. Great head and expression with dark eye, neat ears and good bite. Well bodied and short backed. A very showy mover; 2 Darnell's **Jacquidon Tough As A Nut**, another lovely dog with lots to like. Moving and showing well; 3 Sumowski's **Dron Zamlicze**; Res Meldram's **Shersal Gold Charm**.

**OD (5) 1 Stevenson's Ch Brickin Pot Of Pickle**, well made, masculine, typical Norfolk. His quality shone through for me today. Strong head with neat ears, dark eye and correct bite. Well angulated front and back, good spring on rib, correct amount of bone and substance. In lovely coat and moving soundly front and back with good reach and drive. **CC & BOB**; 2 Horne's **Ch Marchdens Mark My Words**, Another quality male who pushed my winner to the last. Presented beautifully. **RDCC**; 3 Atkinson's **Charlie Blake at Moortop**; Res Hurrion & Standen's **Villassa Jack Be Quick**; VHC Sumowski's **Dyrektoer Zamlicze**.

**MPB (5-1)** This was a lovely class of very promising Norfolks. I am sure they will swap places many times in the future as they grow and mature.

1 Thompson-Morgan's **Belleville Back To Black**, adorable compact b&t 7 month old. Pretty head and expression. Well made quarters she used well in between her playful puppy bouncing; 2 Gee's **Watercroft Treacle Pudding**, another quality puppy full of character. Just 6 months old. Moved soundly when settled; 3 Jenkins' **Kinsridge Chitchat**; Res Phillips' **Blakens Party Planner**.

**PB (3) 1 Darnell's Jacquidon Rags To Riches**,

appealing head and expression with correct ears and dark eye. Best mover in the class; 2 Phillips' **Jaeva Whoops A Daisy**, shown in good coat and trim. Lovely head with well set ears and dark eye. Not always showing herself off to advantage today; 3 Hurrion's **Villassa Cherry Stars**.

**JB (6)** 1 Gee's **Watercroft Pick Fizz**, pretty and typy bitch with great substance. Presented in excellent coat and trim. Lovely head and expression with good bite. Well made quarters, good spring of rib and short loin. A happy shower who moved soundly both ways. **RBCC**; 2 Phillips' **Blakens Look No Further**, another lovely bitch with correct coat and attractive expression. Not moving as well as my winner today; 3 Brackner's **Brupurhat Wedding Crasher**; Res Darnell's **Jacquidon Nip And Tuck**; VHC Hurrion & Osborne-Brown's **Villassa Jellitots**.

**NB (3-1)** 1 Thompson-Morgan's **Villassa Jelligello**, extremely pretty expression, with correct ears and dark eye. Well laid shoulder and correct angulation. Moving soundly front and back; 2 Jenkins's **Kinsridge Tip The Wink**, very appealing head and expression with small dark eye and good bite. Not moving as positively as 1st today.

**PGB (4-2)** 1 Walshe's **Beritas Bedevilled**, nicely presented bitch with well proportioned head and good bite. Moving well with drive; 2 Saltmarsh's **Pipridges Holly**, pleasing head and expression, good bone and spring of rib. In good coat. Not moving out as well as 1st today.

**LB (5)** 1 Phillips' **Marchdens Look To The Sky for Blakens**, beautiful b&t bitch shown in gorgeous coat and condition. Strong yet feminine head with dark eye, correct ears and good bite. Well made throughout with good angulation. Correct amount of bone, good spring of rib and short loin. Well balanced making a lovely picture when both stood and on the move. **BCC**; 2 Gee's **Watercroft Gold Dust**, another quality Norfolk from this Kennel. Lots to like being well made throughout and shown in great coat and trim. She lost out today on her unsettledness on the move; 3 Darnell's **Jacquidon No Hesitation**; Res Atkinson's **Moortop Clear Choice**; VHC Meldram's **Purland Charmer at Shersal**.

**OB (4)** 1 Thompson-Morgan's **Belleville Ovation**, my clear winner in this class. Lovely head and expression with dark eye and correct ears. Good length of neck into well laid shoulders. Correct

angulated, moving well front and back; 2 Green's **Wharfvalley Persuasion**, pretty bitch with good bone and substance. Nice head and expression with dark eye and correct ears. Moved well but could do with going a little faster; 3 Hurrion's **Villassa Cherry Tart**; Res Macartney's **Ivrig First Bit Of Joy**.

**MPB (2)** 1 Thompson-Morgan's **Belleville Back To Black**, 8mths old and very promising, ear placement good, eyes dark, scissor bite, shoulder placement good, level back, good turn of stifle, moved well. **BPIS**; 2 Gee's **Watercroft Treacle Pudding**.

7mths old, has similar qualities as the first and could change places on another day, lost out today because of playfulness.

**PB (5-2)** 1 Darnell's **Jacquidon Rags To Riches**, good head with correct ear placement, dark eye, scissor bite with lovely large teeth, good lay back of shoulder, level back, good turn of stifle, moved well; 2 Phillips' **Blakens Party Planner**, another promising puppy with good head lost out to one on hind movement on the day; 3 Hurrion's **Villassa Cherry Stars**.

**JB (4-1)** 1 Gee's **Watercroft Pink Fizz**, broad head with well placed ears, dark eyes, correct stop, scissor bite, well laid back shoulders, level topline, good turn of stifle, moved well both fore and aft in this class but not so good in the challenge for top bitch honour; 2 Thompson-Morgan's **Villassa Jelligello**, much the same qualities as one but on the day one moved better; 3 Darnell's **Jacquidon Nip And Tuck**.

**YB (0)**

**SBB (1)** 1 Quinney's **Jaeva Lady Be**, bitch was nervy and didn't give of her best, general outline of head ok, dark eyes, level back. Movement affeted by nerves and presentation needs attention.

**NB (1-1)**

**UGB (3)** 1 Thompson-Morgan's **Belleville In The Black**, good strong bitch, ears well placement, dark eyes, correct stop, scissor bite, well laid shoulders. Level topline, good turn of stifle, moved with drive; 2 Woolnough's **Northwool Romance To Libby**, ear placement correct, dark eyes, scissor bite, good shoulder placement, level back, movement got this placement over third; 3 Gardener's **Northwool Jenni And Romance at Danalas**.

**A 6-11 Years (0)** 1 **Matilda Dingle**, age 6, I believe this was six year old Matilda Dingle's first time at a Show showing her dog. She handled the bitch in a very mature manner and was faultless in doing all that was asked of her. If she wants to continue doing this on a regular basis then she will need to go to training classes where she can learn all the different movements that she could be asked to do – a triangle and straight up and down is only the beginning, other shapes are asked for as are the forming of letters from the alphabet. I wish her all the best. **BJH**

**PD (1)** 1 Stevenson's **Brickin Just A Pickle**, a good start to the day with this rather promising youngster. I really liked his head quality, certainly doggy, beautiful eyes and expression, sufficient stop and well weighted muzzle. He owns a good neck and carries it so well which adds to his appeal. Well ribbed, firm in backline and so well muscled in hindquarters. In excellent jacket and he showed his head off. Just a bit bouncy in front action at present but in profile he shows good ground cover and hock use, **BP**.

**JD (4)** 1 Gee's **Watercroft Calling Time**, I felt the quality of his head and expression edged him the red card. Just enough neck, but he is well ribbed and well boned with good feet. Short in loin and shown in good coat. Side on he covers the ground briskly but toes in a bit when fore viewed; 2 McPhee's **Kinsridge No Problem at Foxhouse**, so well constructed with big ribs, little loin and so compact in overall shape. He possesses such a good neck which adds to his appeal. Not quite the eye and expression of the winner and he gave his handler a hard time on the move, playing up when coming towards me. But clearly a character; 3 Lloyd's **Orison Ice Tee**; Res Davies' **Lagdenfarm Fidget Pie**.

**YD (1)** My stewards were Liz Holmes and her husband of Navarre Miniature poodle fame and post judging Liz said I would be interested in a certain affix and this was it!! Those in a certain age group will recall the fabulous Miniature Poodles of the late great Rita Gee whose Affix was Beritas which is now owned by her niece, hence the Beritas name survives!  
1 Walshe's **Beritas The Name's Bond**, very nice type good skull, with lovely eyes but I would like a more weight in muzzle. Beautiful bite and teeth, enough neck, ribs have enough spring, loin a tad long exaggerated by his being between coats. Impressive profile action but another which is a shade wide when fore viewed.

**PGD (0)**

**LD (2-1)** 1 Jenkins' **Kinsridge Witty Banter**, another stunning example of the breed from this very clever breeder. I thought him outstanding in today's entry, loved everything about him, gorgeous headpiece, eyes and expression, strong neck, so compact in body spirit level backline, good tail and easily the most accomplished mover of the day. His jacket is so harsh and dense and it finished off a beautiful picture of what a classy Norfolk can look like. Delighted to send him through to the Group and believe I am right in saying that this was his 3rd CC, as I'm told he won his 2nd CC & BOB at Crufts this year. Well done! **CC & BOB**.

**OD (3)** 1 Horne's **Ch Marchdens Mark My Words**, such a typy all male charmer this chap is. So shapely, compact, well ribbed body, lovely weighted bone and good feet. His head is a delight and the expression almost wilfully mischievous from those beautiful eyes. Spotless in presentation he is so very sound and is ultra positive as he circles the ring with that air of bravado. A good class to win, **RCC**; 2 Stevenson's **Ch Brickin Pot of Pickle**, unsurprised to read that he is a titleholder. He has that air of being something special, excellent size and proportions, strong neck, so well ribbed, straight fore limbs and well set tail. Shown in full coat and he moves out with a balanced stride. I thought his head handled so well but I just edged the winner to the red card on his slightly more expressive eye; 3 Hurrion & Standen's **Villassa Jack Be Quick**.

**SBD (1)** 1 Davies' **Lagdenfarm Fidget Pie**, delightful temperament on this very happy fellow. Pleasing head, well defined stop, skull could be a tad wider for a male but he has nice eyes. Well spring ribs, good backline and well muscles. A trifle too wide in front when moving.

**SBB (5-3)** 1 Haydon & Gibbings' **Villassa Jelliwobble at Earthtaw**, such a poppet. Ultra feminine and pretty in expression. Ample neck, level backed, well set tail and a tight, dense fitting coat. A credit in

condition and she moved out so soundly; 2 Owens' **Brickin Happy Dance**, this dark red was not putting all in on the move and lacked the light joi de vivre attitude of the winner. Better skull, well defined stop and such good ears. Held her backline well when moving and she was in good coat.

**PB** (8-3) 1 Jenkins' **Kinsridge Chitchat**, I really like this red charmer and in this class she was full of self importance, outgoing, light footed and showing her head off. She is a delight to go over, beautiful headpiece, correct eyes and ample weight in muzzle. Shapely, well coated and sound as a pound when moving. Then in the BP challenge she just went to pieces, tail down and that "take me home" look so the lovely young male won the award; 2 Darnell's **Jacquidon Rags To Riches**, another really lovely youngster and I am sure she too will have a bright future. She is so similar in make and shape to the winner, beautifully proportioned length/height outline, excellent neck and backline, really good bend of stifle and firm, straight hocks. Flawless in coat and she matched the winner stride for stride as they circled the ring; 3 Thompson-Morgan's **Belleville Back To Black**; Res Phillips' **Blakens Party Planner**; VHC Hurrion's **Villassa Cherry Star**.

**JB** (7-1) Almost dead heat time separating these two very smart bitches. I liked their make and shape, excellent ribbing with short loins, good rear angles with well bent stifles and straight hocks. Both moved out with a degree of gusto showing good forward reach and powerful hock use. Both have well balanced head with a degree of stop and well placed ears. I split them only on the fact that for me the winner has the more almond shaped eye, but I'm sure they will swap places often. 1 Gee's **Watercroft Gold Dust**; 2 Phillips' **Blakens Look No Further**; 3 Darnell's **Jacquidon Nip and Tuck**; Res Haydon & Gibbings' **Villassa Jelliwobble at Earthtaw**; VHC MacBean's **Pryorvale Bow Belle**.

**YB** (5-1) 1 Gee's **Watercroft Pink Fizz**, one of those which just walks in and there is an instant attraction. So bitchy in every sense of the word, heavy coated red with a beautiful headpiece, well placed and carried ears, such good expressive eyes and she has a really good neck which she holds well and adds to her appeal. Nicely ribbed, fairly compact, well muscled hindquarters and side on she can motor, **RCC**; 2 Thompson-Morgan's **Villassa Jelligello**, disadvantaged here as she is between

coats. I liked her skull, eyes and ears with a degree of stop. For me she needs to develop more width in foreface to complete the head picture. Not so forward in body as Fizz but as she went around the ring she showed good forward reach and held her topline so well; 3 Walshe's **Beritas Bedevilled**; Res Foubister's **Kinsridge Gun Chaser**.

**PGB** (5-4) 1 Owen's **Brickin Happy Dance**, at that raw, unfinished stage of development. Pleasing head, very dark and expressive eyes, sufficient neck with a good spring of rib. Forelegs could be straighter and she was not in her best coat. Side on she is balanced and holds her shape.

**LB** (2-1) 1 Glynn's **Kenberlynn Angels Wings**, this bitch was out of coat and it only served to confirm that she is overweight and needs to be slimmed down if she is continued to be shown. Her head handles well, very good eye shape and colour, slightly rounded skull and a well defined stop. She is delightful in temperament and seemed to be thoroughly enjoying her time in the ring.

**OB** (3) 1 Phillips' **Marchdens Look To The Sky for Blakens**, delightful b&t and I was more than happy to have her as my **BCC** winner. Ticks all the right boxes, correct size, well boned, so firm in body, well muscled rear end, good arched and strong neck holding a charming head which has a decent width in skull, lovely muzzle weight, lovely ears and such a good bright expression. Immaculate in coat and she never put a foot wrong on the move; 2 Thompson-Morgan's **Belleville Ovation**, I felt this red was a bit unfinished in body when compared to those I put over her and was not quite in here best coat. So stylish in outline and body construction, good neck, well set tail and ultra sound on the move. A clean one piece wedge head with ample stop and good eyes for size, colour and expression; 3 Hurrion's **Villassa Cherry Tart**.

It was a great pleasure to be asked to judge at The Birmingham Dog Show which is most likely to be the last time I judge. I do feel that older breed judges should be given grandfather rights as we may only be asked to judge on alternate years. I have had Norfolks around me for 76 years having had one tied to my pram. Over the years many breeders have allowed me to go over their dogs this has given me great pleasure and I am grateful for the privilege. On Friday I was ably assisted by two excellent stewards who I wish to thank.

**MPD** (2) 1 Thompson-Morgan's **Belleville Major Key**, up to correct size, of good construction, good mouth and moved well; 2 Atkinson's **Moortop My Mark Again**, first time out, good mouth, good quality coat, not used to moving, good tail carriage.

**PD** (3) 1 Stevenson's **Brickin Just A Pickle**, up to size, nice head, good ear carriage, good tail carriage my **BP**; 2 Jenkins' **Kinsridge Status Quo**, good quality coat, moving well, head not as good as 1; 3 Smith's **Javidel Despicable May**.

**JD** (5-1) 1 McPhee's **Kinsridge No Problem at Foxhouse**, up to size, good quality red coat, nice ear carriage, good rear movement; 2 Gee's **Watercroft Calling Time**, close coupled, coat out of condition, too small for me; 3 Walker's **Roxypark Spring Time**; Res Lloyd's **Orison Ice Tee**.

**PGD** (1) 1 Walker's **Hedgefield Brucey Baby**, long in the body, ear carriage could be better, a good day out.

**LD** (3) 1 Atkinson's **Charlie Blake at Moortop**, up to size, coat in good condition, good bone, moving well, good tail carriage; 2 Jenkins' **Kinsridge Witty Banter**, head not as strong as 1, tail carriage could be better, moved well; 3 Walshe's **Beritas The Name's Bond**.

**OD** (2) 1 Horne's **Ch Marchdens Mark My Words**, lovely head, good eye, moves very well, my

dog **CC** winner and **BOB**; 2 Stevenson's **Ch Brickin Pot Of Pickle**, return movement could be better, **RCC**

**VD** (0)

**MPB** (2) 1 Thompson-Morgan's **Belleville Back To Black**, b&t, nice size, moving well; 2 Gee's **Watercroft Treacle Pudding**, small in size, nice short coat, hopefully will mature more.

**PB** (4-1) 1 Jenkins' **Kinsridge Chitchat**, good quality red coat, nicely coupled, moved out well; 2 Phillips' **Blakens Party Planner**, longer in the back, good eye, not so well behaved today; 3 Darnell's **Jacquidon Rags To Riches**.

**JB** (4-1) 1 Phillips' **Blakens Look No Further**, up to size, nice tail set, red coat, moving well; 2 Gee's **Watercroft Pink Fizz**, smaller, more compact, tail set not as good, moving well; 3 Darnell's **Jacquidon Nip And Tuck**.

**PGB** (2-1) 1 Walshe's **Beritas Bedevilled**, nice looking bitch, good top line, not moving as I would like.

**LB** (4-1) 1 Gee's **Watercroft Gold Dust**, nicely coupled bitch, red coat in good order, nice head, could have more size about her, moving well my bitch **CC** winner; 2 Green's **Wharvalley Persuasion**, good quality coat, up to size, not moving as well as 1, nice to see this kennel out again; 3 Darnell's **Jacquidon No Hesitation**.

**OB** (3-1) 1 Thompson-Morgan's **Belleville Ovation**, good red coat, nice tail set, good quality head, moving well, **RCC**; 2 Phillips' **Ch Marchdens Look To The Sky for Blakens**, black and tan, nicely put together, not moving as well today.

**PD (4-2)** 1 Smith's **Javidel Despicable May**, forward boy for his age and looked particularly good in profile both standing and moving. Super temperament. Promising; 2 Atkinson's **Moortop My Mark Again**, at just 6 months is only a baby so giving a lot away in age and maturity. Good type and a decent head.

**JD (1)** 1 Gee's **Watcroft Calling Time**, one with a good outline. Head developing well. Well presented.

**PGD (1)** 1 Meldram's **Shersal Gold Charm**, super temperament. Short of coat today which detracted. Nice tail carriage.

**LD (2)** 1 Jenkins' **Ch Witty Banter**, what a lovely youngster. Caught my eye immediately with his lovely proportions, super presentation and great ring presence. On closer examination I loved his head and ears and his top line was excellent. In super hard condition. He possesses a lovely short body and yet he still manages to cover plenty of ground both standing and moving as he is correctly angulated, **CC & BOB** and went on to place 4<sup>th</sup> in a strong group. Very much on form; 2 Atkinson's **Charlie Blake at Moortop**, heavier sort. Good coat, good condition, masculine head. Tail a touch low set.

**OD (1)** 1 Hurrion & Standen's **Villassa Jack Be Quick**, caught my eye today as he was nice and short, moved well up and back and had a good profile. Lovely temperament. Good head proportions, good coat and well handled, **RCC**.

**PB (4)** Four promising youngsters in this class. 1 Jenkins' **Kinsridge Chitchat**, lovely type, very feminine, super head, good outline, lovely tail and carriage, delightful temperament and a good mover, **BP**; 2 Thompson-Morgan's **Belleville Back To Black**, close up to winner, I liked her construction and movement and lovely profile movement. Just about to change her coat and will be one to watch with

maturity; 3 Phillips' **Blakens Party Planner**; Res Hurrion's **Villassa Cherry Stars**.

**JB (3)** 1 Gee's **Watcroft Pink Fizz**, good type, well presented, great temperament, lovely bite and assertive on the move; 2 Thompson-Morgan's **Villassa Jelligello**, nice cobby bitch, head still needs to develop, super outline on the move, carrying a bit too much weight; 3 Phillips' **Blakens Look No Further**.

**PGB (0)**

**LB (2)** 1 Gee's **Watcroft Gold Dust**, this one was bang on form today. Super outline, great temperament, in great coat and condition and ticked all the boxes. Lovely head. Won the **CC** and made a nice pair with the dog in the **BOB** competition; 2 Meldram's **Purland Charmer at Shersal**, a very workmanlike sort with honourable scars to prove it. Lacking furnishings but bags of attitude and jacket of good texture.

**OB (3)** 1 Thompson-Morgan's **Belleville Ovation**, bags of animation and really well presented. Lovely head, good outline and covered the ground well, **RCC**; 2 Phillips' **Ch Marchdens Look To The Sky for Blakens**, beautiful type, lovely proportions and outline and a cracking head. Rear movement let her down today.

I firstly would like to thank Bath Canine Society for inviting me to judge at one of my favorite shows and for making me feel so welcome, my two efficient Stewards and the exhibitors for your lovely entry of quality Norfolks.

**PD (1)** 1 Harpham & Hulance's **Diggery Golden Ratio** NAF, 8mth old quality puppy full of breed type has a good broad head neat ears and strong muzzle, lovely bone and compact feet, strong neck short back with well sprung ribs in excellent coat and presentation, moved well particularly behind when settled, **BP**.

**JD (3-1)** 1 Stevenson's **Brickin Just A Pickle**, handsome male with a good eye well placed ears and strong muzzle, excellent bite. Good length of neck flowing into well placed shoulders strong level topline, well muscled behind moved well with purpose, just hanging onto his coat, **RBD**; 2 Walker's **Roxypark Spring Time**, preferred the head of 1, this young man needs to settle his ears which when excited he tends to lift, just enough width of skull but not enough stop, good bite, nice bone for his size longer cast than the winner, handler needs to move a little more positive, happy dog in good coat.

**PGD (2)** 1 Montgomery's **Lexinor Play The Ace**, caught my eye the moment he entered the ring, smart typy Black and Tan with an excellent head good dark eye and excellent bite strong muzzle good in neck and shoulder short back with good spring of rib, excellent tail and carriage, moved well, at one with his handler. **BD, BOB**; 2 Walker's **Hedgefield Brucey Baby**, decent head and excellent bite, dark eye, uses his ears to advantage. Good in neck and shoulder, longer cast than winner in good jacket, straight tail, moved positively, well handled.

**LD (2-2)**

**OD (1-1)**

**SBD/B (2)** It was a shame there was some misunderstanding regarding the Special Beginner Group.

1 Macartney's **Ivrig First Bit of Joy**, strong well made bitch with a good head nicely placed neat ears, dark expressive eye, good in neck and shoulder, held her topline on the move, well muscled behind, moved with purpose, well handled; 2 Foubister's **Kinsridge Gun Chaser**, smaller neat bitch well placed ears, dark eye, big teeth with an excellent bite. Good length of neck lovely short back moving a little rushed today, handler needs to relax and the bitch will go better.

**PB (6-2)** This was the best class of the day all four lovely puppies who I'm sure will change places several times throughout their careers.

1 Stevenson's **Brickin Devine Tilly**, b&t bitch puppy at just six months full of mischief she was having a ball lovely to see puppies having fun. Enough head for her age lovely expressive eye great bite, I loved the flow of her neck into super flat shoulders, short back with enough spring of rib for her age, moved well when settled, she was in full puppy coat, one I will watch with interest; 2 Macartney's **Ivrig First Bit of Joy**, very appealing typy puppy well made throughout. At just 6 months she has enough head for her age, good mouth dark eye with a keen look. Good length of neck, short back moved out extremely well, very well handled. Very happy baby; 3 Philip's **Nordalset Warm And Fuzzy**; Res Harpham & Hulance's **Diggery Netflix** NAF.

Thank you to the cooperation and understanding of the Exhibitors for agreeing to be judged indoors, although it was a nice dry day, the length of grass and moisture on the grass made assessment difficult and it was uncomfortable for the dogs, who after the first class all seemed to have a tide mark on the leg furnishing and underbody.

**PD (4-1)** 1 Thompson-Morgan's **Belleville Major Key**, solid and nicely balanced youngster, broad skull, nice muzzle developing, good neck and shoulders, in good coat, moved OK in class but less positive in challenge; 2 Harpham & Hulance's **Diggery Golden Ratio**, won placing on shorter coupling and being more compactly built, good rear angulation; 3 Atkinson's **Moortop My Mark again**.

**JD (7-1)** 1 Gee's **Watercroft Calling Time**, cobby type and well balanced, nice overall size, good head, nice neck and shoulders, would prefer a little more attention to when standing on the table as occasionally overstretched in rear which spoiled topline, moved parallel. **DCC**; 2 McPhee's **Kinsridge No Problem at Foxhouse**, very pleasing type but not always helping his handler, very good head and expression, well bodied in full coat which occasionally marred outline. Moved OK when deciding to; 3 Money's **Kinsridge Christmas Cracka**; Res Stevenson's **Brickin Just A Pickle**; VHC Davies' **Lagdenfarm Fidget Pie**.

**PGD (4-1)** 1 Ward & Hamar's **Gordens Boy**, neatly made and well proportioned, nice neck and shoulders, carrying tail flat over back, moved a little close behind; 2 Lloyd's **Orison Ice Tee**, would prefer a little more strength in head, well made body, not settling on the move; 3 Walker's **Hedgefield Brucey Baby**.

**LD (3)** 1 Jenkins & McCourt's **Kinsridge Crackshot**, very well put together, compact and outgoing, liked overall balance, good head and expression, in good coat, not always cooperating on the move; 2 Hess & Higgins' **Umbrage Copacabana**, nice type with lots

of positive virtues, but would benefit from a little less weight and less coat; 3 Philip's **Nordalset Made To Boogie**.

**OD (2)** 1 Stevenson's **Ch Brickin Pot Of Pickle**, deserving Champion and nice overall type, very good head and ears, clean front, well made shoulders, nicely bodied, in good coat, moved parallel, would just prefer a bit more animation. **RDCC**; 2 Hurrion & Standen's **Villassa Jack Be Quick**, would like a little more strength in muzzle to improve expression, not in best of coats today.

**VD (0)**

**PB (9-1)** 1 Jenkins' **Kinsridge Chitchat**, really appealing young lady with lots of charm, very good head, clean cut, short level back with good tail set, nice overall size, not always helping handler on the move but saw enough positive movement. **BP**; 2 Thompson-Morgan's **Belleville Back To Black**, broad skull, good mouth, well set eye, solid neck, tail carried a little flat, good rear quarters; 3 Phillips' **Jaeva Whoops A Daisy**; Res Philip's **Nordalset Warm And Fuzzy**; VHC Macartney's **Ivrig Dancing In The Sun**.

**JB (7-3)** 1 Darnell's **Jacquidon Rags To Riches**, still a puppy, head developing well, nicely made body, good hindquarters, in full coat, showed and moved better when lead correctly positioned and head carried correctly; 2 Phillips' **Blakens Look No Further**, a little longer cast than 1, in very good coat, moved soundly; 3 Hurrion's **Villassa Cherry Stars**; Res Haydon & Gibbings' **Villassa Jelliwobble at Earthtaw**.

**PGB (6-1)** 1 Thompson-Morgan's **Belleville In The Black**, outgoing and still a bit playful at this stage, liked overall size and shape, good skull and ear set, head of good proportions, nice length of body, when

settled moved OK; 2 Brittain's **Lexinor Rising Star**, won placing on head profile and balance, in good coat, true mover; 3 Foubister's **Kinsridge Gun Chaser**; Res Macartney's **Ivrig First Bit Of Joy**; VHC Ward & Hamar's **Rafthouse Bombay Sapphire**.

**LB (5)** 1 Gee's **Watercroft Gold Dust**, nice overall size and shape and good coat and colour, short level back, well bodied, tended to pull to the side when moving; 2 Jenkins' **Kinsridge Billie Jean**, nice size, good head with well set ears, body coming on well, good hindquarters, lacked a bit of sparkle on the move; 3 Darnell's **Jacquidon No Hesitation**; Res Glynn's **Kenberlynn Angels Wings**.

**OB (3)** 1 Phillips' **Ch Marchdens Look To The Sky for Blakens**, quality female and very well put together, very nice head and expression, good ear set and carriage, liked body shape and proportions, in good coat, moved with purpose front and rear. **BCC & BOB**; 2 Thompson-Morgan's **Belleville Ovation**, feminine appearance and unlucky to meet 1, preferred head shape and balance of 1, good neck and shoulders, clean front, nice body, moved OK. **RBCC**; 3 Hurrion's **Villassa Cherry Tart**.

Many thanks for the opportunity to judge at this lovely show, and the Norfolk fraternity for such a quality entry. And I want to thank my very able steward, a much aligned breed these days.

**PD (2)** 1 Thompson-Morgan's **Belleville Crumble Topping**, lovely type, well balanced throughout with good head and expression, good rib and loin, moved out well, had to give way to his sister for best puppy; 2 Atkinson's **Moortop My Mark Again**, another lovely puppy with qualities equal to the winner, sadly not yet as confident.

**JD (3-1)** 1 Gee's **Watercroft Calling Time**, smart boy, well on his toes, lovely head with dark eye, straight front with good bone, well muscled throughout, correct rear angulation which showed in his movement; 2 Newton's **Strathinver Star Of Fortune**, in outline a super shape, but was not happy today, so I won't comment further and damn a lovely dog, really do hope it was a short term scare.

**PGD (4)** 1 Darnell's **Jacquidon Tough As A Nut**, lots to like, good head with dark eye, straight front, well bodied with firm loin, good rear angulation, well presented in good jacket, moved out well; 2 Walshe's **Beritas The Names Bond**, lovely head with dark eye and good dentition, well bodied in good coat, moved out easily; 3 Newton's **Strathinver Redgold**; Res Newton's **Strathinver Star Of Fortune**.

**LD (0)**

**OD (3)** 1 Stevenson's **Ch Brickin Pot Of Pickle**, always thought this boy was quality, and he didn't disappoint, well put together, lovely head with a wicked glint to his eyes, angulation fore and aft was faultless, well sprung rib and strong loin, presentation was superb, but it was his movement that clinched it, his drive and reach in profile was a joy to watch, a worthy champion, **CC**, **BOB** and a well deserved **G4**; 2 Hurriion and Standen's **Villassa Jack Be Quick**,

lovely type, head and expression very appealing, well angulated fore and aft, good bone and muscle, strength in body, presented in super coat, moved out well, **RCC**; 3 Atkinson's **Charlie Blake at Moortop**.

**PB (2)** 1 Thompson-Morgan's **Belleville Back To Black**, lovely baby with the sweetest expression, nicely made for a youngster, in good coat, moved out nicely obviously enjoying herself immensely, **BP**; 2 Stevenson's **Brickin Devine Tilly**, another lovely baby, pretty head with dark eye, good quarters, well bodied, moved out happily, I can see these two swapping places regularly.

**JB (6-2)** 1 Phillips' **Blakens Look No Further**, liked this girl the minute she walked in the ring, full of confidence, really enjoying herself, feminine head and expression, good bone and muscle throughout, short in back, deep chest, well angulated rear quarters, shown in a quality jacket, moved out happily with reach and drive, I'm sure this lovely girl will gain her title in short order, **CC**; 2 Gee's **Watercroft Pink Fizz**, lovely in profile, sweet head, good neck and shoulders, just the right amount of bone and muscle, well ribbed with strong loin, good rear angulation which showed in her easy driving action; 3 Thompson-Morgan's **Belleville In The Black**; Res Darnell's **Jacquidon Rags To Riches**.

**PGB (3)** 1 Thompson-Morgan's **Villassa Jelligello**, lovely girl in profile, pretty head with lovely expression, well laid shoulders, deep chest, short back, moved out with easy action; 2 Walshe's **Beritas Bedevilled**, lovely girl, well made all through, sadly wasn't interested today.

**LB (2)** 1 Gee's **Watercroft Gold Dust**, attractive girl with feminine head, good body in super coat, well angulated fore and aft, presented as usual from this kennel, moved out with reach and drive, one of three I considered for the top honour; 2 Green's

I would like to thank the Society for the invitation and all exhibitors who entered under me and waited so patiently for their turn to be judged on a very hot day. I would like to thank my very efficient stewards.

**JD** (5-1) 1 Gee's **Watercroft Calling Time**, super cobby youngster with good body. Super head with broad skull and dark eye, excellent bite, loved his expression. Good shoulder placement. Moved very well. Excellent presentation. **BD** and Best Opposite Sex; 2 Smith's **Javidel Despicable May**, another super youngster with good body, good layback, short coupled, strong bone. Very well angulated. Moved well. **RBD**; 3 Atkinson's **Moortop Mymark Again**; Res Atkinson's **Belleville Just Call Me at Manybrook**.

**PGD** (1) 1 Walshe's **Beritas The Name's Bond**, lovely head and expression with dark eye, good bite, longer in body, moved OK.

**OD** (2) 1 Atkinson's **Charlie Blake at Moortop**, lovely head and expression with dark eye. Good bone, super coat texture, good tail carriage, moved well. I have judged this dog before and liked him very much, today I thought had a little too much weight; 2 Philip's **Nordalset Made To Boogie**, another dog with a lovely head and expression. Preferred the movement on 1 today.

**JB** (6) 1 Gee's **Watercroft Pink Fizz**, super coat and presentation, stocky body, deep chest, excellent head and expression, good bite, so well presented. Good layback of shoulder. Good rear angulation enabling her to move with drive. **BB**, **BOB**, **BJ**; 2 Philip's **Nordalset Warm And Fuzzy**, another very nice bitch not as strong in head as winner, super coat texture and colour. Moved very well on this hot day; 3 Phillips' **Jaeva Whoops A Daisy**, a very immature puppy who needs time. Very nice head and expression, good bite, moved well but could carry tail higher and spoil her outline on the move but I

forgave this on this hot day **BP**; Res Macartney's **Ivrig Dancing In The Sun**; VHC Wilkinson's **Jaeva Eye Catching**.

**PGB** (3-1) 1 Walshe's **Beritas Bedevilled**, nice cobby bitch, pleasing head with dark eye. Good bone. Carried tail well and moved out with drive; 2 Wilkinson's **Redders Robin**, another nice bitch. Not the shoulder placement of 1. Bite could be better. Enjoyed her day and showed well for her handler.

**OB** (2) 1 Gee's **Watercroft Gold Dust**, what a super bitch with a super red jacket presented to perfection. Short cobby body, super bone. Super head properties with dark eye. She caught my eye when entering the ring and I was sure would be my Best of Breed unfortunately in the final go round in the challenge on this hot day did not want to co-operate with her handler so had to give way to the kennel mate and settle for **RBB**; 2 Gee's **Watercroft Top Totty**, another super bitch from this kennel with a strong head, good stop and wide muzzle. Again excellent coat texture and presentation, super compact body, very well angulated. Just preferred the bone of the winner.

A very enjoyable entry, they are such characters. Good to see quite a few with a straight tail held correctly. Watch mouths, a few had lower incisors pointing forward rather than square to jaw. Temperaments were excellent.

**PD (5)** 1 Thompson-Morgan's **Belleville Crumble Topping**, most forward of these pups and put on a very assured performance. Chunky body. He has a good head, well balanced and fairly flat in skull. Correct neck. Straight front, could be a little longer in upper arm. Well ribbed back with a short loin. Level topline. Well made rear. Accurate up and back. In super jacket, **BP & PG2**; 2 Phillips' **Tell A Tale To Jaeva**, v much a baby but a lot of potential. Head still needs to develop, just a bit rounded in skull. Lengthy neck. Well laid shoulder, well ribbed back. Level topline. Super tail. Very good mover; 3 Philip's **Nordalset Festivities**; Res Atkinson's **Moortop My Mark Again**; VHC Harpham & Hulance's **Diggery Golden Ratio**.

**JD (1)** 1 Stevenson's **Brickin Just A Pickle**, he has a super temperament. A really lovely head, masc, correct proportions. Dark eyes. Standing he looks rather long, but tends to shorten up on the move. Moderate and balanced in angulation. Could have a little more neck and carry a fraction less weight. Super topline and tail. Lovely coat.

**PGD (1)** 1 Lloyd's **Orison Ice Tee**, masc d having fun. He looks a little leggy and up in the air, but still quite young. Liked his head. Dark eyes, v good expression, well set ears. OK neck. Balanced in angulation. Could have a firmer topline. Moves quite well. Coat coming through.

**LD (4)** 1 Gee's **Watercroft Calling Time**, really good d, liked his shape, which he holds on move. Masc head, well balanced. Super eye and expression. Enough neck. Well made front. Big ribs, short loin.

Level topline. Would prefer a bit more hind angulation, but he used his rear v well. In super coat, **RCC**; 2 Atkinson's **Charlie Blake at Moortop**, he is v good for type. Well balanced head. Dark eyes. OK neck. Well laid shoulder, a bit short in upper arm, and so comes at you slightly wide. Super body. Firm topline. Excellent tail. Well made rear; 3 Jenkins & McCourt's **Kinsridge Chitchat**; Res Walshe's **Beritas The Name's Bond**.

**OD (5-1)** 1 Van Stuivenberg's **Cro Ch Bit O'Bover**, he is a super type and so beautifully well made and conditioned. Masc head which is well balanced. Lengthy neck. Well laid shoulder. Good upper arm. Super body. Well sprung ribs. Short loin. Level topline. Super set tail. Well made rear. Accurate out and back. Holds his lovely shape on the move. In super jacket, **CC**; 2 Hurrion & Standen's **Villassa Jack Be Quick**, liked his shape v much and he moves and shows so v well. Pleasing head. Would like a longer neck and slightly better shoulder. Level topline. Super ribs. Well made rear. In excellent coat; 3 Horne's **Ch Marchdens Mark My Words**; Res Stevenson's **Ch Brickin Pot Of Pickle**.

**SBD (0)**

**SBB (2)** 1 Macartney's **Nordalset Little Bit Of Sun for Ivrig**, Fem b with a lovely nature. She has a better head than 2. Slightly long in back and forward in shoulder. OK neck. In super coat; 2 Brittain's **Lexinor Rising Star**, V fem b, her coat is just holding. Could have a little more neck. She too is slightly long. Big ribs. Went well.

**PB (6)** Some very nice pups here, not much to choose between them. 1 Stevenson's **Brickin Devine Tilly**, liked her shape. She has a v good head. Enough neck. Straight front. Well ribbed. Level topline. Good rear. Went really

well when it mattered; 2 Thompson-Morgan's **Belleville Back To Black**, v raw and a bit up in the air at the moment, which is fine. Fem in head. Short back. Good front. Just needs a little more hind angulation. Super jacket; 3 Hurrion's **Villassa All About Me**; Res Harpham & Hulance's **Diggery Netflix**; VHC Macartney's **Ivrig Dancing In The Sun**.

**JB (6-1)** 1 MacBean's **Pryorvale Bow Belle**, she is a good type, really well made and the best mover in her class. Not as well trimmed as some others, but coat is harsh. Fem head. Correct neck. Well laid shoulder, good length of upper arm. Well ribbed. Level topline. V good rear; 2 Jenkins' **Kinsridge Chitchat**, standing she is super, but not as good moving as 1. Fem head, well balanced. Lengthy neck. OK front. Shorter in back than 3. Enough turn of stifle; 3 Phillips' **Blakens Party Planner**; Res Haydon & Gibbings' **Villassa Jelliwobble at Earthtaw**; VHC Philip's **Nordalset Warm And Fuzzy**.

**PGB (6-1)** 1 Thompson-Morgan's **Belleville In The Black**, promising pup who was a comfortable winner here. Typy, fem b. Well balanced head. Medium neck, she is just a little heavy over the shoulder. Well ribbed. Straight front. Level topline. Moderate hind angulation. Accurate out and back and a nice stride; 2 Haydon & Gibbings' **Villassa Jelliwobble at Earthtaw**, nice outline and a chunky body. Just a little short in muzzle. OK neck. Front is a little forward and just a bit narrow coming towards. Level topline. Liked her rear; 3 Macartney's **Nordalset Little Bit Of Sun for Ivrig**; Res Bradley's **Beritas Bewitch**; VHC Brittain's **Lexinor Rising Star**.

**LB (5-1)** Two really super bitches.  
1 Gee's **Watercroft Pink Fizz**, thought she was just a fraction shorter in back and slightly more settled on the final run round than 2. She has a fem head, well balanced with a lovely eye and expression. Lengthy neck. Well laid shoulders. Level topline. Good rear. Would prefer a better tail carriage. Accurate out and back In super jacket. Thought she had super Norfolk type, **CC & BOB** then **G3**; 2 Phillips' **Blakens Look No Further**, she has a super head. Lengthy neck. Well laid shoulder. Long, sloping upper arm. Well ribbed. Better tail set than 1, although it could be better. Liked her rear with low hocks; 3 Walshe's **Beritas Bedevilled**; Res Glynn's **Kenberlynn Angels Wings**.

**OB (5)** 1 Thompson-Morgan's **Belleville Ovation**, liked her type, lovely proportions. She has a fem head, well balanced. Dark eyes. Correct neck. Quite a good front. Short back. Big ribs. Jut a fraction too much hind angulation, but low hocks. Level topline. Super coat, **RCC**; 2 Gee's **Ch Watercroft Gold Dust**, liked her size and type, couldn't match 1 up and back. She has a v good head. Correct neck. Fair front. Level topline. A fraction longer than 1. Well bent stifle, low hocks. Super coat; 3 Phillips' **Ch Marchdens Loot To The Sky for Blakens**; Res Hurrion's **Villassa Cherry Tart**; VHC Green's **Wharfvalley Persuasion**.

My thanks to the committee for the invitation and for making me feel so welcome, and my two competent stewards. We were very lucky with the weather, a bright warm day but with a cooling breeze. Thank you to all the exhibitors for taking my decisions so sportingly and bringing such quality dogs for me to peruse.

**PD (1)** 1 Atkinson's **Moortop My Mark Again**, smart 9mth red d, handsome masculine head, super eye & good bite. Good neck length, well placed shoulder, good body proportions. Good neck & shoulders, excellent rib, level topline. Tail set could be a little higher. Beautiful coat in good condition, moved well.

**LD (1)** 1 Atkinson's **Charlie Blake at Moortop**, mature red d, of good type. Showing with panache. A balanced d with a super head, neat ears & good bite, lovely front, deep chest, short back, level topline. Good positive rear action. Put down in excellent condition, **RCC**.

**MPB (0)**

**PB (1-1)**

**JB (2)** 1 Haydon's **Villassa Jelliwobble at Earthtaw**, two youngsters at the raw stage of growth, I chose this one because of her more balanced body proportions. Of an excellent type, attractive head, good neck & shoulders, good spring of rib, level topline & good rear. Moved well. Well presented, give her time & you will be rewarded; 2 Macbean's **Pryorvale Bow Belle**, feminine head with good eye & black button nose, good neck length & good shoulders, level topline & good rear. More length to her loin than 1. Showed well & settled to move well.

**PGB (0)**

Good front, legs & feet, good topline, short back, good spring of rib, excellent rear setting her driving movement. Shown in great condition, **RCC**; 2 Phillips' **Blakens Look No Further**, I guess on another day it could be hers to win, it really was a close decision. Either bitch I

would be proud to own! I love this girl's outline, super neck & shoulders, level topline strong rear. Good head, dark eye & good set on of ears, would prefer more of a wedge shape to muzzle. **OB (3)** 1 Gee's **Ch Watercroft Gold Dust**, a super moving low to ground compact bitch of excellent type & quality. In excellent coat, a real pleasure to judge, **CC, BOB**; 2 Phillips' **Ch Marchdens Look To The Sky for Blakens**, a stunning b&t loved her head shape. Lovely dark eye, neat ears & good muzzle & bite. Excellent length of neck, good shoulder placement, good chest with well sprung ribs. Level topline & good rear. Good compact shape. Many thanks to you all for your entry and for the sporting way in which my decisions were took. I must say the open dog class was one of the most thoughtful classes I've had in a while. The quality was so good and much to like about each dog which was very thought provoking. It was lovely to watch the BV win BVIS on the Sunday.

**VD (1)** 1 Green's **Ch Wharfvalley Diamond Star**, smart boy in outline. Good head and eye with alert expression, correct set ear. In super coat with correct texture. Clean straight front with plenty of substance and strong topline, into a well angulated and let down rear construction. Moved well in front. Lacked a little umph on the move in the challenge for BV.

**MPD (4)** 1 Phillips' **Tell A Tale to Jaeva**, very raw youngster. Full of character and smart. In good coat. Straight front and good round feet. Good neck and lay of shoulder, plenty of substance with a good spring of rib. Well let down behind. Good flow through the neck and shoulder into level topline. Correct ear set with a good masculine head with a strong muzzle, BPD; 2 Gee's **Watercroft Duty Calls**, just 6 months old and not having the maturity or finish of coat of 1<sup>st</sup>.  RBCC: **Ch Marchdens Look To The Sky for Blakens**

 BV: **Ch Valentines Cherry Crumble**

I had a thoroughly enjoyable time judging the very good entry, strong in both quantity and quality, and many of the classes were closely contested. A sporting atmosphere prevailed which always makes a big difference.

It was sad that Gail Simpson, who works so hard for the club, was unable to attend owing to illness but the show was left in the good hands of show manager Andre Hess, President Beverley Watkins and the committee who made me most welcome.

BIS was the bitch Blakens Look No Further, crowned on the day and indeed crowning a very good day for her talented breeder. RBIS was the dog Ch Watercroft Calling Time and this kennel won BP with Watercroft Brown Sugar. BVIS was the bitch Ch Valentines Cherry Crumble.

### GCD (0)

**VD (2)** 1 Green's **Ch Wharfvalley Diamond Star**, a 9 yr old cobby dog who is short coupled and holds his topline on the move. A very good head and dark eye. Scored in bone and couplings here; 2 Darnell's **Jacquidon Tough As A Nut**, in really good form. He has lovely type and is full of spirit on the move. He moved very well. A good eye which could be a shade darker. Winner just a little shorter.

**MPD (3)** 1 Phillips' **Tell A Tale to Jaeva**, almost 9 months and had a big pull in rib and body here. Scores in strength of muzzle, a touch heavy in ear. Moved well. Feet can tighten; 2 Gee's **Watercroft Duty Calls**, 7 months and appealed for size and shortness of body. Can fill out in rib and at present not the strength of muzzle of the winner. A good mover, full of spirit. Shows a LOT of promise; 3 Jenkins' **Kinsridge Smart Money**.

**PD (4)** 1 Gee's **Watercroft Brown Sugar**, 11 months

compact and low to ground with excellent freedom of front action which won him this class. Excellent coat and very good quarters. A very good head and neat ears; 2 Thompson-Morgan's **Belleville Crumble Topping**, 9 months, a beautifully bodied body who is a touch larger than the winner and he is very forward. Not the neckline of the winner or the reach in front; 3 Atkinson's **Moortop My Mark Again**; Res Philip's **Nordalset Festivities**.

**JD (6)** 1 Smith's **Javidel Despicable May**, 14 months which I liked a lot for cobbiness and body. He has a strong head and good quarters and went well. Coming into good coat; 2 Stevenson's **Brickin Just A Pickle**, scores in head and eye. A touch longer in body than the winner but he is not yet fully developed there. Sound and accurate on the move; 3 Harpham & Hulance's **Diggory Golden Ratio**; Res Newton's **Strathinver Star Of Fortune**; VHC Jenkins' **Kinsridge Status Quo**.

**YD (1)** 1 Newton's **Strathinver Redgold**, 18 months dog of good type but he needs more schooling to be appreciated. He has a good head and eye but I would prefer a touch more bone. Can tighten in his front action but hard to assess on the move.

**SBD (1)** 1 Walker's **Hedgefield Brucey Baby**, 2 year old shown in firm condition and good coat. He has good head proportions and a strong muzzle. His front legs could be straighter and this affects his front action.

**ND (2)** 1 Smith's **Javidel Despicable May**, Best Novice In Show; 2 Walkers's **Roxy Park Springtime**; 17 months shown in good form. A slightly longer dog and this shows in his topline. Good bone and a strong head. His ears can be neater. Can tighten up on the move.

**UGD (3)** 1 Thompson-Morgan's **Belleville Major Key**, 11 months, good for size and cobbliness and has a very good head and eye. Shown in good coat. He moves well at both ends. He can let down in chest yet but he is full of type; 2 Newton's **Strathinver Star Of Fortune**, reserve from the junior class. A smaller dog needing more bone and substance at the moment. Full of spirit and needs to settle on the move; 3 Walker's **Hedgefield Brucey Baby**.

**PGD (4-1)** 1 Walshe's **Beritas The Name's Bond**, 2 year old who could be a touch shorter but he is well ribbed back and carries a firm topline and moves well at both ends. Good skull and muzzle proportions; 2 Newton's **Strathinver Redgold**; 3 Lloyd's **Orison Ice Tee**.

**LD (4-1)** 1 Atkinson's **Charlie Blake at Moortop**, a very honest dog who might not be the flashiest but he is very good to go over and scores heavily in quarters and tail and carries a very good topline. Very good head. A touch wide in front but scored here in compactness; 2 Hess & Higgins' **Umbrage Copacabana**, 2 year old of lovely type and beautifully presented in good coat. Caught the eye immediately for type and lowness to ground. His front action let him down today but he has so much to like; 3 Montgomery's **Lexinor Play The Ace**.

**OD (6-1)** 1 Gee's **Ch Watercroft Calling Time**, won a good class. He is very short yet moves with freedom of stride and really uses his quarters. Good head and cored in his eye here. Good neck into shoulder. Presented in good coat. Won CC but in the challenge for best of breed he had his mind on other matters, **CC**, **RBIS**; 2 Phillips' **Ch Marchdens Mark My Words**, pressed the winner all the way as he was in tip form and has very good movement. Not quite as compact as the winner but ribbed well back and has an excellent topline. I liked him enormously, **RCC**; 3 Jenkins' **Kinsridge Witty Banter**; Res Van Stuivenberg's **NL Cro Ch Jaeva Bit O'Bover**; VHC Hurrion & Standen's **Villassa Jack Be Quick**.

**GCB (2-1)** 1 Macartney's **Ivrig First Bit Of Joy**, 2 year old small bitch full of spirit and shown in good coat. Could have a little more bone. Feminine head which could be stronger. Full of character.

**VB (1)** 1 Hurrion's **Ch Valentines Cherry Crumble**, at 10 years old she obviously loves the showring and retains lovely type and quality and is very accurate

at both ends. Cobby and compact and in crisp coat. Feminine head with good expression. Full of personality and her presence gave her **BVIS**.

**MPB (7-3)** A good class for depth of quality down the line.

1 Phillips' **Just The One at Blakens**, 7 months and at her first show and a beautiful baby, full of breed type. She is raw and her head needs time to develop but compact and well ribbed with good bone and feet. Positive and free on the move. I think she is a super prospect and she was best bitch puppy on the day; 2 Hurrion's **Villassa All About Me**, 8 months and more forward in body and coat but a touch longer and not quite as settled in her front action. I liked her head, bone and ribbing. A very good puppy who will look even better when she loses some of her puppy fat; 3 Phillips' **Fairy Tale at Jaeva**; Res Brittain's **Kinsridge Pretty Penny**.

**PB (3)** 1 Hurrion's **Villassa All About Me**; 2 Stevenson's **Brickin Devine Tilly**, a very typy b&t of 11 months. She is a lovely size and a compact body but needs a little more substance and this shows in her topline. Just a matter of filling out her frame. Giving her handler a hard time on the move. I preferred the head of the winner; 3 Macartney's **Ivrig Dancing In The Sun**.

**JB (7)** A very good class, closely contested. 1 Thompson-Morgan's **Belleville In The Black**, 12 months b&t of excellent substance and quarters and scores in strength of muzzle and eye. Moves well at both ends and has a strong topline and was shown in shown in crisp coat. Should have a good future; 2 Harpham & Hulance's **Diggery Netflix**, smaller bitch of beautiful type and quality and immaculately presented in superb coat. Compact and low to ground. She can finish in chest yet and this shows a little in her front action at the moment but she really drives along from good quarters. Her head is in balance and can develop a little yet but I thought she was a lovely bitch; 3 Phillips' **Blakens Party Planner**; Res Jenkins' **Kinsridge Chitchat**; VHC Darnell's **Jacquidon Nip And Tuck**.

**YB (4-1)** 1 Gee's **Watercroft Pink Fizz**, 20 months with a lot of substance and a good head and eye. Shown in excellent coat. Low to ground and also free striding and accurate on the move. Has a lot to like. In the challenge I thought she looked a little top heavy for perfect balance; 2 Hurrions's **Villassa Cherry Stars**, 16 months, a little longer for balance

but I liked her topline and ribbing. Not quite the strength of muzzle of the winner. Carried a good topline with excellent tail; 3 Thompson-Morgan's **Belleville Back To Black**.

**SBB** (1) 1 Macartney's **Ivrig Dancing In The Sun**, 10 months old and third in the puppy class. A touch long for balance and not helped by being between coats on the day. Feminine head which is a little heavy in ear. Good bone and a sound mover.

**NB** (1) 1 Foubister's **Kinsridge Gun Chaser**, 2 year old who is small, compact and low to ground. Good head type but her ears could be neater. Lacks a little upper arm which restricts her front stride. Carries a good topline.

**UGB** (2-1) 1 Hurrions's **Villassa Cherry Stars**.

**PGB** (8-3) 1 Thompson-Morgan's **Villassa Jelligello**, 18 months with excellent body, movement and coat. I would prefer a stronger head but her cobbliness won her this place; 2 Darnell's **Jacquidon Rags To Riches**, she scored in head over the winner but not as forward in rib or body. Shown in excellent coat; 3 Walshe's **Beritas Bedevilled**; Res Foubister's **Kinsridge Gun Chaser**; VHC Macartney's **Ivrig First Bit Of Joy**.

**LB** (4-1) 1 Phillips' **Blakens Look No Further**, filled my eye for type and movement. I liked her bone and substance and strong, yet feminine head with a good expression. Topline, tail carriage and movement all very good, Shown in great form. Clever breeder whose dogs are full of type, **CC**, her third and **BIS**; 2 Jenkins' **Kinsridge Tip The Wink**, 16 months and at a teenage stage looking up on leg and needing to drop in chest. Her head needs time. Won this place on movement and topline; 3 Gee's **Watercroft Suzie Q**.

**OB** (5-1) 1 Phillips' **Ch Marchdens Look To The Sky**, 26 months b&t, another top class little bitch who is short, well ribbed and enough bone for her size and a very good mover. Quality head and good eye. I preferred the tailset of her kennelmate in the challenge but she pressed all the way and took the **RCC** so this kennel had three bitches in the challenge; 2 Gee's **Ch Watercroft Gold Dust**, a trifle larger and lower slung. I preferred her head but she was not as clean in front assembly. Excellent quarters and movement and in really good coat; 3 Thompson-Morgan's **Belleville Ovation**; Res Hurrion's

**Villassa Cherry Tart**.

I would like to thank the exhibitors for their support. The entry of exhibits was of excellent quality and there was little to separate decisions.

**Class C – Special Open Dog** (3) 1 Thompson-Morgan's **Belleville Crumble Topping**, mature puppy dog, well boned. Good breadth to skull well placed ears, clean back skull with good fill beneath the eye and good strength through muzzle. Pleasing expression. Good ribbing, moved soundly, and well presented; 2 Gee's **Watercroft Brown Sugar**, another quality male, lacking the maturity of 1<sup>st</sup> on the day. Close decision just preferred the strength through head of 1<sup>st</sup>. Well balanced and well ribbed, moved soundly in good coat and well presented; 3 Smith's **Javidel Despicable May**.

**Class D – Special Open Bitch** (6-2) 1 Gee's **Watercroft Suzie Q**, quality bitch, well balanced and proportioned. Good head proportions, pleasing expression, well ribbed, pleasing outline on move and stood. Moved soundly and freely front and back. In good condition and well presented; 2 Thompson-Morgan's **Belleville Back To Black**, quality bitch but a little masculine compared with 1<sup>st</sup>. Good head and well balanced. Pleasing bitch to go over. Sound moving and well presented; 3 Harpham and Hulance's **Diggery Netflix**; Res Thompson-Morgan's **Villassa Jelligello**.

**PD (2)** 1 Atkinson's **Moortop My Mark Again**, scored on head, ear placement, giving correct outlook, well balanced throughout, with nice neck, topline, set on and angulation giving accurate movement with good stride, nice size, good coat, compact; 2 Thompson-Morgan's **Belleville Crumble Topping**, shown carrying too much weight, typical head, good eyes, mouth, ears could be higher set, soundly built with positive profile, in good coat, somewhat lacking articulation.

**JD (3-1)** 1 Stevenson's **Brickin Just A Pickle**, won on better expression due to eye shape, pleasing head, neck, topline, set on, coat, nice size and balance, moved soundly; 2 Davies' **Lagdenfarm Fidget Pie**, good head, neck, topline, set on, coat, well angulated rear which drove well, both could be more accurate in forehand, it becomes a matter of degree.

**PGD (1)** 1 Thompson-Morgan's **Belleville Major Key**, certainly struck the right note with me, this is an all round thoroughly good Norfolk with presence and admirable movement, correct amount of neck which bestows nobility, **BP, DCC, BOB, PG3**.

**LD (5-1)** 1 Hess & Higgins' **Umbrage Copacabana**, really nice type with very good head, eye, ear, expression, pleasing profile with good neck, topline, set on, angulation and articulation, moved well, good coat, won on profile; 2 Smith's **Javidel Despicable May**, very good head, eye, ear, mouth, outlook, nice neck, topline, set on, coat, well made, moves soundly, too much middlepiece; 3 Atkinson's **Charlie Blake at Moortop**; Res Davies' **Lagdenfarm Fidget Pie**.

**OD (4-2)** 1 Gee's **Ch Watercroft Calling Time**, won on better eye size and shape giving more pleasing expression, very compact with good topline, set on, well articulated with angulation in balance providing accurate movement, very typey head and outlook, **RDCC**; 2 Horne's **Ch Marchdens Mark My Words**, good head, mouth, eyes, ears and outlook,

nice neck, topline, coat, set on could be higher, moved soundly.

**VD (1)** 1 Green's **Ch Wharfvalley Diamond Star**, well balanced and typey throughout, very good head, eye, ears, expression, quality neck, topline, set on, coat, well angulated, moves true.

**PB (1)** 1 Stevenson's **Brickin Devine Tilly**, b&t, very good head and outlook, compact with good topline, set on, coat, soundly constructed, moving true front and rear, overall promising puppy.

**JB (2-1)** 1 Darnell's **Jacquidon Nip And Tuck**, b&t, very personable head and expression, nice neck, topline, set on could be higher, well angulated, moves neatly, nice coat.

**PGB (4-2)** 1 Darnell's **Jacquidon Rags To Riches**, excellent balanced outline with good neck, topline, set on, angulation, coat, moves well, nice head, eye, ears and expression, stood away for me; 2 Ward's **Rafthouse Bombay Sapphire**, very good head and expression, nice neck, topline, set on, coat, substance, neat and tidy on the move, more rear angulation would improve.

**LB (4-2)** 1 Phillips' **Blakens Look No Further**, won on head and expression being a little stronger in keeping with the overall appearance, nice neck, topline, set on, angulation, coat, moved well, **BCC**; 2 Haydon & Gibbings' **Villassa Jelliwobble at Earthtaw**, good shape and balance, nice angulation, topline, nice coat, tail carriage could be improved, good head and expression.

**MPD (2)** 1 Gee's **Watercroft Duty Calls**, nicely constructed red 8 mth old puppy, carrying some excess weight and a long thick jacket which was somewhat hiding his assets, pleasing head with good eye with typical expression, happy and alert pup, promising; 2 Hadfield's **Belleville Born To Be Free**, 6 mth old pup shown in good jacket, not quite the overall outline as winner, has still to get to grips with what showing is about but time should help.

**PD (4-1)** 1 Philip's **Nordalset Festivities**, nicely balanced 10 mth old youngster in very good jacket, quite pleasing in head proportions, happy and alert; 2 Thompson-Morgan's **Belleville Crumble Topping**, another 10 mth pup, which I also liked, good head, eye, mouth, pleasing front and quarters when on the move, but not quite the outline of winner; 3 Atkinson's **Moortop My Mark Again**.

**JD (6-2)** 1 Stevenson's **Brickin Just a Pickle**, 17 mths old, nicely balanced with reasonable length of neck flowing into shoulder, good quality coat, well made but rather carrying a little too much 'substance' moved well keeping his outline, good tail, alert & showy; 2 Smith's **Javidel Despicable May**, 15 mths, another similarly promising youngster but still some maturing to do I felt; 3 Gee's **Watercroft Brown Sugar**; Res Jenkins' **Kinsridge Status Quo**.

**PGD (3-1)** 1 Walshe's **Beritas The Name's Bond**, the 2 dogs shown in this class were both well made but tending to be a little 'tubby', 1st having a good head/ears/eye, moved well, alert to handler; 2 Walker's **Roxypark Spring Time**, quite nice head but just a touch short in muzzle, well muscled & moved accordingly and displaying his quite decent tail.

**LD (9-2)** 1 Atkinson's **Charlie Blake at Moortop**, at 19 mths old, balanced, well constructed body, covered in good jacket, very typical in head, with pleasing front and well turned stifles in rear he moved extremely well, and really looked the part for

me, pleased to award **CC & BOB**; 2 Hess & Higgins' **Umbrage Copacabana**, another well balanced, pleasing body proportions with reasonable length of neck, making a very typical outline on the move, well headed, good ears/eyes, in lovely harsh read coat, a good dog but not quite the 'style' of winner yet, moved & showed very well indeed, **RCC**; 3 Thompson-Morgan's **Belleville Major Key**; Res Jenkins & McCourt's **Kinsridge Crackshot**; VHC Lloyd's **Orison Ice Tee**.

**OD (4-1)** 1 Horne's **Ch Marchdens Mark My Words**, good balance to body, pleasing topline complete with well-carried tail, typical in head, ears & eye, well-angulated at both ends, moving positively, considered him a positive contender for higher award; 2 Gee's **Ch Watercroft Calling Time**, good body length, but not such a balanced neck length as winner here, good legs & feet, shown in good coat, lively & alert; 3 Hurrion & Standen's **Villassa Jack Be Quick**.

**VD (2)** 1 Green's **Ch Wharfvalley Diamond Star**, lovely head & ears, well made in body, shown in full coat, still in very good nick for his age, moving well round the ring, a pleasure to judge him; 2 Darnell's **Jacquidon Tough As A Nut**, smaller male than 1<sup>st</sup>, different type to winner and not quite the same general balance to body, head proportions quite nice, shown in good length harsh jacket, both veterans went well and were a credit to their owners.

**MPB (4-1)** 1 Phillips' **Just The One at Blakens**, promising puppy at this stage, good overall outline standing & moving, head developing well with good ears/eyes & mouth, in good coat on the day, showy & alert; 2 Jenkins' **Kinsridge Top Knot**, another promising pup at 7 mths but rather still immature as yet, lovely general make & shape, happy temperament; 3 MacBean's **Pryorvale Cashmere**.

**PB (5)** 1 Hurrion's **Villassa All About Me**, very attractive 10 mth old, well constructed and in good jacket, good angulation at both ends, alert & attentive, went well. Pleased to award **RCC & BP**; 2 Phillips' **Fairy Tale at Jaeva**, same age as winner but a different type, typical in head with good proportions, good eye with pleasing Norfolk expression, another promising youngster; 3 Stevenson's **Brickin Devine Tilley**; Res Macartney's **Ivrig Dancing In The Sun**; VHC Cooper's **Settrenda My Kinda Girl**.

**JB (5-2)** 1 Jenkins' **Kinsridge Chitchat**, typy red bitch with well proportioned head, attractive typical expression, generally well made throughout moved round the ring with purpose keeping a pleasing outline. She was not without serious competition for the top award from at least two other bitches and it was her extra 'style' which took her beyond the others. In my view well deserved the **BCC**; 2 Darnell's **Jacquidon Nip And Tuck**, smallish b&t, but well constructed and presented in good coat, moving well on good legs & feet; 3 Thompson-Morgan's **Belleville In The Black**.

**PGB (7-2)** 1 Hurrion's **Villassa Cherry Stars**, very attractive bitch of good red colour, very pleasing coat texture, lovely head/ears/mouth, reasonable neck length, good topline and tail carriage, moved well; 2 Wilkinson's **Jaeva Eye Catching**, smaller red bitch, quite well made with good topline and pleasing tail, happy disposition, alert to everything around; 3 Darnell's **Jacquidon Rags To Riches**; Res Walshe's **Beritas Bedevilled**; VHC Macartney's **Ivrig First Bit Of Joy**.

**LB (3-1)** Two bitches here which were different in type but both having quality. 1 Phillips' **Blakens Look No Further**, pleasing all through, good front and rear angulation, lovely head, scored over 2nd in hindquarters and tail, strong contender today for higher award; 2 Gee's **Watercroft Pink Fizz**, not presenting such a pleasing outline generally as 1<sup>st</sup>, but good length of neck, angulation at both ends OK, steady topline on the move.

**OB (6-2)** 1 Gee's **Ch Watercroft Gold Dust**, another contender for the CC today, a lovely headed, well proportioned bitch, in lovely coat, moved and showed well but just lacked that little extra quality which the bitch CC winner possessed; 2 Thompson-Morgan's **Belleville Ovation**, a different type to winner with well-constructed body generally with more correct tail carriage than winner, showed well with animation; 3 Phillips' **Ch Marchdens Look To The Sky for Blakens**; Res Lloyd's **Orison Calm Attitude**.

Thanks to exhibitors for their sporting manners both in and around the ring. Such a friendly show with some super terriers on view. Mouths were nearly all perfect, heads varied with quite a lot rather too narrow with weak muzzles. Necks good, not too long or short, shoulder placements as in a lot of breeds were very varied with a lack of slope to the upper arm, which fore shortens forward reach. Bodies good although "substance" should not mean "fat". Quarters generally first rate, Tails were not as a rule good, with so many laying along the back. As the standard states "not excessively gay" they are hard to deal with as a judge. Perhaps breeders should concentrate more on this point now, as it has been some years since docking was banned. Temperaments were without exception remarkable, with all wanting to kiss me, and say hello. Absolutely delightful to judge such happy dogs.

**SBD (1)** 1 Walker's **Hedgefield Brucey Baby**, good head and eyes, keen expression, quite a good front but turns his feet out a touch. Sound body, slightly cowhocked behind on the move. Excellent coat and very fit and well muscled.

**MPD (2)** 1 Gee's **Watercroft Duty Calls**, good looking puppy maybe a touch feminine in head and muzzle. Well made front, short level back. Feet can still tighten up further. Perfect tail carriage, neat and true behind. Promising, **BPIS**; 2 Harpham & Hulance's **Diggery Strikes A Pose**, stronger in head, but a little longer in back and slack in topline at present. Feet can still come up a little more with exercise too. Nice baby with a delightful temperament.

**PD (3-2)** 1 Thompson-Morgan's **Belleville Crumble Topping**, strongly made, loved his keen and bright expression. Ears a touch heavy, and he could carry them higher. Sound front, good forechest, excellent bone. Deep enough in chest, firm backline, and OK

in rear. Tail could be carried straighter. He has a rough hard coat too, which was very pleasing for his age.

**JD (7-2)** 1 Smith's **Javidel Despicable May**, superb head and correct eye shape and size. Muzzle of good width and length. True front, good bone and feet. Deep enough for age, level back. Fair tail, good quarters. Nice quality; 2 Atkinson's **Moortop My Mark Again**, a nice hard Terrier all through, not quite as tight at the elbows as above, and a little longer in back. Super head and outlook, and looks a real worker!; 3 Stevenson's **Brickin Just A Pickle**; Res Gee's **Watercroft Brown Sugar**; VHC Harpham & Hulance's **Diggery Golden Ratio**.

**YD (3-1)** 1 Thompson-Morgan's **Belleville Major Key**, smart and dead sound, liked his head and ear set, shoulders set a little far up the neck perhaps. Upper arm slope pretty good though. And he moves with some reach in front. Well bodied and correctly angulated in rear. A good quality dog; 2 Walker's **Roxypark Springtime**, hard coat just coming through. Looked OK standing but was struggling to move on the mats. Flies his ears, lovely eyes and expression. Good topline too.

**PGD (2)** 1 McFee's **Kinsridge No Problem at Foxhouse**, a good honest dog, lovely tail carriage which sets off his outline well. A bit diffident on the table, but came alive on the floor. Good head shape, eyes a wee bit too round, strong muzzle, and deep pigment. Harsh jacket, good front mover, needs a little more rear propulsion; 2 Walker's **Hedgefield Brucey Baby**.

**LD (5-1)** 1 Jenkins & McCourt's **Kinsridge Crackshot**, excellent size and type, Liked his head and skull, good neck and general conformation when I went over him. Rather weak behind but is built

correctly in rear, so I guess he just needs more muscle to improve here; 2 Atkinson's **Charlie Black at Moortop**, slightly bigger dog, hard and very fit. In lovely coat and better behind than winner. He is not so good in front though and swings it coming towards. More length of upper arm would improve; 3 Hess & Higgins' **Umbrage Copacabana**; Res Walshe's **Beritas The Name's Bond**.

**OD** (3) 1 Horne's **Ch Marchdens Mark My Words**, in immaculate condition, and excellent coat. Super to go over and very fit. Liked his head and excellent front construction. Well laid shoulders, and good length to upper arm. Nicely bodied, well ribbed back, level topline and very powerful behind. A good fluid mover in profile too, **RCC, RBIS**; 2 Van Stuivenberg's **NL Cro Ch Jaeva Bit O'Bover**, another quality dog but not quite the front of winner and throws his legs up too high in profile movement. Stands well, and I liked his look of "I'm a real male". Super rear, lovely tail set and carriage; 3 Gee's **Ch Watercroft Calling Time**.

**ChD** (Champion Dog)(2-1) 1 Jenkins' **Ch Kinsridge Witty Banter**, good size and proportions of height to length, with enough length of foreleg to give him good clearance. Head OK and expression keen, with well set eyes. Good body under the coat, well angulated in front and rear, and a true and precise mover all ways. Not exaggerated in any way, Exuberant temperament and immaculate presentation, **CC & BIS**.

**VD** (2-1) 1 Darnell's **Jacquidon Tough As A Nut**, 7 ½ yr old, in good form. Eyes a little on the round side, otherwise a strong head, and firm muzzle of correct length . OK in front and rear movement, topline dips in profile though. In lovely body condition, and certainly not looking his age, **BV**.

**SBB** (2-1) 1 Macartney's **Ivrig Dancing In The Sun**, really promising puppy, ears rather large, but head shape is good. Excellent neck, shoulders and front. Enough bone for her size, firm backline. Reasonable rear, but she can still muscle up in this area, but she is still young and has plenty of time, **BSBIS**.

**MPB** (4) 1 Phillips' **Blakens Add A Little Sparkle**, scrummy baby I really loved, maybe still has to fine down a touch and grow up on the leg a trifle to balance her further. Lovely to go over, and has an enchanting head and expression. Good bone and

feet, Super mover all round. Best Opposite Sex Puppy; 2 Gee's **Watercroft On The Q'Tee**, a little heavy in ears and not quite the slope of upper arm of winner. Excellent topline, and moved well going away. Tail carried flat to the back unfortunately. Promising coat texture; 3 Brittain's **Kinsridge Pretty Penny**; Res Jenkins' **Kinsridge Top Knot**.

**PB** (4-1) 1 Phillips' **Just The One at Blakens**, very nice and so lovely in front and general conformation. Still rather fat and "roly poly" and she does move too wide going away. Lovely head and strong muzzle too; 2 Phillips' **Fairy Tale at Jaeva**, a wee bit longer in back and swinging her front somewhat. Very precise going away, & overall a good puppy, who looks to need time to pull herself together; 3 Macartney's **Ivrig Dancing In The Sun**.

**JB** (5-1) 1 Harpham & Hulance's **Diggery Netflix**, difficult decision here. A lovely class. Winner very true and precise moving. Keeping her outline at all times. She has good bone under the coat, smart overall, and good quality; 2 Phillips' **Blakens Party Planner**, very strongly made and lovely front and upper arm slope. She can still tighten a little more in her front though. Excellent body, topline and quarters. Super tail carriage too; 3 Darnell's **Jacquidon Rags To Riches**; Res Hess & Higgins' **Umbrage Up All Night**.

**YB** (2) 1 Thompson-Morgan's **Belleville In The Black**, so full of herself, wonderful free and lengthy stride going round. Dead true both ways, and a very good construction under the coat. She has bone, tight feet, and a strong head, neat well carried ears, and a lovely outgoing temperament; 2 Jenkins' **Kinsridge Chitchat**, more toyish than winner and short steps in profile movement. She is a lovely shape standing and has a super attitude too. Excellent up and down on the go. I just preferred overall strength and bone of winner.

**PGB** (4-1) 1 Darnell's **Jacquidon Nip And Tuck**, all three had tails flat to their backs. Winner scored on proportions and good height to length ratio. Sound front, pleasing head and expression. Feet could be thicker. Excellent topline which she keeps beautifully on the move; 2 Macartney's **Ivrig First Bit Of Joy**, I thought a little more length of neck would improve her although you do not need a long neck in this breed. She too is very sound, deep ribs, carried well back, stands on good legs and feet; 3 Brittain's **Lexinor Rising Star**.

**LB (5-3)** 1 Gee's **Watercroft Pink Fizz**, a lovely bitch I much admired, super to go over and nicely compact. Well put together both ends, and in smashing coat and condition. Sound as the good ones come too! Wish she didn't have a tail flat to her back; 2 Smith's **Javidel Darling Buds Of May**, a bit reluctant to move and is quite a lot overweight in middle piece. Lovely strength to head and muzzle, enough rear angulation, also had a very poor tail set and carriage.

**OB (2)** 1 Phillips' **Blakens Look No Further**, really strong and hard as nails! Lovely head with wedge shaped muzzle, broad back skull, with good width between the ears. Strong well rounded neck, let into excellent shoulders. Good legs and tight, thick working feet. Level back, powerful rear and a decent tail set and carriage, **CC & BOS**; 2 Thompson-Morgan's **Belleville Ovation**, she is also lovely for quality, and looks a well bred and reared bitch . Maybe a touch narrower in skull, and not quite as robust as winner. She is a lovely shape and type, keeps her outline on the move, and is very true and precise. In good jacket too, **RCC**.

**ChB (Champion Bitch) (2)** 1 Phillips' **Ch Marchdens Look To The Sky for Blakens**, a nice bitch moves well, and has plenty of power in rear. Short coupled, neat front, fair head, lovely eyes and expression. Well off for bone too; 2 Gee's **Ch Watercroft Gold Dust**, has quality but all over the place going away, and stands overangulated in rear too. She does hold her topline well, expertly presented jacket, and she certainly does have ring presence.

BCC: **Ch\* Watercroft Pink Fizz**  
RBCC: **Ch Blakens Look No Further**  
BP: **Just The One at Blakens**  
BV: **Ch Valentines Cherry Crumble**

I was very pleased with my entry, it's not easy with a short legged breed to get true movement, but this breed seems to do it, the majority were good movers. Heads need to be watched, some rather narrow in muzzle which then causes mouth problems. Thanks to my efficient ring stewards.

**MPD (4-1)** 1 Hadfield's **Belleville Born To Be Free**, I liked this boy very much, looked quite finished. Nice head for his age, dark eye with a good expression, good in neck and shoulders. Well made body, good in hindquarters which he used well. Nicely balanced outline, in good coat, confident and liked his attitudes; 2 Thompson-Morgan's **Belleville High Spirit**, very similar to first but not as finished in head. Liked his overall balance and outline. Good body with a nice spring of ribs, well made hindquarters. In nice coat and condition. Needs to tighten up in front movement, but moves well behind; 3 Newton's **Strathinver Time To Star**.

**PD (3-1)** 1 Philip's **Nordalset Festivities**, won this class on maturity. Has a good head and expression, good neck and shoulders. Well made body, good outline. Correct tailset, move well both ways, showed well, not in the best of coats; 2 Newton's **Strathinver Time To Star**, gave away lots in age and maturity to first. Needs to fill out in head which I'm sure will come as he grows. Nice body, good outline and correct tailset. Moved nicely with lots of confidence, needs a new coat.

**JD (1)** 1 Atkinson's **Moortop My Mark Again**, alone but has lots of quality, smart youngster. He has a good head with well placed ears, dark eye and keen expression. Good outline, well ribbed body and correct tailset. Nice turn of stifle, moved well. In good coat and showed very well.

**PGD (3)** 1 Newton's **Strathinver Star Of Fortune**, nice type and good size. He has a nice head and expression. Good neck, shoulders, forechest and has

a good body. Good tailset and strong hindquarters. Correct tailset, nice double coat, moved soundly both ways; 2 Stevenson's **Brickin Quite By Chance**, another boy of nice type, nicely balanced outline. Pleasing head and expression, well made body with a good spring of ribs. Nice tight double coat, moved well when he went, just needs a bit more confidence; 3 Walker's **Roxypark Spring Time**.

**LD (8)** 1 Thompson-Morgan's **Belleville Major Key**, very smart boy of good type and mature for his age. I really liked hi head and expression, good reach of neck and shoulders. Straight front, well made body with a strong hindquarters. In a very nice coat, moved true and a smart showman, **RCC**; 2 Smith's **Javidel Despicable May**, very similar to first in many ways. Quite mature, good head and expression, wars need to settle more. Good neck and shoulders, well made front. Well developed in body with strongly made hindquarters. Moved well: 3 Hess & Higgins' **Umbrage Copacabana**; Res Jenkins & McCourt's **Kinsridge Crackshot**; VHC Stevenson's **Brickin Just A Pickle**.

**OD (3)** 1 Gee's **Ch Watercroft Calling Time**, I liked this boy, very nice type and of a good size. He has a nicely balanced head with a keen expression. Good in neck and shoulders, good forechest and front. Well made body, short backed with a good spring of rib. Well mind hindquarters, correct tailset. Good outline, well presented dark red double coat, a smart fluent mover, **CC & BOB**; 2 Hurrion & Standen's **Villassa Jack Be Quick**, has lots to like about him, looked a little immature against first. Nicely made head with a good expression. Good neck, straight front and correct length of body with the correct ribbing. Well made hindquarters with a correct tailset. Good mover both way and showed well; 3 Horne's **Ch Marchdens Mark My Words**.

**VD (2-1)** 1 Darnell's **Jacquidon Tough As A Nut**, nice boy with a good head and expression, well

placed ears. Good length of neck, correct shoulders and straight in front. Nicely made body with depth and a good spring of ribs. Well made hindquarters with a good turn of stifle, in a good coat. Moved soundly both ways and a good showman.

In very good coat, just needs to gain more confidence; 3 Thompson-Morgan's **Belleville Just So**; Res Stevenson's **Brickin Bespoke**; VHC Jenkins' **Kinsridge Top Knot**.

**PB (4-1)** 1 Phillips' **Just The One at Blakens**, lovely type girl, nice head with a good expression. Nice reach of neck, correct in shoulder and front. In very nice coat and showed well, **BP**; 2 Hurrion's **Villassa All About Me**, another nice one, liked her overall balance and size. Liked her head and expression, good neck and forechest. Well balanced body, moved well behind but needs to be more positive in front. She has a good showy attitude; 3 Cooper's **Settrenda My Kinda Girl**.

**JB (6-2)** 1 Darnell's **Jacquidon Rags To Riches**, liked her size and good type. Mature head, well placed ears that she uses well and has a good expression. Good overall outline, nicely made body with a good tailset. Moving well both ways, in a good coat of the correct texture. A happy showgirl; 2 Hess & Higgins' **Umbrage Up All Night**, pleasing youngster, nice head, good in neck and shoulders. Straight front, mature body with a balanced outline. In good coat and moved well both ways; 3 Jenkins' **Kinsridge Chitchat**; Res Macartney's **Ivrig Dancing In The Sun**.
